Strategic Plan

2023-2024

Mission

Cassia Joint School District 151 will ensure high levels of learning and success for all learners.

Vision

Cassia Joint School District 151 will be acknowledged as a leading institution of learning by producing capable, competent, and compassionate students/citizens.

Core Values

We believe:

- ✚ *All students are accepted and acknowledged as capable of learning*
- ✚ *All interactions are respectful; compassion and kindness are prevalent*
- ✚ *All stakeholders are held mutually accountable*
- ✚ *All environments are safe: physically, socially, and emotionally*
- ✚ *All levels/departments communicate clearly and often to ensure transparency and to achieve goals*

Goals:

1. Institutionalize Professional Learning Communities throughout the district.
2. Promote literacy across curriculums to increase student learning and elevate success.
3. Endorse mathematical thinking to elevate critical thinking and problem-solving at all levels.
4. Promote partnerships with all stakeholders: students, staff, parents, patrons, community.
5. Increase student attendance through monitoring and follow-up of absences.
