## Testing

### AP Testing

**Contact: D. Anderson ([Dareen.anderson@okaloosaschools.com](mailto:Dareen.anderson@okaloosaschools.com))**

**April 2024**

**To the parents/guardians of AP Students,**

You are receiving this letter because your son/daughter is enrolled in at least one AP course, and we would like to inform you of the schedule and procedures associated with taking the 2024 AP exams.

The AP program provides high school students with an opportunity to experience college level course work while in high school and to possibly gain college credit through participating universities by earning an accepted score on the AP exam.

Students are required to take exams at specifically scheduled nation-wide times. Fort Walton Beach High School covers the cost for each AP exam. Early testing is not permitted under any circumstances. AP exams, under special approved circumstance may be administered at a later date using an alternative form of the exam (fees may apply).

This year's exams are scheduled according to the calendar on the back of this page. Your student will be given "school leave" for the entire day of school on their scheduled AP exam day. **Exams will be administered on-campus; either in the gym or the multi-purpose building.** If testing in the gym, students will enter from the east side of campus. Students testing in the multi-purpose building will enter at the main entrance of the building. It is the students' and parents' responsibility to know when and where their exam(s) will be administered and to arrive on time.

Students **may not** hang around campus before or after testing unsupervised. Morning exams will end around 11:45am. These students will need to provide their own transportation home or report to their normally scheduled class. Afternoon exams will end around 3:30pm. Afternoon session students will need to provide their own transportation home. Supervision on campus after hours is not available.

Students with College Board approved accommodations will take their AP exams at FWBHS on the specific nation-wide test date and time. These students will receive a note from Guidance telling them when and where to report.

**Please Note:** If your student will be taking back-to-back (AM exam then a PM exam on the same day) exams, there will be NO time for the student to leave the testing site to get lunch, so please have the student bring a bagged lunch with them to testing.

Your student's AP teacher will be giving specific instructions on the timing of the exam and what to bring with to their specific exam (for example: picture ID, dark blue/black ink pens, number 2 pencils, calculator, etc.).

Electronic devices, such as cell phones and smart watches, will not be permitted in the test room. Students will not have access to these devices while at the testing location.

### AICE Testing

Contact: D. Anderson ([Dareen.anderson@okaloosaschools.com](mailto:Dareen.anderson@okaloosaschools.com))

**TO: Parents & Guardians of AICE Students**

**DATE: April 2024**

You are receiving this memo because your son/daughter is enrolled in at least one AICE course, and we would like to inform you of the schedule and procedures associated with taking the 2024 AICE exams.

The AICE program provides high school students with an opportunity to experience college level course work while in high school and to possibly gain college credit through participating universities by earning an accepted score on the AICE exam.

Students are required to take exams at specifically scheduled world-wide times. Early testing is not permitted under any circumstances. Also, Cambridge does not offer make-up exams. Fort Walton

Beach High School covers the cost for each AICE exam. AICE students are required to complete **both** days of the exam in order to generate a score on that exam.

Your student will be given “school leave” for the entire day of school on their AICE exam day. **All exams will be administered on campus, either in the gym or the multi-purpose building.**

Students testing in the morning must leave campus via their own transportation after testing is over or report to their normally scheduled class. Students testing in the afternoon will need to provide their own transportation home. There is no supervision provided on campus after hours. It is the students’ and parents’ responsibility to know when and where their exam(s) will be administered and to arrive on time.

## Z96 Prom Dress Campaign

Contact: Your Guidance Counselor or Z96 (850-243-2323)

Prom is almost here! Z96 Radio Station is “Making Prom Possible” for students in need of a prom dress. Z96, in conjunction with Eglin Federal Credit Union, Pepper’s Mexican Grill, and Diana Health will provide FREE prom dresses on various dates during March, April, and early May. The “Z96 Prom Dress Boutique” will be located in Fort Walton Beach. If you are in need of a dress this year for your prom, just talk to your guidance counselor or call Z96 at 850-243-2323 for an appointment. Many dresses will be available, but we cannot guarantee that every student will find a dress in the needed size or style.

The poster features a colorful Z96 logo at the top, followed by the text "PROM DRESS CAMPAIGN". Below this are three photos of women in prom dresses. At the bottom, there are logos for Diana Health, Eglin Federal Credit Union, and PEPPER'S Mexican Grill & Bar. A pink banner contains the following text: "Who? Students in need of a prom dress", "What? Free prom dresses in many sizes, colors, & styles", "When? Call 850-243-2323 for an appointment", and "Where? Z96 Prom Dress Store in Fort Walton Beach". At the very bottom, it says "For info call Z96 at 850-243-2323 or contact your guidance counselor. Donations of new or gently worn dresses accepted at Z96."

# Reminders

## Lunch Deliveries

NO outside food deliveries! This includes Door Dash, Uber Eats, Grub Hub, etc.

If a parent must bring a food delivery or box lunch to their child during the school day, it should be left at the drop off table (to the right just as you enter the front door) with the student name attached. Please pre-arrange with your child to come to the drop off table during their lunch or in between classes to pick up the food.

Office staff will not call for students to pick up food. Food left on the table after 2:15pm will be thrown away.

Thank you for your cooperation in this matter.

### **Gift Deliveries**

Due to the disruption that will occur to the school day, Fort Walton Beach High School will not accept any gift deliveries for students. This does include flowers, balloons, candy, edible arrangements, etc. Please make arrangements for deliveries to be made at another location outside of the school day.

## **Class of 2024**

### **NCAA Sports Amateurism Certification**

**Contact: Dr. Dugan ([linda.dugan@okaloosaschools.com](mailto:linda.dugan@okaloosaschools.com))**

Senior athletes, if you are in an NCAA sport next year, you are required to complete the final amateurism certification process. This process opens on **April 1**.

"Before the Eligibility Center can certify student-athletes as eligible to practice, compete and receive athletics aid, they must request their final amateurism certification. Without this step, which takes your student less than three minutes to complete once logged in to their Eligibility Center certification account, their future as an NCAA student-athlete is *on hold!*

"Students enrolling for the first time at an NCAA school in the fall semester can **request their final amateurism certification** beginning April 1. Before requesting final amateurism certifications, students must **verify that their graduation** and **enrollment dates** in their account are accurate and complete (including payment or **fee waiver**). The enrollment date must reflect the term they plan to first enroll at any NCAA school. Please review and share **this resource** for additional information on this quick but critical process.

"**Note:** Students should revisit all questions in the **Sports section** of their account before requesting final amateurism. This step ensures their account information is accurate (e.g., all teams participated

on, expenses received, sponsorship received, prize money received and use of a recruiting or scouting service) to ensure a timely amateurism review."
