# SCS NEWSLETTER

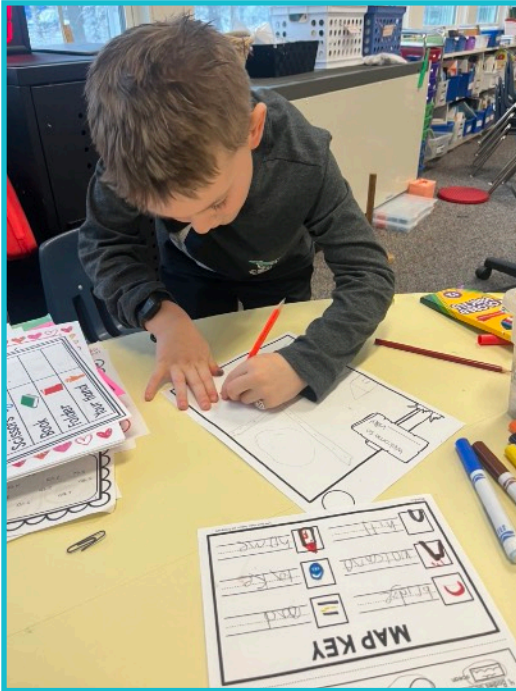

The Boothbay Region Adult & Community Education has an incredible class line up this winter and spring. Below is the link to the catalog and courses available.

<https://boothbayae.maineadulted.org/>

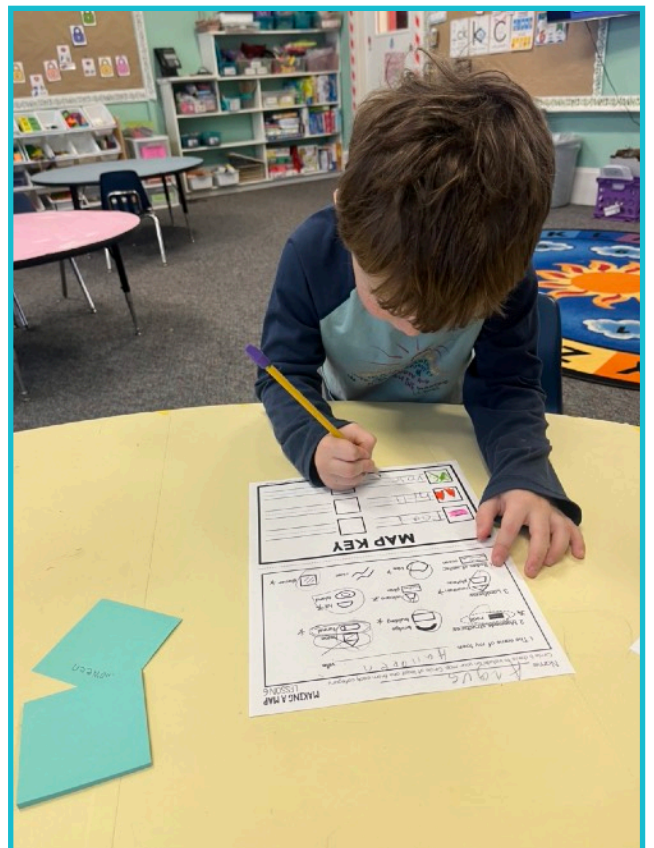

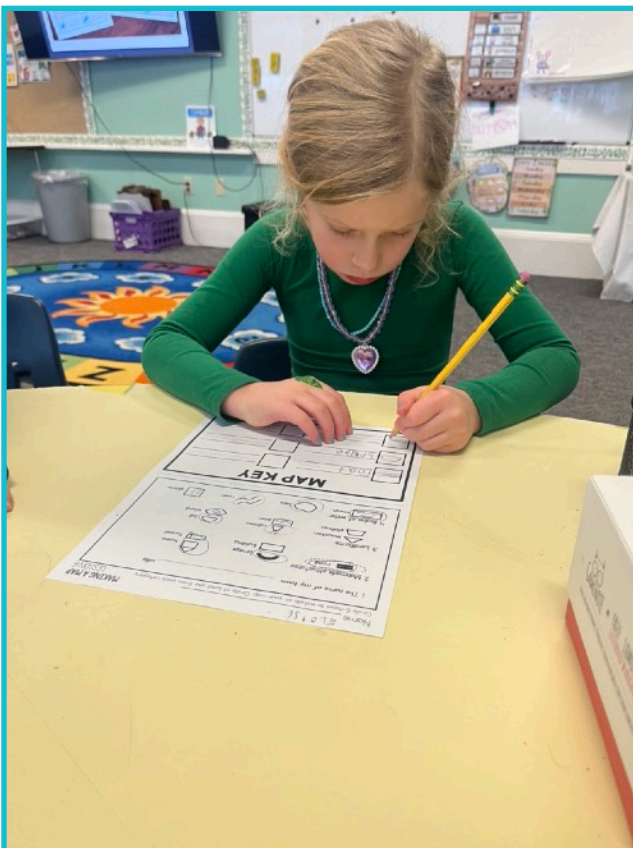

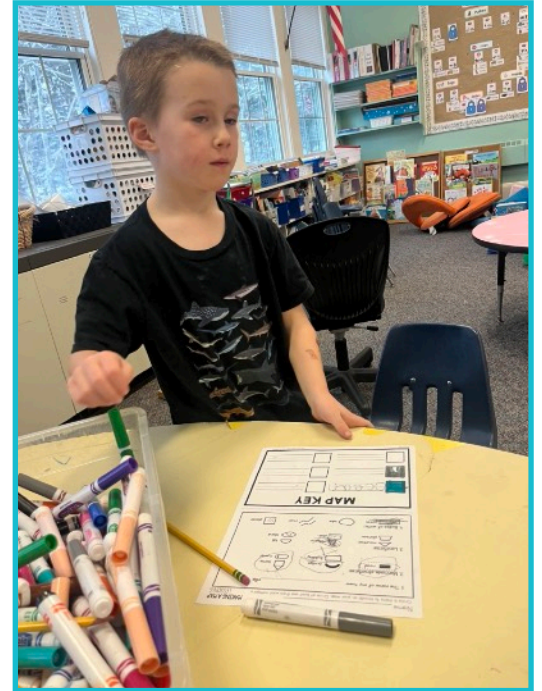

On Thursday, SCS went to BRES to see the Lady Dribblers perform at halftime of a BRES boys basketball game. Cairine Blackman Morehouse performed with them. She did a wonderful job!

# MS. TIBBETTS' K/1 CLASSROOM

This week we continued talking about maps and students were able to make their own. Their maps needed to include at least one manmade structure, a landform, and a body of water. They really enjoyed making their map key and adding extra details to their maps!

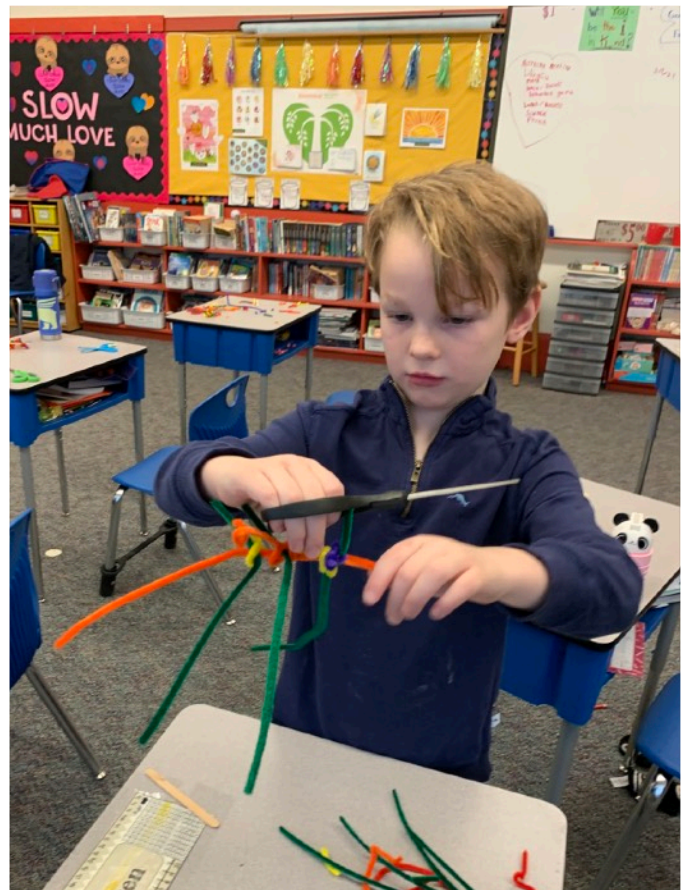

## MS. CLARKE'S GRADE 2 CLASSROOM

After reading the book "Snowflake Bentley" about a man from Jericho, Vermont who worked tirelessly to photograph snowflakes, we decided to try to "construct" our own using boiling water and Borax. Some of us decided to add glitter to our mixture...we hope to have pictures of the end results for next week's newsletter.

## MRS. BROWNE'S GRADE 4/5/6 CLASSROOM

### GIANT SNOWMAN BUILDING DURING MONDAY'S RECESS.

MIDCOAST  
CONSERVANCY
