

October 6, 2023

Dear SHS Families,

We are excited to share that our upcoming PSAT will take place at our high school on October 12, 2023. The PSAT is one measure of post-secondary readiness for students in Stratford. Grade 9 will take the PSAT 8/9 and grades 10-11 will take the PSAT/NMSQT. All test administrations will be in-person only. Seniors will report to school and will participate in post-secondary planning/readiness activities in the morning. Students in specialized programs such as BRIDGES and STEPS will either participate in testing or senior activities or work with their teachers, as appropriate.

Please note that this is an early release day (11:15) for all students; additionally, all students will be given lunch before being dismissed for the day. This year's PSAT will be taken on a computer so ALL students must bring their charged school-issued Chromebook with them to school.

Twelfth graders have the option to take the SAT at a local high school on Saturday, November 4th or December 2nd. It is important that you register as soon as possible. For test registration deadlines, testing locations, and to register for a Saturday SAT administration, please visit <https://satsuite.collegeboard.org/sat/registration/dates-deadlines>. Fee waivers are available upon request. Please contact your child's school counselor for a test fee waiver.

Sincerely,

Jack Dellapiano
Principal
