

Getting Started

Schoology is a student online learning platform that empowers parents to stay actively involved in their child's education. Through the platform, parents can access course materials, assignments, and receive real-time notifications about their child's academic progress. You will need at least one **Parent Access Code** to create your account. You can retrieve this code by contacting your school or visiting pal.mcs4kids.com.

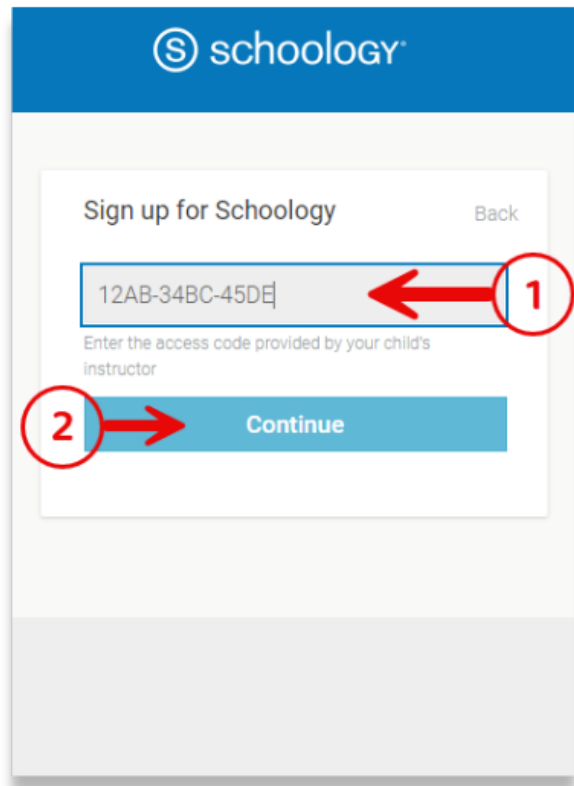

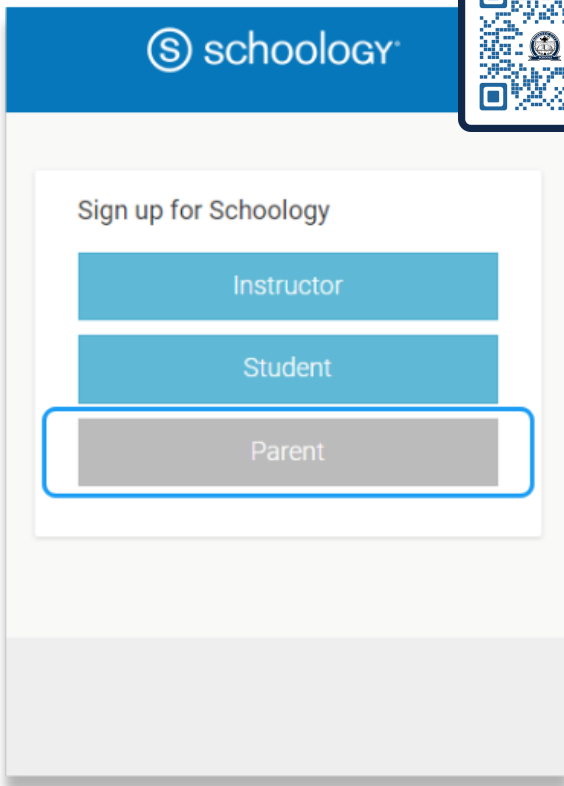

Setting Up Your Parent/Guardian Account

Step 1:

Navigate to www.mcs4kids.com/schoologyreg or scan the QR code, then press the 'Parent' button.

Step 2:

Enter in the Access Code, then press continue. The access code is in the following format: XXXX-XXXX-XXXX (12 characters)

Note: You can retrieve your **Parent Access Code** by contacting your student's school or visiting the **Parent Account Look up Portal** at: pal.mcs4kids.com (or scanning the QR Code).

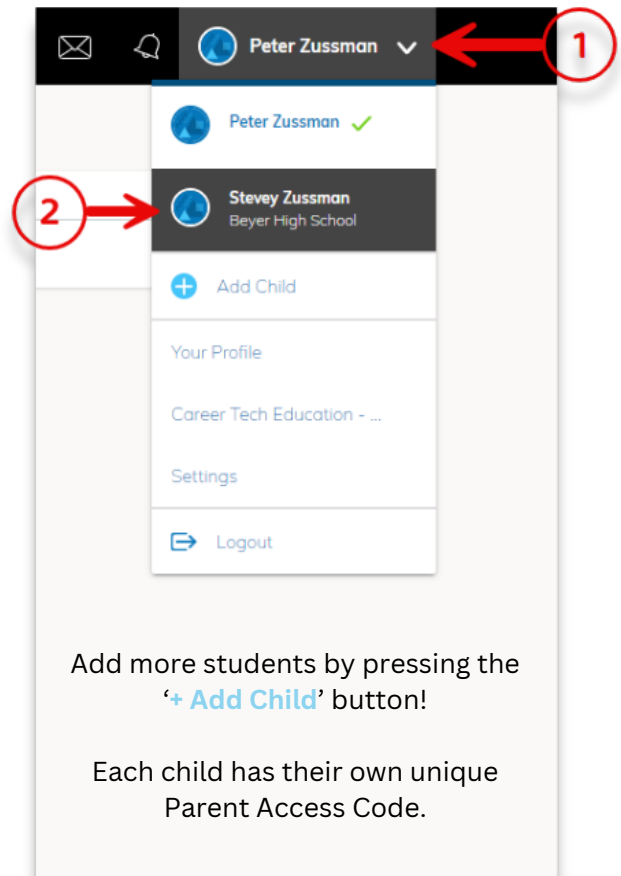

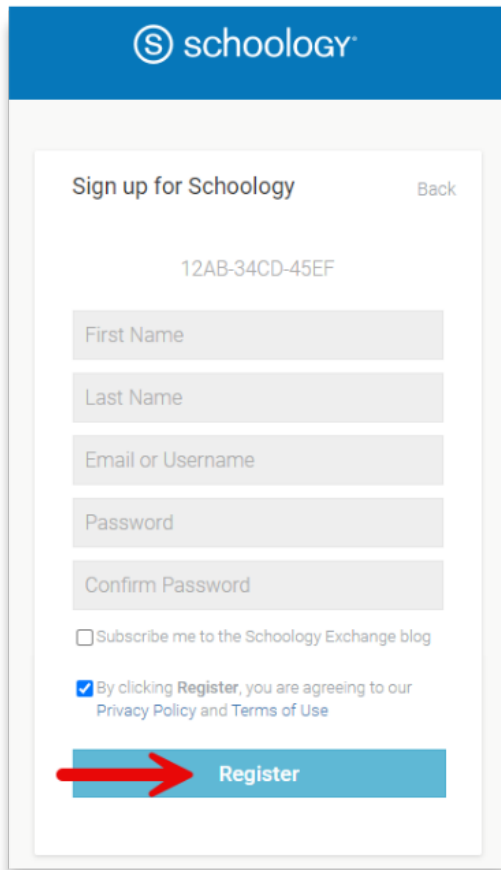

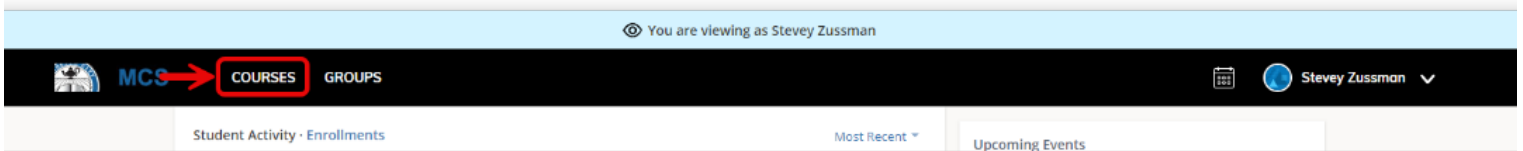

Setting Up Your Parent/Guardian Account (Continued)

Step 3: Enter in your **First Name, Last Name, Email Address,** and **create a secure password.** Agree to the Privacy Policy and Terms of Use, then press **'Register'**. Please remember the email and password you create for yourself.

Step 4: After registering, you will be automatically logged into Schoology. From here, you can switch to your child's profile by pressing your profile (name) on the top right, then choosing your child's profile.

Step 5: You can now access your student's classes/courses by pressing the **'COURSES'** button on the top menu bar.

If you receive an error message even after verifying the information is correct, please contact the Modesto City Schools [Help Desk](#) at (209) 574-8600 for further assistance.
