Greetings and Warm Welcome to Notre Dame,

As we gather here for the 44th Annual God's Portion Day, I am not only your school principal but also a proud parent. It's a special honor for me to address you today, as this event marks not only the passage of 44 remarkable years but the enduring spirit of our Notre Dame community.

God's Portion Day is more than just a tradition; it's a cornerstone of our school's identity and a testament to the unwavering support we receive from families like yours throughout the year. Your presence here today, and your continuous support, are the driving forces behind our ability to provide a faith-based education to countless students in our community.

Over the past year, we have witnessed inspiring growth and change. Every week, we welcome new families into our Notre Dame family. Our students' achievements continue to shine, whether in academics, athletics, or the arts. They leave our institution well-prepared to embrace the world, armed with a foundation built on faith and academic excellence.

It's easy to feel a sense of excitement when surrounded by the remarkable developments at Notre Dame. As we often say, "It's a great day to be a Nike," reflecting the pride we have in our school and its achievements.

I extend my heartfelt gratitude to each of you for being an integral part of the 44th God's Portion Day and for your unwavering dedication to our students. God's Portion Day contributes significantly to the vitality of our school, and we couldn't do it without you!

Thank you for your presence, your support, and your enduring commitment to the Notre Dame family. Together, we shape the future of our students and our beloved community.

Kathryn Frakes, Principal
Angie Prottzman, Assistant Principal

DIVINE MERCY PARISH

Burlington - West Burlington, IA

Dear Alumni, Parents, and Supporters of Notre Dame,

On behalf of Fr. Dominic, I want to begin by thanking everyone for the warm welcome that you have extended to both of us as we begin our ministry here in Des Moines County. One of the many blessings of this assignment is the opportunity to serve and support Notre Dame. The tradition, excellence, and faith of this school is a gift that God has given to our community, and Fr. Dominic and I look forward to supporting Notre Dame's mission in our roles as Catholic priests and leaders of Divine Mercy Parish.

I also want to thank all those individuals whose amazing work made God's Portion Day happen. The generosity of organizers, donors, volunteers, and attendees will contribute to another successful celebration of our school through today's festivities. The portion of God's blessings that each of you shares with Notre Dame is greatly appreciated by the administration, faculty, staff, parents, and students. One of the ways we show our appreciation is the Notre Dame community's prayers for all of you. At school Masses, public liturgies, and private prayers, all of you are being prayed for because your generosity allows current students and future students to grow in faith, knowledge, and love.

Since I am new to Notre Dame, I have several ideas of what could be done in the future to help the mission of our Catholic school. I also know that many of you have ideas as well. Please never hesitate to reach out to me, members of the school board, or our administration with your ideas or concerns. Our past success happened because of each of you, and I have no doubt that God will continue to pour out blessings on our community through our share commitment to Notre Dame now and in the future.

Our namesake, the Blessed Virgin Mary, our Mother, will always be the best example of how each of us is called to live in this world. At the wedding feast of Cana, she told the wedding servers to do whatever Jesus told them to do. The Blessed Virgin Mary knew that following the direction of her son, Jesus Christ, would always lead to the best outcome, even miraculous outcome. Let our celebration of this year's God's Portion Day be time where we let the words of the Blessed Virgin Mary sink deeper into our hearts and minds, so we too can be blessed by Christ in what we do for our school, our families, and our community.

May God bless all of your generosity and please be assured of my continued prayers and commitment to Notre Dame and all of Des Moines County!

Notre Dame, our Mother, pray for us!

Father Jake & Father Dominic

WELCOME! ENJOY THE DAY!

To all the volunteers, sponsors, businesses, families, alums, parishioners, and staff thank you for making the 44th Annual God's Portion Day possible! We have listed the items by hours, hopefully, giving you an idea when an item will be auctioned. We will do our best to stay on schedule, but some items may take longer to auction than others. There is an addendum page for items which were donated after the book went to print. Food and beverage items will be spontaneously auctioned throughout the day.

We want to thank everyone who contributed so generously to this year's auction. We have tried not to omit any person, business, or donation. If any donation was omitted, we sincerely apologize.

Please remember all the individuals, families, organizations, and businesses who generously give to God's Portion Day. If you purchase a certificate for services or products, please be aware of the stated parameters. Please use your certificate for the number of people or events intended before the expiration date. Items and certificates are not redeemable for cash.

Disclosure Requirements for Quid Pro Quo Contribution.

Effective for contributions made on or after January 1, 1994, charitable organization must inform donors in writing that quid pro quo contributions in excess of \$75 are deductible only to the extent they exceed the value of any goods or services provided by the charitable organization in return. For purposes of this provision, quid pro quo contributions are defined as contributions and partly in consideration for goods or services furnished to the donor. The term excludes any payments made to an organization organized exclusively for religious purposes in return for which the taxpayer receives solely an intangible religious benefit generally not sold in a commercial transaction outside the donative context.

Typically, quid pro quo contributions are made in connection with charitable fundraising events, such as charity golf tournaments, auctions, theater events, dinner dances and similar events, where part of the payment constitutes a contribution.

In connection with the solicitation or the receipt of quid pro quo contribution, charitable organizations must provide a written statement that: (1) informs the donor that the amount of the contribution deductible for federal income tax purpose is limited to the excess of the amount of money or property contributed over the value of the goods and services provided by the charitable organization; and (2) provides the donor with a good faith estimate of the value of such goods and services. Disclosure statements may be made in any reasonable manner likely to come to the attention of the donor. Thus, disclosure statements may be placed on solicitations materials, event program, tickets, etc.

When you pay for your auction items today, you will receive a list of the item(s) you purchased. The list will show what you paid for each item. The excess you pay over the fair market value is your donation. You will need to keep these receipts for your 2022 tax return. If you have any questions, please seek assistance from your tax advisor.
