

Edgecomb Eddy School

November 2, 2023

Dear Edgecomb Eddy Families,

I am writing to let you know that our bus schedule has changed, and that I would like to welcome our new bus driver Mr. Matt Schmid to the Edgecomb Eddy family! Mr. Schmid, as well as Mr. Dave, our other bus driver, divided the morning and afternoon bus route to assist with a later pick-up time in the morning and students will be arriving home earlier than previously.

With this said, I would also like to take the opportunity to ensure we communicate our expectations for a safe and secure environment on the bus for all of our students. Here are our expectations for riding the bus, please feel free to go over the expectations with your child as we do regularly on the bus:

- Use kind words.
- Sit in assigned seat.
- Remain seated while the bus is in motion.
- Sit with back against the back of the seat.
- Sit facing forward.
- Sit with your backpack on your lap.
- Keep hands/feet and belongings to self.

Many thanks to Mr. Dave and the many Boothbay bus drivers took on the additional responsibility and added students over the start of this school year and last year. I would also like to thank you as parents and guardians while we were recruiting and seeking a bus driver for Edgecomb students. Our students also managed a full bus with longer rides in both the morning and afternoon, they have done a fantastic job following all of the expectations for the bus.

Note: We expect that there will be future changes to the schedule - so please keep that in mind - as we may make adjustments and/or changes to the route. We want to ensure our bus runs are efficient and effective, we will send along any changes so that you can prepare.

Please see the attached information regarding the updated pick-up and/or drop-off for your child. This will start on Monday, November 6. In the meantime, if you would like to change your transportation plan, please contact Mrs. Cooper here at school at 882-5515 or if you have any questions.

Sincerely,

Tom Landberg

Tom Landberg, Principal
Edgecomb Eddy School

As of November 6th, 2023
