**Together, as a school  
community, we are  
helping kids like  
Emmett**

Hi, my name is Emmett and I'm 9 years old. When I was only 2 days old my parents found out I had a special heart. Since then I've had 1 closed and 2 open heart surgeries to help my heart. My friends think my backwards heart and scar is cool and so do I! By participating and donating to Kids Heart Challenge you are helping the American Heart Association so kids born like me can run, play and do sit ups- just like I like to do!
