Winter Weather Expectations:

As a reminder during these cold winter days, be sure to send your child to school prepared to be outside for (3) three recesses of up to half an hour at a time. We recommend that all students be prepared with boots, snow pants, jackets, gloves/mittens, and hat, as it is also a good idea to send an extra pair of gloves/mittens in case they get wet. We do have some extra at school for students to borrow, but supplies will run out if they are not returned to our "share closet". It is wise to have an extra pair of socks, pants, shirt, and underwear in all students' backpacks or cubby. Do you have some older snow gear you're willing to donate? Gently used boots, snow pants, or mittens? Let us know!

-Tom Landberg

Guidance Corner

Mr. Upham and two members of the sixth grade are starting a Student Council and we will be planning to create a spirit week in February! A complete program of the week will be sent out in January. If your son or daughter is interested in leadership and citizenship, please reach out to get them involved. Our class curriculum, "Choose Love", provides many opportunities for our students' social and emotional health, and is even more appropriate and timely with the event that happened in Lewiston. Parents: please review the curriculum at home at:

legacy.chooselovemovement.org/schools.

Our school is interested in applying for the Maine Department of Education's 21st Century Grant. We are looking for parents/guardians to join a committee to help guide our thoughts and ideas on applying for this all-school grant funding.

Mr. Upham can be contacted at 207-882-5515 or by email gupham@aos98schools.org

Clinic Updates

- Remember to keep an extra pair of clothing in your students cubby! Especially pants!
- Don't forget to tick check!
- You can still get a flu shot or covid booster by contacting your doctor!

Sick students should not come to school. Please reach out with questions about symptoms.
