for detailed,  
beautiful  
snowflakes!

## MS. TIBBETTS' CLASSROOM

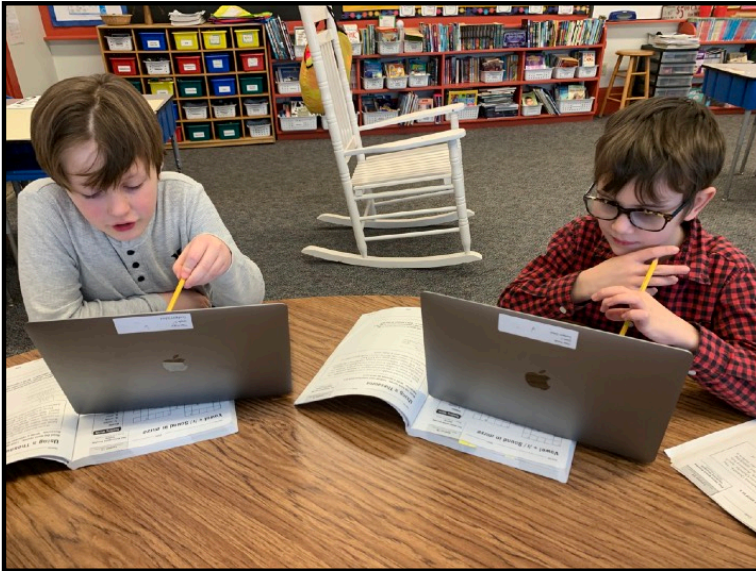

Students in K/1 this week have been practicing their reading and math skills! In reading they went on a scavenger hunt and wrote the words to match the pictures, and in math we practiced making the longest piece of paper, then measured our findings!

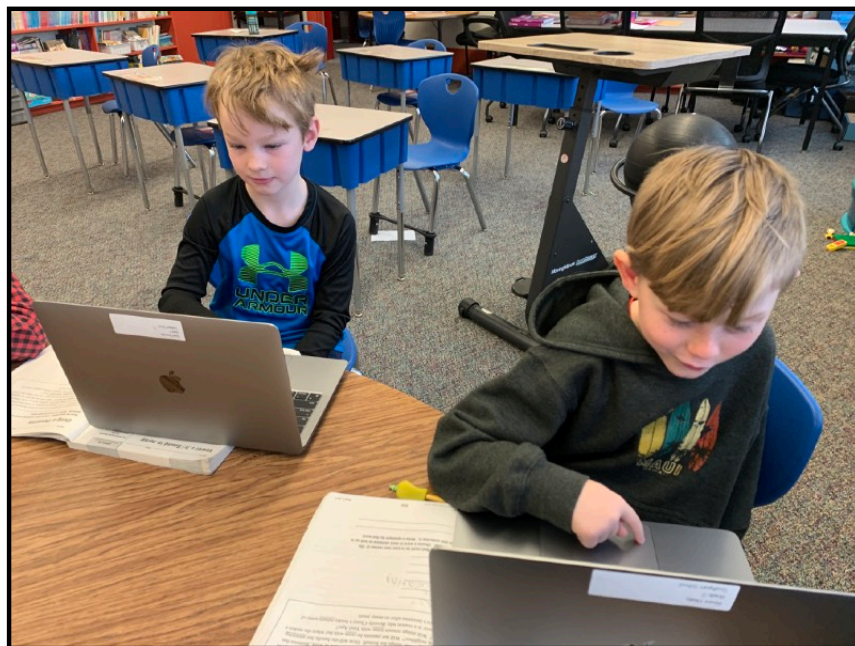

## MS. CLARKE'S GRADE 2 CLASSROOM

After learning what a thesaurus is and how to use one in book form, these boys delighted in learning where they can access one on their computers.

Their comments were favorable, as they developed their skills in using this new resource.

## MRS. BROWNE'S GRADE 4/5/6 CLASSROOM

**6TH GRADE STUDENTS HARD AT WORK IN MATH  
CLASS LEARNING ABOUT RATIOS.**

WE'RE HAVING SO MUCH FUN ON THE NEW  
ICE RINK!
