## ABOUT THE AU GRES-SIMS SCHOOL DISTRICT

The Au Gres-Sims School District is a small, rural district that sits on the shores of Lake Huron, in Arenac County. Located less than an hour's drive north of Bay City and Saginaw, AGS is close to the conveniences of the large, suburban areas while still retaining the intimate tight-knit community values of a small town. The district encompasses a large land area and is a nature-lover's dream with miles of pristine shoreline and plenty of privacy. Our close connection with the surrounding area is evident in our place-based education program.

Clustered on one campus, school employees form long-lasting and powerful relationships with one another as well as with our families and the community. Au Gres-Sims boasts a full K-12 one-to-one implementation, small class sizes, and an award winning band program. The district has recently completed a large bond project that truly gives it a jewel school feel for a destination district. Au Gres-Sims is a great place to live, work, and raise a family.
