WEEK ONE

9 AM START— SPECIALTY COURSES
AUGUST 5 - August 9

Kindergarten \$195

KINDER CAMP with MRS. SCURO & MRS. MURPHY *9 - 12*

Get ready for a morning full of excitement and laughter in our fantastic enrichment session! Dive into a world of friendship-building and classroom adventures to kickstart an epic Kindergarten journey. Let your little one join the fun with fellow soon-to-be Kindergarteners, boosting their confidence for the big leap into reading, writing, and embracing a brand-new routine. Our program is not just about academics; it's a blast of social-emotional skill development and the perfect opportunity to make lifelong buddies. Our curriculum is designed to make learning a joyous experience, incorporating reading, writing, and math into playtime magic. Plus, we'll explore the realms of creative and dramatic play, igniting imagination, and fine-tuning those motor skills through awesome art adventures.

Pre – K \$180

LITTLE SPARTANS with MRS.MERKLE *9 -12 *

Get ready for a smooth transition to Pre-K with your fellow Little Spartans! Our course is designed to help your child become familiar with the Pre-K environment, build connections with their teacher and peers, and develop essential social and cognitive skills. Through structured play and interactions, your child will have the opportunity to engage with other incoming Pre-K children, fostering a sense of community and friendship. Each day, we will explore the Pre-K routine, including activities like Morning Meeting, play in small groups, and completing a project. Your child will gain confidence, independence, and readiness for the exciting journey ahead in Pre-K!

GRADES 2 - 8 \$180

ACTING INTENSIVE with CHRIS AND SOPIA *9-12*

Embark on a magical journey down the yellow brick road with this year's Acting Intensive featuring *The Wizard of Oz*! A condensed version of the timeless classic, this enchanting course invites young performers to step into the iconic roles of Dorothy, the Scarecrow, the Tin Man, and the Cowardly Lion. From spirited rehearsals to captivating stage performances, campers will immerse themselves in the whimsical world of Oz, learning valuable acting skills and bringing beloved characters to life. Culminating in a dazzling final performance for families, this week-long adventure promises to ignite imaginations and spark creativity in aspiring actors of all ages.

WEEK ONE

9 AM START— SPECIALTY COURSES
AUGUST 5 - August 9

GRADES 3-8

\$180

SPORTS & GAMES with MR. LAWLOR *9 -12*

Love Sports? This class is just for you! Join 3 hours of sports fun with your friends. We will be utilizing our field and indoor gym to focus on fun, fitness, teamwork, and sportsmanship. Each hour, a different sport and game will be introduced and played. This class will give you the opportunity to learn and play a wide variety of sports, games, and activities. Participants will play soccer, basketball, kickball, nukum, capture the flag, wiffleball, and everything in between. Be ready to learn some new skills, become physically fit, improve your motor skills, RELAX, and have lots of fun.

GRADES 5 - 8

\$140

TECHMASTERMINDS with AYUSH AND WILL *9 -11*

Welcome to Tech Masterminds, the ultimate summer camp for tech-savvy middle schoolers! Join us for a thrilling 2-hour course where students in grades 5-8 will immerse themselves in a world of digital discovery. In this engaging program, young tech enthusiasts will explore the exciting realms of social media and e-sports. They'll learn to create compelling content, craft a digital presence, and master popular platforms under experienced guidance. Participants will also delve into various gaming genres, strategic gameplay, and the importance of teamwork for success. Whether a beginner or an experienced player, all are welcome to join the e-sports frenzy. Don't miss out on this opportunity to unleash your tech potential and have a blast with fellow digital adventurers at Tech Masterminds!

WEEK ONE

9 AM START

AUGUST 5 - AUGUST 9

GRADES 2-3

\$65

ACTIVE HOUR 2-3 with MR.LAWLOR AND CREW

Want to play sports and be active but don't want to commit to 3 hours? Our Active Hour for grades 2 and 3 students get to drop into Sports and Games for just an hour but for so much fun! Each day, a different sport and game will be introduced and played. This class will give you the opportunity to learn and play a wide variety of sports, games, and activities while still exploring other aspects of Summer Escape.

LIMITED SPACE!

GRADES 1-8

\$100

MODEL MAGIC MANIA with MRS. PIDANE

Do you like to sculpt and build? Model Magic is Crayola's version of air dry clay that can be sculpted, air-dried, and painted. In this class we will experiment with building multiple projects using Model Magic. From dragons to geodes to miniature clay versions of well-known paintings, all students will be able to tap into their creative sides!

GRADES 1-2

\$80

READING ROCKSTARS with MRS.REILLEY

Students in this course are guided through the ongoing development of language skills and the core components of the language arts curriculum. Designed with student engagement in mind, this course will develop a student's understanding of key ideas and concepts of reading and writing. Students will participate in fun and engaging activities to practice phonemic awareness. Diverse activities will keep students interested in coming back each day.

WEEK ONE

9 AM START

AUGUST 5 - AUGUST 9

GRADES 1-6

\$75

MINDFUL MILE with MS.BRADBURY

This class is a journey of movement and awareness: an introduction to the practice of mindfulness while engaging in a one mile walk or run (Daily Mile). Fun and enriching experience for children that promotes both physical activity and emotional well-being. Explore mindful movement, stretching, yoga poses, complete mindful stations, practice gratitude, and express thoughts, feelings, or observations they had during the activity through art.

GRADES 1-5

\$100

SLIMEOLOGY with MS.PABST

What can be more fun than exploring science by creating slime!?! Every day students learn how to create new slime types and cover new fields of science! Participants will learn the physical changes versus chemical changes in order to discover the biological and natural slimes we find! It's all in this class! Students will also take home every day's slime!

Note: Some recipes will be the same during both weeks.

WEEK ONE

10 AM START
AUGUST 5 - AUGUST 9

GRADES 1-2

\$120

LITTLE CHEFS with MRS.PABST

Summer cooking! Participants will create fun, creative, and most importantly DELICIOUS kitchen recipes. Students will learn to prepare different foods and familiarize themselves with kitchen tools all while learning the importance of kitchen safety. Afterwards, they will enjoy their tasty creations! Students will leave inspired to share these recipes and get involved in helping in the kitchen!

LIMITED SPACE

GRADES 1-6

\$80

BACKSTAGE CREW with CHRIS AND SOPHIA

In Backstage Crew, students will learn all about the inner workings of behind the scenes in a musical! In this class, our main focus will be creating and designing costumes, sets, props, and more for our camp production of "The Wizard of Oz"! Kids will analyze different effects performed in real Broadway Shows and brainstorm how to create and achieve them on their own, later finding out what the professionals decided to do! No experience is needed, just a creative mind with great ideas!

GRADES 4-5

\$65

ACTIVE HOUR GRADES 4-5 with MR.LAWLOR AND CREW

Want to play sports and be active but don't want to commit to 3 hours? Our Active Hour for grades 4 and 5 students get to drop into Sports and Games for just an hour but for so much fun! Each day, a different sport and game will be introduced and played. This class will give you the opportunity to learn and play a wide variety of sports, games, and activities while still exploring other aspects of Summer Escape.

LIMITED SPACE!

GRADES 2-4

\$90

MAGIC SCHOOL BUS with MRS.REILLEY

Get ready to buckle up and blast off on an exhilarating adventure with our Magic School Bus Science Explorers course! Join us for a wild ride filled with exciting science experiments that will ignite curiosity and fuel imagination. Through thrilling Magic School Bus adventures, children will embark on a journey to uncover the wonders of the world around them and ignite their passion for science. Get ready to dive into hands-on experiments, make mind-blowing discoveries, and spark a lifelong love for learning in this electrifying science exploration experience!

WEEK ONE

10 AM START

AUGUST 5 - AUGUST 9

GRADES 3-7

\$80

YOGA EXPLORERS with MS.BRADBURY

This yoga class for students in grades 3-6 will be an engaging and interactive experience designed to promote physical and emotional well-being. Through a blend of yoga poses, games, songs, stories, and imaginative play, students will have the opportunity to explore mindfulness and relaxation techniques while also having fun. The class will focus on cultivating a sense of calm, happiness, and inner peace through movement and mindfulness activities tailored to their age group. By incorporating elements of play and creativity, students will not only develop strength, flexibility, and balance but also learn valuable tools for managing stress and emotions. Overall, this class aims to empower students to connect with themselves and their surroundings in a positive and meaningful way.

GRADES 1-6

\$100

UNIQUE PAINTING ADVENTURES with MRS.PIDANE

In this class, students will explore creative expression through painting with unique materials such as string, marbles, Legos, and stamps. We will also be using a variety of paints including tempera, watercolors, and watercolor crayons to name a few.

WEEK ONE

GRADES 2-5

\$90

FRAME IT UP with MS.BRADBURY

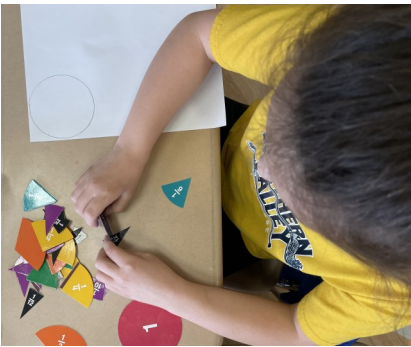

Bring in your own photos, and we will supply the books, pages, and stickers to create a fun scrapbook and framed photos. This will be a fun way to display your pictures stylishly and have keepsakes for years to come!

GRADES 2-4

\$75

MATH MANIA with MRS.CAPAZZI

During Math Mania, students will tackle summer math packets with enthusiasm and energy. We've transformed the task of completing math assignments into a fun and rewarding experience, ensuring that campers approach their summer work with confidence and excitement. Students will participate in extension games to keep those math skills sharp and fresh for September.

GRADES 2-4

\$80

LITTLE CODERS with AYUSH AND WILL

Welcome to Little Coders! This course is designed for students in grades 2-4 who are eager to explore the exciting world of technology. In this class, we will introduce students to the basics of coding through the Hour of Code platform, where they will learn fundamental concepts in a fun and interactive way. They will also get hands-on experience with Canva, a user-friendly graphic design tool, and G-Suite applications such as Google Docs and Google Slides, which are essential for school and beyond. Students will also explore the basics of E-Sports from two of the founders of the Harrington Park E-Sports team! By the end of this course, students will have a solid foundation in various kid-friendly tech programs, empowering them to continue their exploration and learning in the digital world.

BEADS, BRACELETS, & PARACORD with MRS.PIDANE

From friendship bracelets, to Perler beads to paracord keychains, whether a beginner or advanced, this class is sure to delight! In this class we will explore various ways to make bracelets with string and beads, use fusible Perler beads and even try some paracord techniques to create some keychains.

GRADES 1-4

\$90

STORYTIME AND CRAFTS with MS.SACCOCCIO

Make story time more magical! Come join Ms.Saccoccio in listening to a classic children's story or fairytale! Students will participate in a fun hands-on craft derived from the story. Let's relax, sit back, and enjoy the summer together!

GRADES 1-3

\$80

LITTLE YOGIS with MS.BRADBURY

Little Yogis is a nurturing and interactive course tailored for 1st to 3rd-grade students who are new to yoga. Through a fusion of gentle yoga poses, playful games, soothing songs, captivating stories, and imaginative play, children will embark on a journey of self-discovery and well-being. Guided by our guidance counselor, Ms.Bradbury, this class will introduce foundational yoga techniques in a fun and accessible manner, fostering physical strength, flexibility, and balance while nurturing emotional resilience and relaxation skills. With a focus on mindfulness and cultivating inner peace, Little Yogis empowers young learners to develop lifelong habits for managing stress.

WEEK TWO

9 AM START

AUGUST 12 - August 16

GRADES 1-6

\$75

THEATER AND GAMES with SOPHIA AND ANGELINA

In this acting class, students will receive training in improv, acting for the stage, and musical theatre-style dance. The class will mainly focus on learning to get into character while working with improv games, short dance combinations, and simple scene work! Sophia and Angelina will work to spark your child's interest in Theatrical Arts.

NOTE: There is NOT a performance at the end of this class.

WEEK TWO

10 AM START

AUGUST 12 - August 16

GRADES 1-6

\$90

NATURE CRAFTS with MRS.PIDANE

Do you like to explore nature and the amazing things that can be found there? Do you like to create art? Then this class is for you! In this class, we will explore the many fascinating things in nature all while creating art projects about nature and using items found in nature. This will also include going outside to explore and find materials to use.

GRADES 2-4

\$90

S.T.E.A.M with MS.SACCOCCOIO

Your child will be involved in hands-on activities centered around science, technology, engineering, art, and math. These interdisciplinary projects will be designed from recyclables and other common household materials. Students will be given opportunities to think “outside the box” when designing and developing the projects.

GRADES 2-3

\$65

ACTIVE HOUR 2-3 with MR.LAWLOR & CREW

Want to play sports and be active but don't want to commit to 3 hours? Our Active Hour for grades 2 and 3 students get to drop into Sports and Games for just an hour but for so much fun! Each day, a different sport and game will be introduced and played. This class will give you the opportunity to learn and play a wide variety of sports, games, and activities while still exploring other aspects of Summer Escape.

NO BAKE BITES with MS.BRADBURY

No Bake Bites is a delightful cooking course designed specifically for kids who want to help out in the kitchen! In this hands-on culinary adventure, young chefs will embark on a journey to discover the joy of creating delicious treats without ever needing to turn on the oven. Participants will learn how to whip up a variety of tasty snacks using simple, no-bake recipes. Join us as we roll, mix, and stir our way to culinary greatness in this flavorful cooking experience.

LIMITED SPACE

WEEK TWO

10 AM START

AUGUST 12 - August 16

GRADES 2-8

\$75

SINGING AND ACTING ON STAGE with SOPHIA & ANGELINA

In this Acting Class, students will receive training in improvisation, acting for the stage, and voice. The class will mainly focus on learning to get into character while working with improv games, scenes & monologues, and singing songs. The week starts with a mock audition, to help get comfortable on stage. Students will then rehearse a small group scene or song from a musical that may be performed for fellow campers.

*** PLEASE NOTE: This is NOT a Performance-Based class. The main goal is to receive training and spark interest in the Theatrical Arts.**

WEEK TWO

11 AM START
AUGUST 12 - August 16

GRADES 1-5

\$100

SENSATIONAL SUMMER CRAFTS with MRS.PIDANE

Summertime.... and the crafting is easy! In this class we will be creating some seasonal crafts revolving around the summer and all the cool things related to summer. Get ready to put on the shades, relax in your flip flops and create!

GRADES 1-8

\$85

DREAM BUILDERS with MS.BRADBURY

Get ready to turn your wildest dreams into reality! In this class, kids will embark on a journey of imagination and creativity as they learn to manifest their aspirations through the art of vision boarding. Through games, activities, and plenty of laughs, participants will discover the power of visualization and goal-setting in a supportive and uplifting environment. Join us for Dream Builders and watch your dreams take flight!

GRADES 1-5

\$80

LEGO MANIA with MS.SACCOCCIO

LEGO FUN! Show your creativity as you build Lego creations. Dream, create, and inspire using Legos. Join us to create projects that can be done with teamwork and imagination. Participants will play, invent, and learn all at the same time.

GRADES 6-8

\$65

ACTIVE HOUR 6-8 with MR.LAWLOR & CREW

Want to play sports and be active but don't want to commit to 3 hours? Our Active Hour for grades 6-8 get to drop into Sports and Games for just an hour but for so much fun! Each day, a different sport and game will be introduced and played. This class will give you the opportunity to learn and play a wide variety of sports, games, and activities.

LIMITED SPACE

WEEK TWO

11 AM START

AUGUST 12 - August 16

GRADES 1-5

\$75

BROADWAY DANCE with SOPHIA & ANGELINA

During this dance week, students will receive training in Broadway Tap, Broadway Jazz, and ballet styles of dance. Each day we will focus on one style and learn steps based on each camper's experience. They will also practice picking up short combinations quickly as one would do in an audition.

*** PLEASE NOTE: This is NOT a Performance-Based class. The main goal is to receive training and spark interest in the Theatrical Arts.**

WEEK THREE

9 AM START

AUGUST 19 - August 23

Pre – K

\$180

LITTLE SPARTANS with MRS.MERKLE *9 -12 *

Get ready for a smooth transition to Pre-K with your fellow Little Spartans! Our course is designed to help your child become familiar with the Pre-K environment, build connections with their teacher and peers, and develop essential social and cognitive skills. Through structured play and interactions, your child will have the opportunity to engage with other incoming Pre-K children, fostering a sense of community and friendship. Each day, we will explore the Pre-K day, including activities like Morning Meeting, play in small groups, and completing a project. Your child will gain confidence, independence, and readiness for the exciting journey ahead in Pre-K!

GRADES 1-5

\$100

SLIMEOLOGY with MRS.SACCOCCIO

What can be more fun than exploring science by creating slime!? Every day students learn how to create new slime types and cover new fields of science! Participants will learn the physical changes versus chemical changes in order to discover the biological and natural slimes we find! It's all in this class! Students will also take home every day's slime!

Note: The same slime recipes will be used both weeks.

GRADES 2-8

\$100

BEADS, BRACELETS, & PARACORD with MRS.PIDANE

From friendship bracelets, to Perler beads to paracord keychains, whether a beginner or advanced, this class is sure to delight! In this class we will explore various ways to make bracelets with string and beads, use fusible Perler beads and even try some paracord techniques to create some keychains.

GRADES K-8

\$110

GARDEN GURUS with MRS.SCURO

This class is designed to teach students about the complex and fascinating ecosystem to which we, as humans, also belong and from which we draw our food. We will learn about food systems, plant our own seedlings, learn about nutrition, and investigate soils, weather, insects, and birds. We view gardening as a play environment in which children engage in opportunities to learn about the joys of gardening as well as about people who are passionate about the natural world.

WEEK THREE

9 AM START

AUGUST 19 - August 23

GRADES 1 - 3

\$100

GET CRAFTY with MS.PABST

Students will participate in several projects using a variety of art tools. All projects are designed to be engaging and fun for students to express themselves in a creative way. Projects include craft work, drawing, painting, building, and much more to develop strong fine motor skills!

GRADES 2- 4

\$80

READER'S THEATER with MRS.MURPHY

Love to read? Love to act? This class will have students become performers! They will have the opportunity to connect text and imagination. Reader's Theatre can help your child's fluency through repetitive readings of a text. Participants will even gain experience performing at the end of the week!

GRADES 3-4
