Message from Mr. Landberg:

We fulfilled our school-wide goal for Positive Behavior Intervention Supports (PBIS) and earned a school-wide movie with popcorn sponsored by the Parent and Teacher Club! Please know that we have been so successful in learning and practicing expectations for hallways, classrooms, playground areas, and the cafeteria with great success. Our next school-wide challenge will involve demonstrating behavioral expectations in even more areas of our school. Also, be on the lookout next week for a survey to be sent home about behavioral expectations at school.
-Tom

Food at School, things to know!

All students are eligible to eat a free breakfast and a free lunch every day at school regardless of their economic status.

Breakfast includes milk, fruit and a bread or cereal item. Lunch includes milk, veggie/fruit bar, and a main course. Sunbutter & jelly is available as an alternative to the "hot lunch".

Our food is not prepared here at EES though, it is prepared in the Boothbay Elementary School kitchen, and then transported here to EES daily. This means that late students who have not ordered lunch (before 9am) may have to settle for a sunbutter & jelly sandwich that day. Teachers take "lunch count" each morning during arrival, and if a student does not order, there will not be a hot lunch item available.

Thank you to those who have completed the "economic status forms" in your first day packet. This information helps our school receive funding to provide this food for our students!

Edgecomb Fire Department Visit

On October 23rd, The Edgecomb Fire Department visited our school to teach students about fire safety! Ask your student what they learned! Many thanks to the Edgecomb FD!!!

Clinic Updates

- Remember to keep an extra pair of clothing in your students cubby! Especially pants!
- Don't forget to tick check!
- You can still get a flu shot or covid booster by contacting your doctor!

Sick students should not come to school. Please reach out with questions about symptoms.
