# School Newsletter

1st day of  
school  
photo!

## MARK YOUR CALENDARS:

### TUESDAY, SEPTEMBER 12TH - K-6 Field trip to Burnt Island

We will leave the school at 8:30 and return at 2:25. Make sure your child brings a water bottle(no glass), and bring a lunch or request one from the school by this Friday. Please administer sunscreen on your child before coming to school, and see that appropriate footwear is worn.

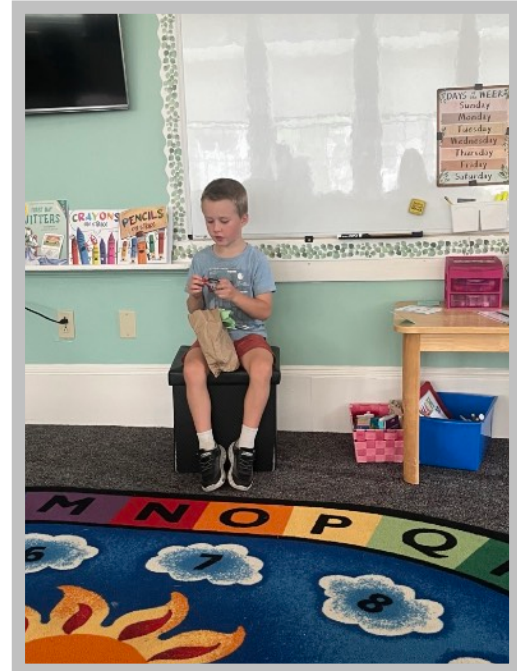

### WEDNESDAY, SEPTEMBER 20TH - K-6 Field trip to Fort Pemaquid

We will leave the school at 8:15 and return by 1:30(Early release day). Make sure your child brings a water bottle(no glass),and bring a lunch or request one from the school by this Friday. Please administer sunscreen on your child before coming to school, and see that appropriate footwear is worn.

WE WILL BE OUTSIDE ON BOTH OF THESE TRIPS.

# Ms. Tibbett's K/1 Classroom

This week we practiced playing in our centers and got to know each other a bit better by sharing our "about me bags" with the class.

# Ms. Clarke's Gr. 2 Classroom

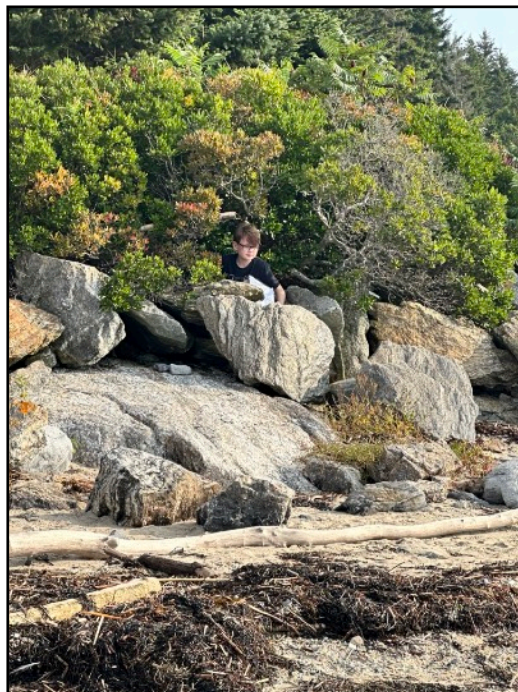

*Second graders are shown working together on floor puzzles and a place value game. We're off to a great start...it's going to be an awesome year!*

# Mrs. Browne's 4-6 Classroom

Mrs. Browne's 4th , 5th and 6th graders had a great first week of school. We have been having fun together and learning. On Tuesday, groups competed in a STEM challenge. The challenge was to draw a smiley face on a piece of paper without crossing a tape circle line. The only tools were a roll of duct tape and a marker! The teams had a lot of trial and error, but both teams managed to have a drawing in the end! We plan to revisit and improve upon this challenge next week!

Friday, we took a walk to the beach and worked on creative writing pieces related to the ocean!

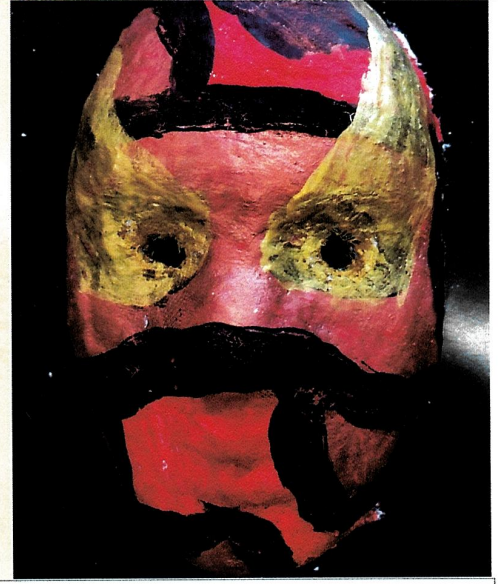

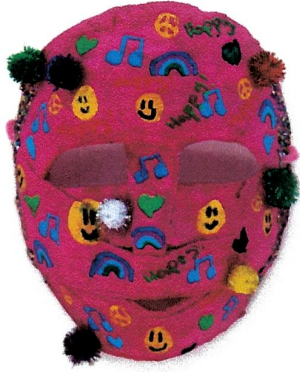

The children love playing in the mud behind the school; they just need to wear rubber boots. Please consider sending in rubber boots and a change of clothes... just in case.

**If you haven't yet turned in your packet sent home in August, please do so right away. We need to be sure we have your emergency contact information, as well as your child's health history, etc.. Thank you for keeping us informed.**
