## Positive Behavior Intervention Supports (PBIS) Update:

We were able to earn our first Eagles Nest school-wide reward! Our students earn tickets for demonstrating appropriate behavior aimed at "Respect, Responsibility, and Safety". Last week, we earned so many "Responsibility" tickets that the reward is a school-wide Dance Party happening this week!

Friends at the all school Spirit Day, 2/16

Maine School Science Volunteers\* and volunteer teachers from Edgecomb Eddy School at Science Club in February working with 4<sup>th</sup>, 5<sup>th</sup> and 6<sup>th</sup> graders.

\*MSSV is an organization of retired scientists, engineers, and medical doctors that work with local school districts to provide after-school science activities.

The guidance curriculum for March is career awareness. We will be discussing careers as a lead-up to our career fair on March 29th. We have sent volunteer requests home! If you are willing to share your career(s) and tools of your trade on a panel for our students, please contact me. The career fair will be from 8:30 to 11:30. When I have all of the presenters (by March 14 please), I will send out the schedule to all who will participate.

Helpful and timely resource -

We continue to work on the 21st Century Grant and have a number of volunteers.

I can be contacted at 207-882-5515 or by email [gupham@aos98schools.org](mailto:gupham@aos98schools.org)

-Mr. Upham

## Mud Season

Please send your student to school ready for outdoor play. Boots are a must during mud season!

**A set of extra socks, pants and underclothes should always be in your student's backpack or cubby.**

Don't forget to pack the sneakers for classroom time and **ESPECIALLY ON P.E. DAYS!!!**

## Performance Festivals
