

Know Your Schools

The KNOW YOUR SCHOOLS homepage acts as a portal with organized topics and links to help you locate information. You can find interactive education reports including Florida Report Cards and ESSA (Every Student Succeeds Act) information for state, districts, and schools.

Florida's Website: edudata.fldoe.org

This website allows you to access state, district, or school report cards along with other information such as: population, enrollment, assessment results, discipline and attendance data, graduation and post-secondary data, per-pupil expenditures, and National Data.

How to Access State, District, and School Report Card Information:

If you click on State Report Card: it will give you information and data/report cards for the entire state of Florida.

If you click on District Report Card: You can choose any district to see their data. To see Okaloosa data, you would need to select **OKALOOSA** from the drop-down menu then click **VIEW DISTRICT REPORT CARD**. You will find information and data, as well as the district report cards for all the schools in Okaloosa County.

If you click on School Report Card: You will need to choose our District: **OKALOOSA** in the drop-down menu, then choose our school **MAX BRUNER JUNIOR MIDDLE SCHOOL** in the drop-down menu then click **VIEW SCHOOL REPORT CARD**. You will find information and data specifically for our school.

All information on this website is provided and uploaded by the Florida Department of Education.
