## **After School Pass**

After School Passes are for any student who will not be riding their designated home bus, but instead will be picked up, riding a different afternoon bus (for example to day care), staying after school for sports or club activity, or walking *on a regular basis*. Each student should have their own separate Permanent Bus Pass form filled out. This form is only submitted if the change is recurring every week. If you need to make a permanent change to this form, please notify the elementary office and a new form will be sent home with your student.
