# STICKS FOR STUDENTS

## COMMUNITY VOLUNTEERS NEEDED FOR PHLEBOTOMY STUDENTS

Students in the ECHS Health Science Phlebotomy Program are working to get their license to draw blood as a Phlebotomist. The students need community volunteers to help reach their required 30 successful venipuncture sticks.

### 2024 SCHEDULE

Wednesday, April 10  
Tuesday, April 16  
Monday, April 22  
Tuesday, April 23  
Wednesday, May 1

3:30pm - 6:30pm

### LOCATION

El Campo High School  
Building H  
Avenue F & Ash St.

### INCENTIVES

All participants will be entered to drawing to win Visa gift cards ranging in values from \$50 - \$250.  
One entry per stick!

**For more information,

## **STICKS FOR STUDENTS - FREQUENTLY ASKED QUESTIONS**

**Q:** How old do I have to be to volunteer?

**A:** *There is no age requirement to volunteer, but all students 18 years old and younger must have a parental consent form.*

**Q:** How much blood will they have to take?

**A:** *Just a few drops.*

**Q:** What will they do with the blood? Will it be tested?

**A:** *No testing is performed, and the blood is disposed of in a biohazard waste container.*

**Q:** What if I want to volunteer, but cannot make the scheduled events?

**A:** *Contact Kaydi Kacer to possibly schedule an alternate time.*

**Q:** What if I want to donate gift cards or other incentives to help?

**A:** *Contact Kaydi Kacer for donations and other opportunities to help?*

**Q:** Have the students had any practice prior to the Stick Clinic?

**A:** *They have practiced on their teacher and each other.*

**Q:** I have arrived at the Clinic, and I can't get in. How do I get into Building H?

**A:** *For safety reasons, ECISD exterior doors do not have door handles. Knock at the door or call the number posted on the door and a class member will let you into the building.*

**Q:** Is there any paperwork involved?

**A:** *Yes. You will need to complete a brief volunteer consent form upon arrival.*
