PRINCIPAL'S CORNER

Happy New Year, and welcome back! We are looking forward to a strong finish for the second half of the year. Walker's 2023-2024 school theme revolves around goals for both our staff and students. We believe we must set goals in order to meet and crush them. We set goals academically for our students, and want students to set goals for themselves as well. Have you had a conversation with your child about their personal goals for this school year, or your goals for them? If not, take a moment to do that soon!

If you don't already follow our Walker Facebook page, we'd love for you to do that. We post news as well as pictures and ways to get connected. Scan the QR code to follow along with the fun!
