Extracurricular and Co-Curricular Activities

The Superintendent must approve an activity in order for it to be considered a District-sponsored extracurricular or co-curricular activity, using the following criteria:

1. The activity will contribute to the leadership abilities, social well-being, self-realization, good citizenship, or general growth of student-participants.
2. Fees assessed students are reasonable and do not exceed the actual cost of operation.
3. The District has sufficient financial resources for the activity.
4. Requests from students.
5. The activity will be supervised by a school-approved sponsor.

Building Principals are responsible for the scheduling and announcing of student extracurricular and co-curricular activities.

Non-school sponsored student groups are governed by School Board policy on student use of school buildings.

Academic Criteria for Participation

For students in Kindergarten through 8th grade, selection of members or participants is at the discretion of the teachers, sponsors, or coaches, provided that the selection criteria conform to the District's policies. Students must satisfy all academic standards and must comply with the activity's rules and student conduct code.
