## **MISSION STATEMENT**

The mission of New Haven High School is to provide a dynamic learning environment that enables students to be knowledgeable, contributing citizens.

## **SCHOOL COLORS**

Purple and Gold

## **SCHOOL SONG**

*Old New Haven, My Old New Haven  
Old New Haven, We're All For You  
We Will Fight For The Gold And Purple  
For The Colors We Know Are True,  
Never Daunted We Will Not Falter  
For The Colors So Bright And True  
Old New Haven, Old New Haven  
Old New Haven We're All For You!!*

## EACS BACK-TO-SCHOOL GUIDE

The Back-to-School Guide is published and distributed annually to all families in the EACS school system. This guide explains in-depth many of the policies and regulations of the East Allen County School Corporation. Students and parents should carefully examine this publication. The policies and regulations are amended as needed and will supersede any information printed in this student handbook. Limited portions of this guide are re-produced in this handbook. It should be noted that the EACS Guide and the NHHS Handbook are not all-inclusive and may not address a specific question a student or parent may have concerning our schools. The EACS Guide will take precedent over policies outlined in the NHHS Handbook. Further information about students' rights and responsibilities is available in the East Allen County Schools Back-To-School Guide, distributed annually to all students in East Allen County Schools. **Information in this handbook is based upon the policies approved by the Board of School Trustees of East Allen County Schools. These policies are amended as needed and will supersede any information printed in this handbook or the East Allen County Schools Back-To-School Guide.** If you have a particular question, please contact a building administrator.

## VISITORS

Students are prohibited from bringing student visitors to school. This practice can easily interfere with the educational environment. All other visitors (parents) must enter the building through the main entrance (door 1) and register with the main office. Students are not allowed to open outside doors to allow visitors to enter the building. Parents are permitted and encouraged to visit the school for educational reasons. Parents will be allowed to meet with teachers during a teacher's preparatory period (if the teacher is available) but will not be allowed to interrupt an instructional class period. Parents are discouraged from bringing items that are not required as a part of the instructional process. Parents are discouraged from bringing restaurant food (fast food, pizza, etc) to students for lunch, as this food is not allowed in the cafeteria due to contractual restraints with food service providers. Items such as balloons or flowers will be kept in the administrative offices until the end of the instructional day. Items for parties (birthdays, holidays) will not be permitted unless those items have been requested by the teacher as part of an educational celebration. Former students/graduates are discouraged from visiting staff during the school day unless their visit has been pre-arranged with a specified staff member, as these visits often interfere with the educational environment.

## EACS VISITOR POLICY

Beginning with the 2019-2020 school year, EACS will be implementing a new visitor management program. This program is designed to increase the safety of our students and staff by keeping digital record of the visitors to our buildings. When entering an EACS building for the first time in a school year, visitors will be asked to provide State issued identification so that we may check against internal EACS banned/trespassed lists and the National Sex Offender Registry. Visitors will also be asked to submit to a photo that will be used for their temporary badge.

## HALL PASSES

Students are not permitted in the halls during class periods unless a teacher accompanies them or they have a pass from an authorized staff member. Students are expected to use their NHHS Student Planner when they leave the classroom. **This handbook includes 12 passes per (9 week) quarter.** Students are expected to bring their handbook to every class, every day. Passes are to be used for "student-initiated" requests to leave the classroom, such as trips to the restroom, locker, clinic, water machines, or drinking fountains. **Passes used for trips to the restroom, lockers, or to get drinks excuse the student from class for a maximum of 5 minutes.** Student handbook passes are also to be used for trips to the administrative offices if those trips are for "personal business" such as field trip sign-ups, dance forms, checking lost and found, purchasing parking passes, etc. Those issues are best handled before/after school, during passing periods, or during lunch. *Passes are a PRIVILEGE, not a right. Teachers reserve the right to approve the use of passes at their own discretion.* Students who leave the classroom without permission will generally receive the same consequences as they would for skipping or insubordination. Student handbooks are not replaceable or transferable; therefore, students who have lost their handbook, had it stolen, or have it invalidated due to alterations will not receive another until the next grading quarter. **(Note: students are encouraged to put their names inside the front cover of this handbook).**

# NEW HAVEN JUNIOR/SENIOR HIGH 2023-24 BELL SCHEDULES

(Subject to change)

<b>REGULAR SCHEDULE</b>		
Warning Bell	7:40	
1st Period	7:45 -- 8:33	48
2nd Period	8:38 – 9:24	46
3rd Period	9:29 – 10:15	46
4th Period	10:20 – 11:50	
HS A Lunch	10:20 – 10:50 A Lunch student in class by 10:55	30
HS B Lunch	10:50 - 11:20 B Lunch students in class by 11:25	30
HS C Lunch	11:20 - 11:50 C Lunch students in Success by 11:55	30
HS Success JH Lunch	11:50 - 12:20	30
5th Period	12:25 - 1:11	46
6th Period	1:16 - 2:02	46
7th Period	2:07 - 2:55	48

<b>COLLABORATION WEDNESDAYS</b>		
Warning Bell	7:40	
1st Period	7:45 - 8:27	42
2nd Period	8:32 - 9:14	42
3rd Period	9:19 - 10:01	42
4th Period	10:06 - 11:36	
HS A Lunch	10:06 – 10:36 A lunch student in class by 10:41	30
HS B Lunch	10:36 - 11:06 B lunch students in class by 11:11	30
HS C Lunch	11:06 - 11:36 C lunch students in class by 11:41	30
HS Success JH Lunch	11:36 – 12:06	30
5th Period	12:11 - 12:52	41
6th Period	12:57 - 1:38	41
7th Period	1:43 - 2:25	42

2-HOUR DELAYS		
Warning Bell	9:40	
1st Period	9:45 - 10:12	27
2nd Period	10:17 - 10:44	27
3rd Period	10:49 - 11:16	27
4th Period	11:21 – 12:51	
HS A Lunch	11:21 – 11:51 A Lunch student in class by 11:56	30
HS B Lunch	11:51 - 12:21 B lunch students in class by 12:26	30
HS C Lunch	12:21 - 12:51 C lunch students in class by 12:56	30
HS Success JH Lunch	12:51 – 1:21	30
5th Period	1:26 - 1:53	27
6th Period	1:58 - 2:24	26
7th Period	2:29 - 2:55	26

## ACADEMICS

### GRADING SCALE

Teachers are required to use the approved EACS grading scale:

#### Letter Grade/Percentage/Point Value

A+/98-100%	C+/77 – 79%
A/93-97%	C/73 – 76%
A-/90-92%	C-/70 – 72%
B+/87-89%	D+/67 – 69%
B/83-86%	D/63 – 66%
B-/80-82%	D- 60 – 62%
	F/Below 59%

**AP COURSES AND DUAL CREDIT COURSES** – All Advanced Placement and Dual Credit and Honors courses will be weighted to receive more points than other courses. Students receiving grades of C or higher in an AP course will receive one (1) additional quality point.

**FINAL EXAMS** – All final exams will be given at the end of each semester. All students must take final exams. Students are not permitted to take final exams early for any reason, unless specific permission is granted by the building principal. **Families should remember the school year could potentially be extended due to inclement weather and should not schedule vacations or events prior to the school's graduation ceremony as listed on the EACS district calendar.**

### ATHLETIC ELIGIBILITY

Participation in school sponsored activities governed by individual school rules, EACS discipline policy, IHSAA guidelines and Indiana Code is a **privilege** and is dependent upon students conducting themselves in a manner not discrediting the East Allen County School Corporation, or its schools. Participation is subject to academic eligibility and acceptable behavior both in and out of school.

Per IHSAA regulations, students must pass 70% of the full credit subjects in the previous grading period. (Students must have passed 5 of 7 subjects in the previous grading period.) Semester grades take precedence. Students must also be "currently passing" 5 of their 7 subjects to be eligible to participate in athletics. (Coaches determine how often "current grades" are checked. At a minimum, 9-week quarter grades are used to determine eligibility). Please refer to the NHHS Athletic Handbook for further information, a copy is distributed to all members of athletic teams at fall, winter, spring sports meetings.

## **COURSE OFFERINGS**

Course description guides are available in the Guidance Office and on the EACS website. They provide information regarding course offerings and brief descriptions of the content of the courses.

## **SEMESTER SCHEDULING**

Semester scheduling is a system in which students attend seven classes per day and can receive credit for each class if completed successfully over an eighteen week period. Under this system, each student is able to take 14 classes over two eighteen week semesters, and, in a four-year period, each student can potentially earn 56 credits while attending NHHS. The normal class load is seven classes each day.

## **CLASS CHANGE POLICY**

Scheduling is a long, serious process that ends with students choosing classes that will help them achieve life goals. The final schedule is a commitment by the school to provide the educational opportunity, a commitment by the student to actively seek to learn, and a commitment by the parents to support that endeavor. When students sign-up for a class, they make a commitment that should be completed. In the case of a one-semester class, the commitment is for the semester.

## **INTERNSHIP PROGRAM**

In-school internship (ISI) students earn up to one (1) credit per semester. Out-of-school internship (OSI) students may earn more than one credit per semester. Students in grades 10 – 12 may be in ISI. Students in grades 11 – 12 may be in OSI. Students interested in an internship must sign up during scheduling. The Internship Coordinator will assign students to ISI internship responsibilities. Out-of-school internships with local businesses and/or organizations may be secured with the approval of the Internship Coordinator. Students violating the rules of the internship program may be removed from the program with a failing grade and placed in in-school suspension for the remainder of the semester.

## **CHEATING/PLAGIARISM/HONOR CODE**

The faculty is committed to honesty and integrity on the part of each student regarding testing, writing original compositions, and abiding by traditional standards of fair play. Cheating of any type on tests or original work (including “cutting and pasting” from websites and including that information in written essays without quoting the author) compromises not only the testing process of a teacher, but also negatively affects the integrity of the student.

First violation by a student concerning cheating on a test or original paper, distributing test information, or in any way compromising the testing program of a teacher will result in a zero grade for the work to be averaged into the semester grade. The teacher will write a discipline referral to the office for this violation and notify parents regarding the academic consequence.

Second violation by a student in the same class will result a zero on the assignment and possible after school detention and parent notification of the academic consequences.

Third violation by a student in the same class will result in a zero on the assignment and possible ISS/OSS with parent notification.

Future offenses will receive a consequence determined by administration.

## **HONOR ROLL AND HONORABLE MENTION**

The criteria for earning honors are the following:

- Honor Roll: GPA of 3.7—4.0 and no grade lower than a B-.
- Honorable Mention: GPA of 3.3—3.6 and no grade lower than a C-.

Honor roll and honorable mention lists are published at the end of each eighteen-week semester.

## **ACADEMIC CHEVRON**

- Academic Chevron's may be earned by students by achieving a 3.7 GPA plus participation in a minimum of 3 school sponsored activities.

## **NATIONAL HONOR SOCIETY**

Juniors and Seniors who have a 3.5 GPA at the end of the first semester are eligible to apply for membership. Each application will be evaluated by a committee of faculty members and should reflect the four criteria areas for membership: Scholarship, Leadership, Character, and Service. Students who are inducted as sophomores and juniors must earn 20 hours of service by May 1st of their senior year, and the criteria must be maintained during their senior year.

## VALEDICTORIAN/SALUTATORIAN & CLASS RANKING

The valedictorian and salutatorian will be selected based upon cumulative grade point averages after the first semester of their senior year.

In terms of consideration for valedictory and salutatory status at the end of the senior year, students must be enrolled in an EACS high school of the last four (4) semesters prior to graduation to be considered for these recognitions. For valedictory or salutatory recognition, all high school credits must be reflected in the student's GPA.

In terms of consideration for class ranking recognition (with the exception of valedictory or salutatory recognition), students must be enrolled by no later than the start of the second semester of their senior year.

## PARTICIPATION IN GRADUATION CEREMONIES

**Participation in the graduation commencement ceremony is a privilege, not a right.** Graduating seniors wishing to participate in the commencement ceremony **MUST** be present for graduation practice.

To participate in the ceremony, all requirements for the certificate/diploma must be met. All debts and obligations should be fulfilled prior to commencement practice (including book rental, class dues, or iPad charges). The student must be in good disciplinary standing with the school; for example, excessive absences or tardies. Students who attend the Alternative School for disciplinary reasons (16A forms) will **NOT** be permitted to participate in the graduation ceremony. Certificates/diplomas for those who do not participate in graduation will be available in the Main Office on the Monday following commencement.

## MAKE-UP WORK

Assignments and tests missed due to excused absences (including those "counted as present" or "resulting from school discipline") may be completed for credit. Students in grades 6-12 are responsible to request assignments upon returning to school. Make-up work is to be completed in a length of time equal to the number of days absent, plus one. Assignments made prior to the student's absences are due as scheduled.

Assignments and tests missed due to unexcused absences cannot be completed for credit. No EACS school may adopt a rule providing for an automatic grade reduction due to a student's absence without the consent of the Superintendent.

Category/ Diploma	Core 40 Diploma	Academic Honors Diploma
English	8 credits, course must indicate Core 40. Credits must include a balance of literature, composition, and speech.	<p>For the <b>Core 40 with Academic Honors</b> diploma, students must:</p> <ul style="list-style-type: none"> <li>• Complete all requirements for Core 40.</li> <li>• Earn <u>2 additional Core 40 math credits</u>.</li> <li>• Earn <u>6-8 Core 40 world language credits</u> (6 credits in one language or 4 credits each in two languages).</li> <li>• Earn <u>2 Core 40 fine arts credits</u>.</li> <li>• Earn a grade of a "C" or better in courses that will count toward the diploma.</li> <li>• Have a <u>grade point average of a "B"</u> or better</li> <li>• Complete <u>one</u> of the following: <ul style="list-style-type: none"> <li>A. Earn 4 credits in 2 or more <u>AP courses</u> and take corresponding AP exams</li> <li>B. Earn 6 verifiable transcribed college credits in <u>dual credit courses</u> from the approved dual credit list.</li> <li>C. Earn two of the following: <ol style="list-style-type: none"> <li>1. A minimum of 3 verifiable transcribed college credits from the approved dual credit list,</li> <li>2. 2 credits in AP courses and corresponding AP exams,</li> </ol> </li> <li>D. Earn a combined score of 1750 or higher on the SAT critical reading, mathematics and writing sections and a minimum score of 530 on each</li> <li>E. Earn an ACT composite score of 26 or higher and complete written section</li> </ul> </li> </ul>
Math	6 credits 2 credits - Algebra I 2 credits - Geometry 2 credits - Algebra II All students are required to take a quantitative reasoning course each year in high school.	
Science	6 credits 2 credits – Biology 1 2 credits – Chemistry, Physics, or Integrated Chemistry/Physics 2 credits – Any Core 40 science course	
Social Studies	6 credits 2 credits – World History 2 credits – U.S. History 1 credit – U.S. Government 1 credit – Economics	
Health & Wellness	1 credit	
Physical Education	2 credits	
World Language	Optional	
Fine Arts	Optional	
Career Exploration (EACS requirement)	1 credit- Preparing for College & Careers	
Directed Electives	5 credits in World Languages, Fine Arts, and/or Career/Technical	
Electives	Additional credits to meet the number listed below	
Total Credits	<b>40 credits</b> <i>(A student must graduate with a GPA of 2.0 or higher to possibly qualify for financial aid.)</i>	

Further information can be viewed at:

<http://www.doe.in.gov/achievement/curriculum/indianas-diploma-requirements>

# EAST ALLEN COUNTY SCHOOLS GRADUATION PATHWAYS

## Graduation Checklist - Class of 2023 and after

Students must satisfy **all three** of the following Graduation Pathway Requirements by completing **at least one** of the associated Graduation Pathway Options.

NAME: \_\_\_\_\_

COHORT: \_\_\_\_\_

Graduation Pathway Requirements	Graduation Pathway Options
<b>1</b> <input type="checkbox"/> <b>High School Credits</b>	<b>Meet the statutorily defined diploma credit and curricular requirements</b> General <input type="checkbox"/> Core 40 <input type="checkbox"/> Core 40 with AHD <input type="checkbox"/> Core 40 with THD <input type="checkbox"/>
<b>2</b> <input type="checkbox"/> <b>Learn and Demonstrate Employability Skills</b>  Students must complete <b>at least one</b> of the Graduation Pathway Options	<input type="checkbox"/> <b>Project-Based Learning Experience:</b> Working for an extended period of time to investigate and respond to an authentic, engaging, and complex question, problem, or challenge. Students engage in a rigorous, extended process of asking questions, finding resources, and applying information. Students often make work public by explaining, displaying, and/or presenting it to people beyond the classroom. <i>This can include completion of a research project, completion of a course capstone, an AP Capstone Assessment, or another experience as approved by the State Board of Education.</i>  Description: Verification:  <input type="checkbox"/> <b>Service-Based Learning Experience:</b> Integrates meaningful service to enrich and apply academic knowledge, teach civic and personal responsibility, and strengthen communities. <i>This can include participation in a meaningful volunteer or civic engagement experience, engagement in a school-based activity, such as a cocurricular or extracurricular activity or sport for at least one academic year, or another experience as approved by the State Board of Education.</i>  Description: Verification:  <input type="checkbox"/> <b>Work-Based Learning Experience:</b> Reinforces academic, technical, and social skills learned in the classroom through collaborative activities with employer partners, allowing students to apply classroom theories to practical problems, explore career options, and pursue personal and professional goals. <i>This can include completion of a course capstone, completion of an internship, obtaining the Governor's Work Ethic Certificate, employment outside of the school day, or another experience as approved by the State Board of Education.</i>  Description: Verification:
<b>3</b> <input type="checkbox"/> <b>Postsecondary-Ready Competencies</b>  Students must complete <b>at least one</b> of the Graduation Pathway Options	<input type="checkbox"/> Honors Diploma    AHD <input type="checkbox"/> THD <input type="checkbox"/> GPA    Credits <input type="checkbox"/> <b>ACT College Ready Benchmarks</b> (18 in English or 22 in Reading <b>and</b> 22 in Math or 23 in Science) English                      or Reading <b>and</b> Math                      or Science <input type="checkbox"/> <b>SAT College Ready Benchmarks</b> (480 in EBRW, 530 in Math) EBRW                      Math <input type="checkbox"/> <b>ASVAB</b> (minimum score of 31)                      AFQT score <input type="checkbox"/> <b>State and Industry Recognized Credential or Certification</b> <input type="checkbox"/> <b>State, Federal, or Industry Recognized Apprenticeship or Co-Op</b> <input type="checkbox"/> <b>CTE Concentrator</b> (earn C- average in at least 2 Advanced Courses in Pathway) <div style="text-align: right;">Total Average Grade</div> <input type="checkbox"/> <b>AP/Dual Credit**</b> (earn C- average in at least 3 courses) <div style="text-align: right;">Total Average Grade                      AP Exam scores</div> <input type="checkbox"/> <b>Locally Created Pathway</b> that earns approval of State Board of Education <input type="checkbox"/> <b>Waiver Eligible</b> (must meet criteria for Postsecondary Readiness Competency Waiver)

\*\*At least one AP/Dual Credit course must be in a core content area (e.g. English, math, science, or social studies) or all three must be part of a CTE pathway. Students must take any corresponding AP exams for their courses. A score of 3 or higher on an AP exam may satisfy the C- requirement for a particular course.

# ATTENDANCE

NOTE: Missing any class by 15 minutes or more is considered a class period absence.

**EXCUSED ABSENCES** (*still count towards the 10-day yearly limit*):

1. Personal illness with parent notification
2. Medical appointments
3. Serious illness in the immediate family
4. Death in the family
5. Family vacations with parent(s), with prior approval of the principal (limit five days per year)
6. Other absences as approved by the school principal

## **UNEXCUSED ABSENCES**

1. Absence due to truancy (absence without parental consent)
2. Absence due to head lice or improper immunizations after the first day
3. Absence due to missing the bus or loss of bus privilege
4. Absence after a total of 10 absences for the school year (even if those absences were excused), without acceptable verification (ex: doctor's note)
5. Other reasons not defined as excused in East Allen's attendance policy

Note: Any three unexcused absences will be considered a "truancy event." (See truancy below)

**EXEMPT ABSENCES** (*counted as present; do not count toward the 10-day yearly limit*)

These are days not recorded as official "absences".

These days must be arranged with the office prior to the date of absence:

- a. Field trips, with approval of the school principal
- b. Post-secondary (college) visits for juniors and seniors with approval of a school administrator and institution verification (2 per year).
- c. Job Shadowing visits with proper documentation and approval of a school administrator (1 per year for freshmen and sophomores, 2 for juniors, and 2 for seniors)
- d. Religious observation or instruction
- e. Hazardous road conditions verified by the Director of Transportation and approved by the EACS Office of Student Services.
- f. Homebound instruction
- g. Placement in a hospital or other juvenile facility that provides instruction and/or allows schoolwork to be completed.
- h. Court appearances requested and documented by subpoena, probation officer, or officer of the court
- i. Service in the Indiana National Guard for not more than ten (10) days in a school year.
- j. Service at the polls on Election Day (with documentation and prior approval of the school principal)
- k. Serving as a page in the Indiana General Assembly

**Absences resulting from school discipline** (*same as exempt absences*)

Suspensions (in or out) will not be counted toward the 10-day limit of absences. Makeup work will be permitted for all suspensions.

## **OTHER UNEXCUSED ABSENCES**

All other tardies or absences not listed above will be unexcused, unless specifically approved by a building administrator.

Examples include but are not limited to:

- A. Car trouble
- B. Personal business
- C. Missing the bus
- D. Oversleeping
- E. Needed at home (unless an emergency as determined by the administration).

- F. Employment
- G. Hair/tanning/senior picture appointments
- H. Delays caused by trains/traffic
- I. Obtaining a driver's license
- J. Loss of electricity/power at home
- K. Caring for younger siblings
- L. Driving family members to appointments

**EXCESSIVE ABSENTEEISM** (*more than 10 days absent in a school year*)

When a student reaches a total of ten (10) days of absence for ANY reason during the school year, all subsequent absences must be documented by one of the following:

1. Verification by an Indiana licensed medical professional who has examined the student and excused him/her for the period of absence
2. An EACS Chronic Illness Form (approved and signed by a medical professional)
3. Pre-approval or verification by the school principal for extreme emergencies

*Note: Indiana Code 20-33-2-11 states that students under the age of 18 with 10 or more unexcused absences in a school year may not be issued a driver's license or a driving permit.*

**CHRONIC ILLNESS**

Students with severe chronic illness will need to obtain a form from the Attendance Office. This form must be filled in by a doctor and returned. A chronic illness will not be approved until the doctor and the school nurse have discussed and understood the limitations that the illness places on school attendance. A medical leave or a reduced schedule may be an option. **New chronic illness forms are required each year and may be requested every semester when appropriate.**

**APPOINTMENTS DURING THE SCHOOL DAY**

Every attempt should be made to schedule appointments outside of school hours. When appointments must be scheduled during the school day, the parent or guardian must call with appropriate contact information or provide a note to the school before the student will be permitted to leave the building. For medical appointments, a student will be excused for one half of a day. Depending upon the time of the appointment, a student should not miss more than four hours of the school day. Students should make every effort to attend as much school as possible before and after their appointment. *Families are encouraged to use extreme caution when scheduling appointments that will cause a student to miss a Math or Language Arts class, will cause a student to miss a class he/she is performing poorly in, or will cause a student to miss the same class repeatedly.* Students must return with verification of the appointment for the absence to be excused. *The student must SIGN IN and SIGN OUT with the attendance secretary when leaving or returning from an appointment.* Information needed for an appointment:

1. Student's first and last name
2. Time the student is to leave
3. Approximate time of return
4. Who will be picking up the student
5. Signature of parent (if a note) or return phone number (if calling in)

**LEAVING SCHOOL EARLY DUE TO EMERGENCY**

Students must check with the Attendance Office before leaving school at a time other than the regular dismissal time. Failure to do so will result in disciplinary action. Before a student who has become ill or injured is sent home, the office will notify his parents or guardian to arrange for his transportation. In case of an injury which needs medical attention, an attempt will be made to contact the parent for advice. If a parent cannot be reached, the student may be transported via EMS to a hospital. **The school does not assume responsibility for the payment of emergency transportation.**

## LEAVING SCHOOL WITHOUT PERMISSION

Students are to remain on school grounds unless permission to leave is granted by a school administrator. Once students come on to school property in the morning they are considered to be in the custody of school and they may not leave to cross the street and go to the gas station or conduct other business. NHHS has a closed campus and students may not leave school grounds for lunch. Consequences for leaving school property without permission may result in the following:

- 1st violation – ISS rest of day and/or next full day and parent contact
- 2nd violation – 1 day OSS and parent conference requested and 1 week loss of parking privileges
- 3rd violation – 2 days OSS and parent contact and 9 week loss of parking privilege
- 4th violation – 3-5 days OSS, loss of parking privilege for remainder of the school year

## PARENT RESPONSIBILITY

It is the parent's responsibility to:

- Ensure their child regularly attends school (Indiana Code 20-33-2)
- Call the school (260-446-0225) to report an absence by 8:30 am the day of the absence. Parents do not need to call when the absence has been pre-arranged and approved by school officials.

## STUDENT'S RESPONSIBILITY

It is the student's responsibility to:

- Be in school and in their assigned classroom at all times.
- Follow up with their parent/guardian to ensure that a call has been placed to the school to excuse their absence.
- Bring written documentation of all medical appointments within two (2) school days following the date of absence.
- Complete applicable leave request forms (job shadow, college visit, family vacation, etc.) when appropriate and **submit to the attendance office by the required deadlines.**

## SCHOOL'S RESPONSIBILITY:

It is the school's responsibility to:

- Make a "reasonable attempt" to contact the parent if no notification has been received by 8:30 am. This may be done by an automated system of calling, using the primary phone number on file. (Notification is not always possible due to time constraints and non-working numbers that may prevent contact.)
- Send written notification to the family address on file when the student's attendance total has reached 5, 8, and/or 10 days of absence (regardless of reason or excused/unexcused status).

## FIELD TRIPS

Field trips can be an important aspect of the educational process; however, they are a privilege. All field trips must be pre-approved by building administration. The following guidelines have been established to allow for field trips while not allowing field trips to negatively impact a student's academic progress:

1. **Students are expected to be passing their Math and Language Arts classes to be eligible to attend a field trip, if the field trip will cause them to miss those classes. Any student not passing must appeal and receive administrative approval. Administration reserves the right to deny any student the privilege of going on a field trip if the student's academic or disciplinary standing is in question.**
2. Students with poor attendance records may be denied permission to go on field trips.
3. Teachers will be allowed to take a maximum of one field trip per semester (18 weeks).
4. Field trips for diploma-track students will NOT be allowed during the first two or last two weeks of a semester.

The organizing teacher will distribute a list of students wishing to attend a field trip to the faculty at least seven days prior to the trip. All teachers are encouraged to plan field trips around their own class time as much as possible. These absences are considered "exempt absences" and therefore do NOT count towards a student's 10 day yearly limit.

## COLLEGE VISITS, WORK VISITATIONS, AND MILITARY PHYSICALS/TESTS

Juniors and seniors are allowed to use four (4) days during the school year for college visits or career job shadowing experiences. Sophomores are allowed two (2) job shadow days per year and freshmen are allowed to have one (1) job shadow day per year. College visit and job shadow permission forms are available in the attendance office. College visit and job shadow days may be taken as half days or full days. **Visitations to local colleges may be approved for only a half-day.** Forms must be completed and returned to the attendance office at least **five (5) school days prior** to the scheduled visit. Students must meet the **same eligibility requirements as listed above for field trips.** Visitations will not be permitted during the first or last week of any semester. Students are encouraged to do college and work visitations when school is not in session. Military physicals and/or tests will be recorded as a college visit or job shadow day. These absences are considered “exempt absences” and therefore do NOT count towards a student’s 10 day yearly limit.

## FAMILY VACATIONS/TRIPS

Families are strongly encouraged to limit vacations/trips to times school is not in session and/or after graduation. **Families should remember the school year may be extended due to inclement weather or other unforeseen circumstances and should never plan vacations or events prior to the school’s scheduled graduation ceremony.** If a family feels it necessary to request permission for a student to miss school for a family trip, the student must request a family vacation form from the attendance office and submit the form five (5) days in advance of the absence to be considered for approval. **Days missed due to a family vacation WILL count towards the student’s ten (10) day maximum yearly limit.** Requests for family vacations/trips will only be considered if the student is accompanied by a parent/guardian. Students may not be approved for more than five (5) days of family vacation per school year. If the student does NOT receive advance approval for the trip and leaves for vacation anyway, the student will be counted as unexcused and the policy for unexcused absences will be imposed. To be considered for approval, the following criteria must be met:

1. 95% or above attendance rate for the school year
2. Passing grades in all current classes
3. Will not result in the student missing more than 10 days in the school year (regardless of reason)
4. Will not cause the student to miss final exams or a standardized test (such as ISTEP)

## BUILDING ACCESS

For security and supervision purposes on school days, exterior doors to the building will remain locked until adult supervision is present (approximately 40 minutes prior to the start of the school day). Students who arrive at school BEFORE the specified entry time must wait in the cafeteria area until they are released to go to their lockers/classrooms. Students requesting to meet with teachers prior to this time (to make up tests, get help with work, or attend club meetings) must have a pass from their teacher/sponsor. Students participating in extra-curricular morning practices or “open gym” time must be with their supervising coach at all times.

Students involved in extra-curricular events AFTER school must be with their designated coach/sponsor within 15 minutes of the dismissal bell. Students who are unsupervised or not in the designated area for their activity will be asked to leave the building.

Students may not go to their cars or to the school parking lot during the school day without first getting permission from the main office staff/administration.

## EACS VISITOR POLICY

Beginning with the 2019-2020 school year, EACS will be implementing a new visitor management program. This program is designed to increase the safety of our students and staff by keeping digital record of the visitors to our buildings. When entering an EACS building for the first time in a school year, visitors will be asked to provide State issued identification so that we may check against internal EACS banned/trespassed lists and the National Sex Offender Registry. Visitors will also be asked to submit to a photo that will be used for their temporary badge.

## TARDINESS

If a student is tardy by more than 15 minutes to a class (or leaves more than 15 minutes early), he/she will be counted as absent for that class. A student is counted tardy to school if he/she is not present at the beginning of the school day. (A student arriving to school 10 minutes into third period will be marked tardy to school, the same as the student who arrived to first period 1 minute late.) **All "tardy to school" events (regardless of arrival time) will be treated as a first period tardy, in terms of accumulation.** Students arriving to school late must check in at the high school office and receive a pink pass before going to class. Depending on the circumstances for late arrival, the tardy will be marked as excused or unexcused. **A student is considered tardy if he/she is not in the classroom when the appropriate bell rings to start class. Tardies will be checked at the end of every week and students in violation will receive consequences the following week. Tardies will reset every week on Monday.**

Consequences for violations of Tardiness to School or Class may include but are not necessarily limited to:

Violation 1-2: Warnings/Teacher Interventions

Violation 3-5 Lunch detention for each occurrence

Violations 6- ISS up to three periods (Administrative Timeout)

Violation 7: ISS ½ day

Violation 8: Full Day ISS

Violation 9 and subsequent violations will result in additional consequences as approved by building principal; up to and including Out of School Suspension.

## UNEXCUSED ABSENCES/CUTTING CLASS/SKIPPING

Students are expected to be in their assigned area unless excused by a school official. Failure to report to or remain in class without a valid excuse may result in the following consequences (per 9- week quarter): An unexcused absence is an absence from school without school and parental consent. UNEXCUSED ABSENCES accumulate throughout the school year.

The consequences for offenses of truancy per school year may include the following:

Parent contact will take place to ensure district policies are explained and to ensure regular attendance by the student. If the student is under the age of 18, a referral may be submitted to the Status Offender Court Alternative Program (SOCAP) if the student is not legally withdrawn.

\*Any student who is considered to be a habitual truant under the guidelines of IC20-33-8- 12 may be ineligible to hold or obtain a valid Indiana operator's license or learners permit and subject to referral to the Status Offender's Court Appointed Program (SOCAP).

# BEHAVIOR EXPECTATIONS AND CONSEQUENCES

(Further information about students' rights and responsibilities is available in the East Allen County Schools Back-To-School Guide, distributed annually to all students in East Allen County Schools. Information in this handbook is based upon the policies approved by the Board of School Trustees of East Allen County Schools. These policies are amended as needed and will supersede any information printed in this handbook or the East Allen County Schools Back-To-School Guide).

The types of student conduct outlined below shall be considered in violation of school rules and shall be subject to the consequences listed when occurring on school grounds during and immediately after school hours, any time the school is being used by a school group, off school grounds at a school activity, or traveling to/from a school activity. Misconduct during routine bus travel to/from school may also result in suspension of riding privileges.

The following list is NOT comprehensive and therefore does not address all types of violations as outlined in the EACS Back-To-School Guide. However, this list will serve as a general guide to common behavior expectations and consequences at New Haven High School.

**New Haven High School administration reserves the right to make the final determination regarding appropriate consequences for each situation based on the exact circumstances present, provided those decisions do not violate EACS School Board Policy.**

## DRESS CODE

Throughout life, many responsibilities dictate appropriate attire and appearance. Clothing that may be appropriate in one environment may not be appropriate in another. Clothing at school must be considered clean, not disruptive to the educational process, and should promote a positive school culture. Clothing that is considered to be indecent, suggestive, or inappropriate for school activities will not be permitted. Administration reserves the right to make the final judgment about the appropriateness of a student's attire and may pre-approve exceptions for spirit days. Guidelines for appropriate dress include:

- a. Shorts, skirts, and dresses should be appropriate in length. When standing straight with arms flat to the side, the student's longest finger should still be touching fabric. Slits in skirts and dresses must also not extend higher than this measure.
- b. Clothing that is torn excessively or torn in inappropriate locations (above fingertip length) is not permitted.
- c. Shirts should not be low-cut. To see if your top is too low-cut: Lay the palm of your hand on the center of your upper chest with fingers together so that the index finger is at the base of the collar bone. If the shirt falls below your pinky finger, it is considered too low-cut to wear to school. Shirts that repeatedly slide back into the "too low" position are also not allowed.
- d. Exposed shoulders, backs, sides, or midriffs (stomachs) are not allowed at any time. Tops should be long enough to tuck in and still permit normal movement. Spaghetti strap tops, tube tops, and tank tops are not permitted. Shirts must not be see-through. Bra straps and undergarments should not be visible.
- e. Head coverings of any kind (hats, hoods, berets, scarves, etc.) are not permitted. Exception: headgear for religious purposes or approved health reasons. Hats may not be carried or clipped to pants and are to be left in lockers.
- f. Pants have waistlines that must be worn at waist level. Sagging pants are inappropriate.
- g. Clothing that has pictures and/or writing that alludes to or has double meanings that relates to drugs, alcohol, sex, or tobacco OR is vulgar, crude, suggestive, indecent, or otherwise offensive as determined by administration is not permitted. Tattoos that fall into this category shall be covered. Displaying the rebel flag is not permitted.
- h. Sunglasses are not to be worn inside the building.
- i. Book bags should only be used for transporting school supplies to and from school. Book bags, coats and large purses shall remain in lockers throughout the school day. Bags needed for gym. Blankets are not permitted in school.
- j. Shoes or sandals must be worn at all times.
- k. Accessories that are a potential safety issue (including spikes or heavy chains) are not permitted.

**Students wearing inappropriate clothing will be required to change. Refusal or inability to change will result in ISS or OSS.** Any sports uniforms or activity outfits worn during the school day must be in compliance with the dress code. Administration may announce exceptions during spirit weeks and special events. Repeated violations of the dress code may result in detentions, additional time in ISS and/or OSS.

## CELL PHONES

**EACS and NHHS will not be responsible for lost, stolen or broken cell phones/electronic communication devices and will not pay for phones/devices that are lost, stolen or misplaced by staff members after confiscation.**

**Due to the enormous time spent on stolen cell phones/electronic communication devices, the school will NOT investigate stolen cell phones/electronic communication devices. Their security is the sole responsibility of the student.**

In support of our mission, EACS is committed to helping students prepare to succeed outside the classroom. In order to accomplish this mission, it will be necessary to ready students and teachers for the world of today and not the classrooms of yesterday. Thus, the importance of using technology tools to enhance learning will be even more important as advances are made during the 21st century and beyond.

Cell phones can create negative issues for schools and interfere with student learning and achievement. Use of cell phones is permissible within the school in designated areas. Otherwise, cell phones should only be turned on in classrooms for a specific educational purpose as instructed by the classroom teacher. (This includes using a cell phone to check the time or access other functions not related to communication.)

PARENTS: NHHS asks parents to recognize that prohibiting cell phone use during school hours is necessary to operate our school in an orderly manner and to maintain the academic integrity of the school. Please do not jeopardize this by attempting to call or text your student during the school day. Responding to calls or text messages from parents will not be viewed as an acceptable reason for violating the cell phone policy. If you have any concerns about your ability or your student's ability to follow this policy, we recommend that your student's cell phone be left at home. However, if you choose to allow your student this privilege, please stress that the device must be used in school approved areas. Parents may contact the school office (260-446-0220) if their child must be reached for an emergency during the school day. Students may request to go to the office to contact parents if absolutely necessary. A student hall pass must be presented when requesting to use the office phone.

Cell phones that become a distraction to the educational environment may be confiscated and taken to the main office to be returned to the student based on the discretion of NHHS administration. NHHS will refrain from holding a student's cell phone beyond the school day.

Note: Student will not be permitted to remove the battery or the memory card from the phone before surrendering. Refusing to surrender the phone promptly and appropriately will be viewed as insubordination and further disciplinary consequences will apply.

## MUSIC/LISTENING DEVICES/EAR PHONES

Music/listening/recording devices and ear phones in BOTH ears are not to be used in hallways during passing periods. Students will be permitted to use a listening device during their assigned lunch while in the auditoria.

## OBSCENITIES/PROFANITY/CURSING

**Students are not permitted to use profane language while at school.** Consequences for using inappropriate language may vary, depending on the exact language used and the context in which it was used. However, profane language directed AT a staff member is considered to be a major violation and will result in disciplinary consequences:

## INSUBORDINATION/DEFIANCE

Students are expected to follow any reasonable request given by a staff member or adult in authority. A student may always request to meet with an administrator at a later time if he/she feels there is a pattern of conflict with a particular staff member. Insubordination/defiance will result in disciplinary consequences.

## PROVOCATION

Conduct that is likely to provoke a reasonable student to fight or commit battery may include (but is not limited to) minor pushing, shoving, poking, or slapping. A direct invitation to fight and/or a student saying he/she wants to fight another student may also be considered provocation. Provocation may result in disciplinary consequences.

## **PHYSICAL FIGHT AND/OR BATTERY**

Conflict that involves punching, pulling hair, or other actions aimed at causing harm to another student. Actions may result in the need for the offending student to be physically restrained. This behavior is likely to involve law enforcement, possible arrest, police transport, and criminal charges. A first offense may result in OSS and up to and including possible expulsion. (This includes fighting that may occur at bus stops).

## **TOBACCO PRODUCTS/VAPE/CBD/NICOTINE**

The use, possession, or distribution of tobacco in any form is not permitted in the school building, on the school grounds, or at school-sponsored events, regardless of a student's age. In addition to tobacco, betelnut and other similar products along with e-cigarettes and/or "vape" or "vaping" devices and CBD oils are not permitted on school grounds and will result in tobacco possession consequences. The administration may involve the police on each tobacco violation. A first offense results in 3 days ISS and possible tobacco ticket. A second offense results in 3 days OSS and possible tobacco ticket. A third offense may result in OSS for multiple days and tobacco ticket. Students under the age of 18 who are in possession of tobacco products are also subject to Indiana Code 35-46-1-10.5 which is a class C infraction (citation and fines).

## **ALCOHOL**

Possessing, using, transmitting, or being affected by any alcoholic beverages or any substance which is represented to be an alcoholic beverage. First offense will result in 5-10 day OSS suspension and a possible request for expulsion. A second offense will result in 10 days OSS pending request for expulsion.

## **DRUGS, DRUG PARAPHERNALIA, KNIVES, FIREWORKS, WEAPONS.**

Students shall not possess, use, transmit, distribute, sell or be affected by these items on school grounds or at any school-sponsored event. These offenses will likely involve law enforcement, possible arrest, police transport, and criminal charges. Any offense may result in a request for expulsion.

## **DETENTIONS**

Detentions are served as an additional hour after school on the assigned date. Only students who have "afternoon release" (due to shortened schedules, Anthis classes, internships, ICE, etc.) may request to serve two half-hour morning detentions in lieu of an after-school detention. Requests for morning detentions must be made prior to the date of the assigned detention. Notice of after school detention will be given in the calendar week prior to the date of assigned detention. Parent Messenger will be used to notify parents via phone number on record with the school in advance of after school detention. Detentions may be rescheduled if the student has a doctor's appointment and is able to provide verification of that appointment. Detentions are not excused for work, lack of transportation, athletic participation, babysitting responsibilities, or any other reason unless explicitly approved by a building administrator (for extenuating circumstances). Students who fail to serve detention will be assigned ISS the following day. Failure to serve a morning detention may result further discipline.

## **IN-SCHOOL SUSPENSION (ISS)**

ISS is located in adjacent to the main office. Students who misbehave in ISS may be suspended out-of-school. Upon return to school the student may be reassigned to ISS. Other behavioral expectations for students in ISS include:

- a. Students will be expected to complete all academic work while in ISS and are eligible to receive credit for that work.
- b. Use of headphones is not permitted in ISS unless required for academic purposes.
- c. Use of computers and iPads will only be permitted for academic purposes.
- d. Students in ISS will eat lunch when determined by the ISS supervisor and will travel to/from lunch as a group.
- e. Students in ISS will not be permitted to go to their locker without an approved escort.
- f. Students are to follow the directives of the ISS supervisor at all times.
- g. Regular classroom rules are still in effect while in ISS (phones, drinks other than water, snacks, sleeping, and book bags are not permitted).
- h. The environment of ISS should be similar to that of a quiet, educational classroom.

## OUT-OF-SCHOOL SUSPENSION (OSS)

OSS is reserved for those students who have been unable to change their behavior through previous consequences or immediate removal from school is necessary to maintain a safe and orderly learning environment. **Students who are placed on OSS are not allowed to attend (or participate in) any all extra-curricular activities (dances, athletics, ceremonies, etc.) and are not allowed on the school campus or any EACS property until the OSS time has elapsed.** Multiple incidents of OSS may be grounds for expulsion based on habitual misconduct. Students are expected to make up their school work at home while on OSS. Parents may call the attendance office to make arrangements to pick up daily work or have work brought home by siblings or friends with permission of the parent of the suspended student. Students may also contact teachers through e-mail and may check on assignments through Canvas website for each class. OSS days are not counted toward the student's annual ten-day limit of absences.

## BULLYING

The State of Indiana defines "bullying" as overt, unwanted, repeated acts or gestures, including verbal or written communications or images transmitted in any manner (including digitally or electronically, such as text messages, Facebook, Twitter, e-mail, etc.), physical acts committed, aggression, or any other behaviors, that are committed by a student or group of students against another student with the intent to harass, ridicule, humiliate, intimidate, or harm the targeted student and create for the targeted student an objectively hostile school environment that:

- (1) places the targeted student in reasonable fear of harm to the targeted student's person or property;
- (2) has a substantially detrimental effect on the targeted student's physical or mental health;
- (3) has the effect of substantially interfering with the targeted student's academic performance; OR
- (4) has the effect of substantially interfering with the targeted student's ability to participate in or benefit from the services, activities, and privileges provided by the school.

Unacceptable language or behavior of a racist, sexist, disability and/or religious nature will not be tolerated and will be considered harassment. Bullying or harassment is not acceptable conduct and is prohibited. Any student who engages in bullying shall be subject to disciplinary consequences up to and including suspension and expulsion. If the conduct **occurs off school grounds** and causes or threatens to cause a substantial disruption at school OR interferes with the rights of students to be secure, school administration may still impose disciplinary consequences.

## ARTICLES PROHIBITED IN SCHOOL

Problems arise each year because students bring articles that are hazards to the safety of others or interfere in some way with school procedure and the learning environment. **Items such as (but not limited to) lighters, matches, games, and/or items used in games of chance, laser lights, noisemakers, and devices that may be presumed to have no educational purpose and may distract from instruction and learning. These items, if brought to school, may be confiscated. In addition, coats and book bags will need to remain in lockers throughout the school day.** Confiscated property that is not illegal contraband will be returned to the student or parent at the discretion of an administrator.

## CORPORAL PUNISHMENT AND USE OF PHYSICAL FORCE

EACS employees will not use corporal punishment (the physical striking of a student) to discipline a student. However, EACS employees may use reasonable physical force or restraint as necessary to end a disturbance threatening physical injury to others, to take dangerous objects from students, for self-defense, or for the protection of persons or property.

## EACS BOOK BAG POLICY

Students are allowed to carry book bags to and from school **ONLY**. During the school day, book bags must be kept in the student's locker. Book bags, bags, or purses large enough to hold a text book are not permitted during the school day.

## **EACS SEARCH AND SEIZURE POLICY**

### **1. Lockers:**

Under Indiana school law (I.C. 20-8.1-5.1-25) and EACS board policy, a student who uses a locker that is EACS property is presumed to have no expectation of privacy in that locker or the locker's contents. A principal, or his designee, may search a student's locker and the locker's contents at any time there is reasonable suspicion to believe such a search will lead to the discovery of:

- a. Evidence of a violation of an EACS Behavioral Expectation, or of state or federal law;
- b. Anything which represents a danger of physical harm or illness to students, EACS personnel, or others; or
- c. Unsanitary conditions.

### **2. Automobiles:**

A student who utilizes school parking privileges gives implied consent for a search of the student's vehicle under the same standards of reasonable suspicion that govern the search of a student's locker.

### **3. Student's Person/Book Bag/Possessions or Belongings:**

A student's person, book bag, possessions or belongings may be searched under the same standards of reasonable suspicion that govern the search of a student's locker.

### **4. Disposition of Seized Items:**

Any item seized from a student's locker, vehicle, person, book bag, other possessions and/or belongings may be confiscated and:

- a. Admitted into evidence at any suspension or expulsion meeting;
- b. Destroyed if the item has no significant value;
- c. Returned to the student's parent; or
- d. Turned over to juvenile or law enforcement authorities.

### **5. Searches By Law Enforcement Authorities and Use of Certified Canines:**

Under Indiana school law and EACS board policy, a law enforcement agency having jurisdiction over the geographic area where a school is located may assist in a search at the request of a school principal. Such assistance may include but may not be limited to the use of a certified dog and handler to initiate a search.

### **6. USE OF METAL DETECTORS**

The East Allen County Schools' Board of School Trustees authorizes the use of metal detecting devices in all school buildings, on school grounds, and at all school activities. (See Policy 5151.) All persons entering a school building or attending a District activity may be subject to daily, regular, or random screenings with a metal detector on their person or belongings. In conjunction with using the metal detectors, school personnel may inspect the contents of any backpack, book bag, purse, etc., for the purpose of determining whether a weapon or contraband is concealed within.

## **RELEASE OF INFORMATION**

Federal law does permit EACS/NHHS to release certain "directory information" which means information contained in an educational record of a student that would not generally be considered harmful or an invasion of privacy if disclosed. "Directory information" will not be provided to any organization to be used for profit-making purposes. Parents or adult students may refuse to allow EACS to disclose any or all "directory information" upon written notification to EACS. Directory information includes, but is not limited to, the student's name, address and telephone number, parent's names and their home and work telephone numbers, major field of study, student work for display (no grade displayed), participation in officially recognized activities and sports, height and weight, dates of attendance, degrees and awards received, motor vehicle description (including license plate number), hair and eye color, gender, date and place of birth, grade level, photograph, video tape images not used in a disciplinary manner, quotations, and other similar information.

# TRANSPORTATION

## AUTOMOBILES - STUDENTS

Parking on school property is a privilege. **Students must register all vehicles they may drive to school and purchase a school parking tag.** A tag must be displayed on each registered vehicle. Students who do not conform to the rules of parking on the school lot may be denied the privilege and/or receive other disciplinary action including detention, suspension, or expulsion. **The northwest lot (large lot bordered by the baseball field and US 930) is the only lot authorized for student parking.** The northeast lot (bordered by the administration building and Green Road) is reserved for staff and visitors only. **Students who park in undesignated areas will receive a warning on the first offense and will be required to move their vehicle. The second parking violation may result in disciplinary action and/or the student's vehicle being towed at the owner's expense.** The speed limit on school property is **10 miles per hour.** Reckless driving and "cruising" are not permitted. All cars are to yield the right of way to school buses. Students are not to sit in their cars while parking on the lot, nor are they to congregate on the parking lots. There is no smoking allowed in the parking lots. Under no circumstances are students permitted the use of more than one parking space per car. Tardies and absences due to car/transportation problems are unexcused. A student who utilizes school parking privileges gives implied consent for a search of the student's vehicle under the same standards of reasonable suspicion that govern the search of a student's locker.

## BUS TRANSPORTATION POLICIES

**Under Indiana school law, bus transportation may be provided by a school corporation. However, RIDING A BUS IS A PRIVILEGE, NOT A RIGHT.** Expectations applying to conduct at the student's school also apply on the bus. The bus driver is in charge of the school bus at all times. EACS busses are equipped with video and audio enhanced cameras. Due to the Family Education Right to Privacy Act (FERPA), only school officials are allowed to view bus videos. Expectations, consequences, and policies regarding bus transportation procedures, bus stops, crossing streets to board/leave busses, and behavior on the bus are outlined in further detail in the EACS Back-to-School Guide. Students are only allowed to ride the EACS school bus they are assigned to. The EACS Transportation Dept can be reached at 260-446-0159.

# GENERAL SCHOOL INFORMATION

## CAFETERIA AND LUNCH

New Haven High School has a closed lunch period. During student lunch modules, all students should be seated in the cafeteria within five minutes of being dismissed from class. Students are to remain seated until released by administration to get in line for lunch. Students are typically released by grade level. All students are to remain in the cafeteria during their lunch period, except to use the restrooms located across from the cafeteria. Students are not permitted in other areas of the building or outside the building unless they have permission from a staff member. Students assigned to in-school suspension will travel to the lunch room as a group and will return to the ISS room as a group. They will not eat in the regular cafeteria area. Behavior issues in the cafeteria may result in a student being assigned to ISS during his/her lunch module only, for a specified amount of time.

Student lunch payment is made through a computer system, which requires students to submit cash or check in special envelopes and deposit in a designated drop boxes (outside the main office). Money must be turned in to the box by 9:30 am any day of the week to be credited to the student's lunch account for lunch served that day. A \$10 minimum deposit is required for all full-pay students. A \$2 minimum deposit is required for reduced-price students or for free students who wish to purchase a la carte items. Families may view lunch account activity and student lunch account balances through the ParentAccess website. No cash is accepted during lunch periods. Students are permitted to carry lunches but commercial food and drink items purchased from fast food establishments may not be brought into the school during the school day.

## CHANGE OF ADDRESS

Inform the school guidance office immediately if you change your address or telephone number.

## CLASS DUES

Class dues are collect each school year. Class dues are \$10.00 per year and they are collected as each student registers for school. Attending Prom or the Senior Dinner Dance is contingent upon payment of appropriate class dues.

## CLINIC/SCHOOL NURSE

The purpose of the school clinic and school nurse is not to replace the doctor. Parents are cautioned not to send an ill student to school. All cases of illness or injury during school hours should be reported to the school nurse. The nurse will attempt to contact parents for injuries requiring more than minor first aid. If a serious medical emergency exists requiring medical treatment beyond what can be provided at school to maintain safety or life and none of the student's designated contacts can be reached, EMS will transport the child to the nearest hospital. All medications (including prescription drugs, over the counter medications and herbal products) must be submitted to the nurse. Possessing over the counter (OTC) drugs or prescription drugs in school is a serious violation of the EACS disciplinary code, unless specifically authorized by a properly executed EACS medication form. There is **no stock supply of OTC drugs or ointments** in any EACS school clinic. OTC pain-relievers such as Tylenol and Advil for "as needed" use must be sent from home in the original container, recorded on an EACS medication form, and stored with the school nurse.

Students must secure a pass from their classroom teacher before going to the clinic. If the nurse is not in, students are to report to the guidance office. Leaving the school or spending excessive time in the restroom without the school's permission will result in disciplinary action. Students must sign in/out of the clinic. Excessive use of the clinic will result in a parent conference. Under normal circumstances, students should not be in the clinic for more than 30 minutes.

## DANCES

- **School dances are considered “extra-curricular events” and are therefore a privilege, not a right.** Students may be denied the privilege of attending a dance (including prom) if they are not in good academic or disciplinary standing.
- All guests must have the appropriate permission letter approved and on file with NHHS before the dance.
- Students are not allowed to leave and re-enter dances. (No pass-outs.)
- Students and guests are expected to dress in clothes appropriate for the occasion.
- Students may be requested to show NHHS identification cards upon entering.
- Students may not be admitted after the dance is half over.
- After-game dances are to be over by 11:00 p.m. Other dances are to last no longer than three hours.
- Dances will not be held after mid-week games.
- Dances will not be scheduled during vacations or after the second week in May.
- Adequate police protection will be secured through the Athletic Director.
- A minimum of three faculty members will serve as chaperones.

## EMERGENCY DRILLS

Fire, tornado, and lockdown/crisis drills will be conducted throughout the year to acquaint students with quick, orderly methods of leaving the building or seeking protective cover. Fire drills are held monthly and tornado drills are held once per semester. Students should move quietly and orderly as directed by the classroom supervisor and according to the instructions posted in each room. If the fire alarm sounds, everyone is required to leave the building. Students should move at least 100 feet from the building and are expected to stay together as a class so attendance can be confirmed. An administrator or office staff member will give the signal to return to classes. During tornado and lockdown drills, students are to move to the designated areas, remain quiet, and wait for further instructions.

Purposely setting off a false fire alarm is a crime and a serious violation of the school discipline code.

## IDENTIFICATION CARDS

All students will be issued a school identification card at no charge. Students may be required to carry their ID card while in school or while attending school functions or activities. Identification cards are used to check out all textbooks and library books. Replacements costs for identification cards: \$5.00.

## LOCKERS

All school lockers are the property of the East Allen County Schools. It is the obligation of New Haven High School administrators and designated staff to supervise the use of school lockers and their contents. Locker rules are for the purpose of eliminating theft and vandalism and for maintaining the condition and appearance of the building. Neither NHHS nor EACS is liable for theft or damage to personal property. Students may not switch lockers without authorization from the office staff.

- Students do not have permission to share lockers. **If unauthorized items/contraband is found in a locker, the student assigned to that locker will be held responsible for it.**
- Ensure the locker door is fastened securely and fully locked when closing the door.
- Report locker problems to the main office. If the problem cannot be fixed, the student will be assigned a new locker.
- Students are expected to memorize their combination and not give it to anyone.
- Students should take care to not allow anyone to observe them using their combination.
- Interior locker decorations are permitted as long as the decorations are not permanently attached, can be removed easily without damage, do not interfere with the functionality of the locker, are not bulky in size, and are in good taste.
- Students must remove all decorations, boxes, shelves, etc. from their lockers at the end of the school year.
- Students may be fined for damage caused to lockers as a result of vandalism, graffiti, or decorations that cannot be successfully removed.

## LOST AND FOUND

Students who find lost articles are asked to take them to the main office where the owner may claim them. Large amounts of money or expensive items are not to be brought to school. The school is not responsible for any lost or stolen items including textbooks and library books assigned to a student or personal clothing and property stored in lockers.

## PLEDGE OF ALLEGIANCE AND MOMENT OF SILENCE

Indiana Code 20-30-5 requires schools to display a United States flag in each classroom and provide a daily opportunity for students to voluntarily recite the Pledge of Allegiance. Schools are also required to observe a daily moment of silence so each student may engage in religious observation if he/she chooses to do so. The teacher responsible for the classroom shall ensure that all students remain seated or standing and silent and not be a distraction so that each student may meditate, pray, or engage in any other silent activity. A student may not interfere with, distract, or impede another student in the exercise of the student's individual choice.

## PUBLICATIONS POLICY

1. Publications will not use obscenities.
2. Publications will not directly issue personal attacks on any person or organization.
3. The sponsor and editor should attempt at all times to advertise and print only that which is appropriate for high school students. All controversial topics should receive pre-approval from the building principal before going to publication.
4. School publications criticizing school board or administrative policies should be constructive. Criticism of current practices requires recommendation for fair and sensible alternatives.
5. Student publications should always adhere to the highest in journalistic ethics.

Unauthorized publications are not to be distributed in the school buildings, on the school grounds, on the school buses, or at a school-scheduled activity. School time, equipment, and supplies are not to be used to produce unauthorized publications.

# HEALTH SERVICES

The purpose of Health Services is not to replace the doctor. Parents are cautioned not to send an ill child to school. It is the parent/guardian's responsibility to inform the school of health concerns that may require special accommodations for their child's activities or educational program. The parent/guardian is expected to provide the school with current home, work, and emergency telephone numbers. In case of illness or emergency at school, if none of the designated contacts can be reached, and a serious medical emergency exists requiring medical treatment beyond what can be provided at school to maintain safety and/or life, EMS will transport the child to the nearest hospital.

## A. IMMUNIZATIONS

Indiana School Code requires the parent/guardian to supply immunization information no later than the first day of school; by one of the following: doctor's note with vaccine and date given; record maintained by the parent with vaccine and date given; immunization records from previous school; note of scheduled appointments from a doctor or Board of Health. Failure to provide the required immunization information shall be cause for exclusion of the student from school. This exclusion, if imposed, will end upon subsequent filing of such information. Below are the number of doses and each vaccine required for school entry by grade level.

3 to 5 years old (Pre-kindergarten)	3 Hep B (Hepatitis B) 4 DTaP (Diphtheria, Tetanus & Pertussis) 3 Polio (Inactivated Polio) 1 MMR (Measles, Mumps & Rubella) 1 Varicella (Chicken Pox)
Grades K, 1, & 2	3 Hep B 5 DTaP 4 Polio 2 MMR 2 Varicella
Grades 3, 4, & 5	2 Hep A (Hepatitis A) 3 Hep B 5 DTaP 4 Polio 2 MMR 2 Varicella
Grades 6 to 11	3 Hep B 5 DTaP 4 Polio 2 MMR 2 Varicella 1 Tdap (Tetanus & Pertussis) 1 MVC4 (Meningococcal conjugate)
Grades 12	3 Hep B 5 DTaP 4 Polio 2 MMR 2 Varicella 1 Tdap 2 MVC4

## IMMUNIZATION REQUIREMENTS FOR 2023-2024 SCHOOL ATTENDANCE

The Indiana State Department of Health **requires** the following *additional immunizations* for all students entering 12th grade:

- A second dose of MCV4 is required for 12th grade.
- Two (2) doses of Hep A (a minimum of 6 months between doses) is required for 12th grade.

See your Health Care Provider for needed immunizations or you may go to:

The **Allen County Department of Health**, located at 4813 New Haven Avenue, at the corner of New Haven and Meyer Road, offers immunizations. Vaccinations are given by appointment only. There is an administration fee per vaccination. Clients who have insurance that pays for vaccines will also have to pay the cost of the vaccine. Medicaid is accepted. When making an appointment, the approximate costs will be given. Call 449-7514 to schedule an appointment or for additional information. *An adult (parent/legal guardian) must accompany the child and bring the child's shot record.*

**Super Shot** also offers immunizations at various locations throughout Allen County. There is a \$10 fee per shot; Medicaid is accepted. No one will be turned away due to inability to pay. *Your child's shot record is required and he/she must be accompanied by a parent or legal guardian.* See attached schedule or call 424-7468.

If you have questions, call your physician or your school nurse.

IMMUNIZATION RECORDS SHOULD BE BROUGHT TO REGISTRATION  
OR

DELIVERED TO YOUR CHILD'S SCHOOL PRIOR TO THE FIRST DAY OF THE SCHOOL

Immunization objection based on religious beliefs or a medical condition will satisfy state requirements; however, the parent/guardian must sign an IMMUNIZATION OBJECTION (Hs-1a) form annually with a physician's signature also required for medical objection. If there is an outbreak of a communicable disease at school, your child may be excluded if he/she does not have the required immunizations.

### B. MEDICATION

The purpose of administering medication at school is to help the student maintain an optimal state of health to enhance his/her educational plans. Medication (prescription, over-the-counter, and/or herbal-vitamin-dietary supplements), required by the student should be administered at home. The parent/guardian should use every effort to have medication times set for time periods other than school hours. Medications given during school hours should be only those necessary to provide the student access to his/her educational program.

When this is not possible, an EACS Registered Nurse (RN) or trained staff (Healthcare Aide [HA] or Unlicensed Assistive Personnel [UAP]) will assist in administration of medication during school hours, subject to guidelines 1-9 listed below. The intent of the guidelines is to reduce the number of medications given at school, yet assume safe, effective administration of medications for those students that require them. A STUDENT MEDICATION PERMIT (Hs-5) must be completed and signed by the parent/guardian. The STUDENT MEDICATION PERMIT (Hs-5) and the complete EACS Medication Policy is available from the school nurse and is on the EACS web page under the Health Services tab.

1. Only the amount of medication needed at school should be sent.
2. The parent/guardian accepts the legal responsibility for the safe arrival of medication to school.
3. STUDENTS ARE NOT TO CARRY ANY TYPE OF MEDICATION, prescription, over-the-counter, and/or herbal-vitamin-dietary supplements, without prior consent of the school nurse RN. All medication must be kept in the school clinic. Violation of this policy may result in disciplinary action.
4. To protect students, school personnel will not administer medication until it has been verified and documented by the school nurse RN.
5. Prescription medication must be in the pharmacy labeled container with the student's name. The pharmacy label serves as the written order of the physician. The nurse RN may call the prescribing physician if there are questions regarding the dispensing of medication at school.

6. Over-the-counter medication (OTC) such as Tylenol and Advil must be sent from home. OTC medication must be in the original container with small containers preferred, as storage is limited. OTC medication will be administered within the parameters and frequency recommended on the container. OTC medications will only be given by a UAP after appropriate assessment by the school nurse RN. There is NO STOCK SUPPLY OF OTC MEDICATION IN ANY EACS SCHOOL CLINIC.
7. Herbal-Vitamin-Dietary Supplements as with prescription medication, if consumed incorrectly, may be harmful. Therefore, school personnel will only administer herbal-vitamin-dietary supplements if there is an HERBAL-VITAMIN-DIETARY SUPPLEMENT PERMIT (Hs-5a), signed by the student's physician and parent/guardian, on file in the school clinic.
8. Medication for emergency situations (asthma, bee stings, diabetes, food allergy, etc.) will be kept in the clinic. Students may possess and self-administer emergency medication in the classroom and at other school functions only with written consent from the parent/guardian and physician. The physician must state that the student has an acute or chronic disease or medical condition for which he/she has prescribed medication; the student has been instructed in how to self-administer the medication; and the nature of the disease or medical condition requires emergency administration of the medication. Parent/guardian and physician written authorization must be filed annually with the student's school nurse RN. Appropriate staff members will be alerted to the potential emergency to ensure the student's safe and prompt treatment at school.
9. Sending medication home at any time during the school year will require written notice from the parent/guardian and released only to: (1) the student's parent; (2) (a) or an individual who is at least eighteen (18) years of age; and is designated in writing by the student's parent/guardian to receive medication. (b) or with the student if the student's parent/guardian provides written permission for the student to receive the medication.
10. ALL medication not picked up by the end of the school year is destroyed.

#### C. ILLNESS AND INJURY AT SCHOOL

For the sake of other's health, children should not attend school if they have a morning temperature of 99° or afternoon temperature of 100° (or above); are vomiting and/or have diarrhea; a rash; a communicable disease such as chickenpox; or a bacterial or fungal infection (pine eye, impetigo, ringworm); or appear obviously ill with or without a fever.

To keep parents informed about the causes and anticipated outcome of an injury, phone calls or notes may be used to alert parents of an injury that may require more than minor first aid.

Ill students (fever, vomiting, severe diarrhea, or at the discretion of the school RN) are NOT sent home on the bus. The parent or designee will be called to pick up.

RETURN TO SCHOOL POLICY: Children should be kept home until they are symptom and/or fever free for 24 hours without the use of medication. Children absent from school due to pink eye or impetigo should be seen by a physician and may return to school after 24 hours of antibiotic therapy. Many rashes are contagious therefore a doctor visit is encouraged for proper diagnosis and treatment.

#### D. STATE MANDATED SCREENINGS

As per Indiana Code, visual acuity and audiometric screenings are done annually for students enrolled in EACS. Visual acuity screening is done in grades K or 1, 3, 5, and 8 and all others suspected of having a visual defect. Audiometric screening is done in grades 1, 4, 7, and 10, all transferred students and all others suspected of having hearing loss. Parents may object to any or all screenings on religious grounds. Objections must be filed annually in writing, signed and dated by the objecting individual, and delivered to the building principal or school nurse RN, by Friday of the first full week in September

#### E. HEAD LICE

Head lice are a nuisance, not a carrier of disease. All parents should check their children at home for head lice throughout the year. Upon finding a suspected case of head lice, EACS procedure is:

1. The child's parent/guardian will be contacted to pick-up the child from school.
2. The school nurse or designee will show the suspected lice or nits to the parent/guardian.
3. Upon request by the parent/guardian the nurse or designee may check other family members for head lice. Classmates (defined as a group of students who spend most or all of the school day together in the same classroom), and other close contacts may be checked for lice at the discretion of the school RN.

4. Infested children should be treated at home, using a lice shampoo according to package directions or as ordered by a physician.
5. The parent/guardian must accompany the child to school the next school day. The parent/guardian must remain at school until the nurse or designee has rechecked the child and found him/her to be free of live lice.

EACS will generally not inform parents/guardians of a classroom or grade level that a case of head lice has been found as it infringes on the privacy of the student involved (FERPA).

#### F. BED BUGS

Bed bugs are a nuisance, and are not known to transmit disease. When a bed bug is found on a student or a student's belongings, the student and all of his/her belongings are examined. The student's personal items, including book bag, will be stored in a trash bag or large Ziploc baggie and the student will take it home at the end of the school day.

Parents will be notified, informing them a bed bug was found on their child's belongings and a home inspection by a licensed professional will be recommended.

#### G. PREGNANCY

Pregnant students are encouraged to remain in school and continue their education both during and after their pregnancy. Guidelines established by the Indiana State Department of Health for pregnant students in the school setting mandate that a written statement from the attending physician be presented to the school counselor or nurse RN which:

1. Verifies the pregnancy,
2. Notes her expected date of confinement,
3. Confirms that normal participation in classes does not pose a threat to her or the baby's well-being, and
4. Lists any specific restrictions that may apply.

Additional written permission from the attending physician may be required for participation in specific school activities.

#### H. MENINGOCOCCAL DISEASE

One type of meningitis is caused by a bacteria called *Neisseria meningitidis*. Infections caused by this bacteria are serious, and may lead to death. Symptoms of an infection with *Neisseria meningitidis* may include a high fever, headache, stiff neck, nausea, confusion and a rash. This disease can become severe very quickly and often leads to deafness, mental retardation, loss of arms or legs, and even death. The bacteria are spread from person to person contact through the exchange of nose and throat secretions, by activities such as kissing or sharing eating or drinking utensils. The bacteria are not spread by casual contact or by simply breathing the air where a person with meningitis has been.

There are two vaccines that can prevent this disease in teens and young adults. The United States Centers for Disease Control and Prevention (CDC) recommends vaccination of children with the meningococcal conjugate vaccine (Menactra or Menveo) at age 11 or 12 years of age, with a booster dose of the vaccine at 16 years of age. The booster dose at age 16 provides ongoing protection from the disease after high school.

The state of Indiana requires all students in grades 6-12 to have appropriate number of meningococcal conjugate vaccine doses. One dose of meningococcal conjugate vaccine is required for all students in 6th - 11th grade. A second booster dose is required for students entering 12th grade. These vaccines are a legal requirement for school entry (Indiana Administrative Code 410 IAC 1-1-1).

All students in grades 6-12 must have acceptable documentation of required immunizations on record at the school they are currently attending. An acceptable record includes a signed record from the child's health care provider indicating the name of the vaccine given and the date it was given, a record of the immunization in the state immunization registry (CHIRP) prior to the start of the school year, or a record from another school showing the required immunizations have been given.

Many Health departments and private health care providers offer this vaccine. Please contact your health care provider for specific instructions regarding your child.

Additional information about meningococcal disease can be found at:

- The Indiana State Department of Health <http://www.in.gov/isdh/25455.htm>
- The Centers for Disease Control and Prevention <http://www.cdc.gov/vaccines/vpd-vac/mening/default.htm>

## I. HUMAN PAPILLOMAVIRUS (HPV)

Indiana Code 20-34-4-3 requires the Indiana State Department of Health to provide information on the link between cancer and the human papillomavirus (HPV) and the vaccination that can protect your child from HPV related cancer later in life. Each year, HPV causes more than 26,000 new cases of cancer in both men and women. HPV is the most common sexually transmitted infection and is spread by skin-to-skin sexual contact. The Centers for Disease Control and Prevention (CDC) has stated that based on recent studies, HPV is so common that nearly all sexually active people will get it during their life-time.<sup>1</sup> Most HPV infections cause no symptoms and go away on their own. However, infection with the virus can lead to cervical cancer in women. It can also cause other oral and genital cancers in men and women. HPV causes genital warts.

Vaccination is the best way to prevent HPV infection and associated cancers present later in life. According to the Centers for Disease Control and Prevention, American Academy of Pediatrics, American Academy of Family Physicians, and the American College of Physicians, all boys and girls ages 11 or 12 years should get vaccinated.<sup>2</sup> 3 By vaccinating at this age, preteens will be protected before any exposure to the virus occurs. We also know the vaccine produces a better immune response at this age. There are two vaccines available to protect against HPV infection. The HPV vaccine is given in three doses over a six months. It is important to get all three shots. The HPV vaccine is safe to give at the same time as other recommended vaccines. Older teens and young adults can receive the vaccine through age 26.

The HPV vaccines are safe and highly effective. Both vaccines offer protection against HPV types 16 & 18. The vaccine is 93% effective in preventing precancers of the cervix caused by these types of HPV. One of the vaccines also offers protection from genital warts. The vaccines offer long-lasting protection from HPV. Current studies show that HPV protection from the vaccine lasts at least eight years. There is no evidence of waning protection after that time. These vaccines have also been studied very carefully for safety. Preteens and teens should always sit or lie down 15 minutes after receiving any vaccines to prevent fainting.

The vaccine does not protect against all types of HPV known to cause cervical cancer. It is important that women continue to receive routine cervical cancer screenings (Pap test). It is also important to follow-up on all abnormal results. The Pap test can find abnormal cells on the cervix, so that they can be removed before cancer develops. There are no tests currently available to find HPV in other parts of the body.

Please contact your health care provider if you have questions about HPV vaccine. Questions may be directed to the Indiana State Department of Health Immunization Program at (800) 701-0704.

# SPORTS SCHEDULE

## GOLF (GIRL V/JV)

7/31/23	Homestead Invite (Away), 8:00 AM
8/4/23	Norwell High School (Home), 4:30 PM
8/9/23	Woodlan Jr-Sr High School (Away), 4:00 PM
8/10/23	Dekalb High School (Home), 5:00 PM
8/10/23	Fort Wayne Snider High School (Away), 5:30 PM
8/12/23	Concordia Invitational (Away), 8:30 AM
8/14/23	Fort Wayne North Side High School (Home), 5:30 PM
8/17/23	Bishop Luers High School (Home), 5:00 PM
8/19/23	Bulldog Invitational (Away), 7:30 AM
8/23/23	Leo Jr-Sr High School (Away), 4:00 PM
8/24/23	Columbia City High School (Home), 4:30 PM
8/29/23	Bellmont High School (Away), 4:30 PM
8/30/23	East Noble High School (Away), 5:00 PM
9/7/23	Huntington North High School (Home), 4:30 PM
9/9/23	NorthEast 8 Conference Meet (Away), 10:00 AM
9/12/23	South Adams Jr-Sr High School (Home), 4:30 PM
9/13/23	Concordia Lutheran High School (Away), 4:00 PM

## VOLLEYBALL - GIRLS (V/JV)

8/10/23	Heritage Jr-Sr High School (Away), 6:00 PM
8/15/23	Woodlan Jr-Sr High School (Home), 6:00 PM
8/16/23	Bishop Luers High School (Home), 6:00 PM
8/22/23	Angola High School (Home), 6:00 PM
8/23/23	Fort Wayne North Side High School (Home), 6:00 PM
8/29/23	Fort Wayne Canterbury High School (Away), 6:00 PM
8/31/23	Blackhawk Christian Jr-Sr HS (Away), 6:00 PM
9/5/23	Fort Wayne Wayne High School (Away), 6:00 PM
9/7/23	Adams Central High School (Away), 6:00 PM
9/14/23	Bellmont High School (Home), 6:00 PM
9/19/23	Leo Jr-Sr High School (Home), 6:00 PM
9/21/23	Columbia City High School (Away), 6:00 PM
9/25/23	Bluffton High School (Home), 6:00 PM
9/26/23	Huntington North High School (Away), 6:00 PM
9/28/23	Norwell High School (Away), 6:00 PM
10/2/23	South Adams Jr-Sr High School (Home), 6:00 PM
10/3/23	Dekalb High School (Away), 6:00 PM
10/5/23	East Noble High School (Home), 6:00 PM

## FOOTBALL (V)

8/11/23	Angola High School (Away), 7:00 PM
8/18/23	Fort Wayne Northrop High School (Home), 7:00 PM
8/25/23	Bishop Luers High School (Away), 7:00 PM
9/1/23	Dekalb High School (Home), 7:00 PM
9/8/23	Leo Jr-Sr High School (Away), 7:00 PM
9/15/23	Norwell High School (Home), 7:00 PM
9/22/23	Columbia City High School (Home), 7:00 PM
9/29/23	Bellmont High School (Away), 7:00 PM
10/6/23	East Noble High School (Away), 7:00 PM
10/13/23	Huntington North High School (Home), 7:00 PM

## CROSS COUNTRY (BOYS V/JV)

8/12/23	Norwell Invitational (Away), 9:00 AM
8/19/23	Monroe Central Invitational (Away), 10:00 AM
8/23/23	Bellmont CC Conditioner (Away), 5:45 PM
8/26/23	CELINA HIGH SCHOOL (Away), 10:00 AM
9/2/23	Union City Cross Country Invitational (Away), 9:30 AM
9/9/23	Wildcat Invite (Away), 9:00 AM
9/16/23	Fayette Invite (Away), 9:30 AM
9/23/23	New Haven Cross Country Invite (Home), 9:00 AM
9/30/23	NE8 Conference Meet (Away), 10:00 AM
10/14/23	Woodlan Sectional (Away), 10:30 AM
10/21/23	New Haven Regional at PFW (Away), 10:30 AM

## CROSS COUNTRY (GIRLS V/JV)

8/12/23	Norwell Invitational (Away), 9:00 AM
8/19/23	Monroe Central Invitational (Away), 9:00 AM
8/23/23	Bellmont CC Invitational (Away), 5:45 PM
8/26/23	Celina Invitational (Away), 10:00 AM
9/2/23	Union City Invitational (Away), 11:00 AM
9/9/23	Wildcat Clasic XC Invitational (Away), 9:00 AM
9/16/23	West Noble High School (Away), 9:30 AM
9/23/23	New Haven Cross Country Classic (Away), 9:00 AM
9/30/23	NE8 XC Meet (Away), 10:00 AM
