We always appreciate and recognize voluntary donations from our parents and community members. Your generosity helps support our educational goals and programs and services for students. Please understand that any donations are truly voluntary and your student's ability to participate in a school activity is never conditioned on making a donation. All donations are optional; none are required. The wearing of a cap/gown/tassel/stole is required to participate in the graduation ceremony. You have the option to purchase a new cap/gown/tassel/stole which is sized to your measurements and a keepsake after graduation or to borrow a cap/gown/tassel/stole. Loaner caps/gowns may be picked up in the SBO the day before the ceremony and must be returned by the day after, borrowed gowns may have been previously worn. Failure to return borrowed items (cap/gown/tassel/stole) in their entirety, unaltered and undamaged, may result in your son or daughter's diploma being held and not issued until all items are returned or until payment for them has been received by the school. *Estimated Amount. **All information and costs are estimates only and subject to change, please check with the Student Body Office for updates/finalized information.
