2022-2023 School Accountability Report Card

(Published During the 2023-2024 School Year)

General Information about the School Accountability Report Card (SARC)

SARC Overview

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or the LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

2023-24 School Description and Mission Statement

Vision:

Success for ALL!

Catherine Everett Elementary School is an established PREK-6 neighborhood school. Everett is located in the central part of Modesto. We are a neighborhood walking school as a majority of our students walk to and from school. Built in 1962 on a former almond orchard Everett is located adjacent to Everett Park. Most of the classrooms are housed in the original, permanent structure. Four modular classrooms and a large multi-purpose room have been added to accommodate an increase in student population. Early Childhood Education Programs are housed in additional permanent buildings. Everett is home to 15 classrooms. 2 Full-day Head Start classes and 4 Half-day Preschool classes. The school grounds include a courtyard with benches, a large grassy field, a paved playground, and an outdoor lunch area with shaded tables. Our welcoming and well cared for campus is complimented by paint that matches our school colors and school spirit. All who step foot on our campus soon realize there is something special about our school.

The staff is composed of fully credentialed Certificated teachers, a knowledgeable and dedicated Classified staff, and administrators who together collaboratively interact with parents and the community to serve as an effective team for the Everett Community. Catherine Everett School serves a diverse student population. Our Expanded Learning Opportunity Program provides additional support with academics, socialization, social emotional learning, and physical activities for more than 100 students. ELOP offerings consist of before school program, after school program, RISE, and Winter/Spring/Summer intersessions. Everett School embraces the ever-changing diversity of our students and our Everett learning community. We grow upon our understanding of "We're Better Together and Together We Aim for Excellence"

The district has an extensive Character Education Program and Catherine Everett School students are recognized at Board meetings for their exemplary character. On campus we also encourage and reward acts of character with additional awards/incentives for improved attendance, perfect attendance, and meeting fluency and math goals. This year we are in our eighth year of implementing the PBIS model and practices to address behaviors in an appropriate manner and cultivate a community in which didactic interventions and preventative measures are put in place to improve student outcomes. Our PBIS plan is based on the foundation and collective efficacy that all EAGLES SOAR. Each letter of EAGLES SOAR represents a monthly theme that we teach, reinforce and celebrate to/with our students regarding positive and highly desired behavior expectations. Student incentives have increased as well as the positive behavior demonstrated by students and staff to create

2023-24 School Description and Mission Statement

a positive and fostering culture on campus.

Community is an integral part of Catherine Everett Elementary School. Business partners, high school students, parents, and professional organizations are part of our school community and assist in the efforts to support improving outcomes for all students. Our goals are to provide each student with a quality education, enhance self-advocacy abilities, address social emotional learning needs, cultivate each child's positive self-image, create a love of learning, and guide in developing the necessary skills, abilities, and values required of responsible citizens. The entire school community strives to teach and learn by our Vision and Mantra:

ALL students are important and can reach their full potential towards academic and social emotional success. Everett will foster a positive, nurturing, safe school climate for ALL. We are committed to building positive relationships with our families and community to ensure our students will become productive members of society.

At Everett, I SOAR (am Safe Organized, Accountable & Respectful), and I WILL Succeed. Our School Vision: Success for ALL!

Administrative commitments in order to fulfill our vision.

We support teachers with specific professional learning opportunities that support student achievement.

We seek evidence in order to support student and teacher needs.

We continuously improve our systems and programs to accommodate ALL students. Staff commitments in order to fulfill our vision.

We are continuously seeking new strategies that work.

We demonstrate courage through vulnerability in order to seek out best practices.

We have identified the essential standards and created short term SMART goals.

We model courtesy, respect, and compassion, while being positive/supportive to our students, parents, and families.

We operate as a Professional Learning Community by sharing data and focusing on the four critical questions.

Student commitments in order to fulfill our vision.

Students will demonstrate Positive Behavior on campus and follow the school's PBIS plan. The school promotes positive behavior through EAGLES SOAR our monthly character traits that are taught by all staff.

Students are recognized daily, weekly, and monthly for demonstrating positive behavior on campus through incentives and assemblies.

2023-24 Quality, Currency, Availability of Textbooks and Other Instructional Materials

The Governing Board recognizes that students' educational opportunities are enhanced when they have sufficient access to high-quality textbooks, equipment and other instructional materials for each of the subjects they are studying. To adequately support the Board-approved curriculum, instructional materials must also be up to date. For further information about the selection and adoption of instructional materials at all Modesto City Schools, please reference Board Policies 6161, 6161.1, and 6161.11. All board policies are located at <https://www.mcs4kids.com/district/board/board-policies/board-policies>.

School Facility Conditions and Planned Improvements

The district takes great efforts to ensure that all schools are clean, safe, and functional. To assist in this effort, the district uses a facility survey instrument developed by the State of California Office of Public School Construction. The results of this survey are included within this report. The results of this survey are available at the district office and on the internet at mcs4kids.com.

In order to maintain a safe school, all visitors are required to report to the front office and register their visit. Before school supervision is provided by yard duty supervisors from 8:10 until 8:40 each morning. Morning and afternoon recesses are supervised by up to two yard duty supervisors. During lunch recess, there are three to five yard duty supervisors on the school playground. A cafeteria supervisor oversees lunch in the cafeteria. The principal is often assisting in supervision during all of these times.

Below is more specific information on the condition of the school and the efforts made to ensure that students are provided with a clean, safe, and functional learning environment.

School Facility Conditions -- General Information

The district takes great efforts to ensure that all schools are clean, safe, and functional. To assist in this effort, the district uses a facility survey instrument developed by the State of California Office of Public School Construction. The results of this survey are included within this report. The results of this survey are available at the district office and on the internet at mcs4kids.com.

Age of School/Buildings:

This school classrooms, a cafeteria, a library, an early childhood ed program, and an administration office. The main campus was built in 1962 and opened in 1962.

Maintenance and Repair:

District maintenance staff ensures that the repairs necessary to keep the school in good repair and working order are completed in a timely manner. A work order process is used to ensure efficient service. Emergency repairs are given the highest priority. The school facility is in overall good repair.

Cleaning Process and Schedule:

The Operations Department has adopted cleaning standards for all schools in the district. A summary of these standards are available at the school office, or at the Maintenance & Operations office. The Maintenance & Operations Department works continuously with the custodial staff to develop cleaning schedules to ensure a clean and safe school.

Deferred Maintenance:

The District participated in the State School Deferred Maintenance Program, which provided flexible state matching funds to assist school districts with expenditures for major repair or replacement of existing school facilities components. State contributions to this Program ended in the 2012-13 school year. Deferred Maintenance typically includes paving, roofing, plumbing, heating, air conditioning, electrical systems, interior or exterior painting and floor systems. Carry-over funds for deferred maintenance projects throughout the District in Funds 01 and 14 have been exhausted. The Board has authorized the General Fund (Fund 01) to annually contribute \$2 million to Facility Maintenance (Fund 14) to be used for new construction and maintenance projects throughout the District, \$2 million to Routine Restricted Maintenance (Fund 14) for maintenance projects throughout the District and \$2 million to Facility Improvements (Fund 40) for the District's high schools. Identified needed repairs are weighed against all other District site repairs and the most urgent repairs are addressed first.

Data provided by LEA. Additional information about the condition of the school's facilities may be obtained by speaking with the school principal.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

Statewide Assessments

(i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).

College and Career Ready

The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Percentage of Students Meeting or Exceeding the State Standard on CAASPP

This table displays CAASPP test results in ELA and mathematics for all students grades three through eight and grade eleven taking and completing a state-administered assessment.

Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Subject	School 2021-22	School 2022-23	District 2021-22	District 2022-23	State 2021-22	State 2022-23

2022-23 CAASPP Test Results in ELA by Student Group

This table displays CAASPP test results in ELA by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

ELA test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3): Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site.

2023-24 Opportunities for Parental Involvement

Parent Involvement:

Parents are invited to join in activities such as Parent Connection Meetings, Parent Teacher Conferences, Parent Involvement/Engagement Committee, English Language Advisory Committee, School Site Council, Parent Workshops and trainings with a focus based on parent requests, family events, book fairs, and our Parent Teacher Association (PTA), Amanda Rich, Point of Contact. Just give us a call at (209) 574-1992 or check our website and get involved.

School to home communication is an integral part of building relationships between school and home. ParentSquare, our School Website, Email, phone, and in-person communication serve as our platforms to increase parent involvement.

We are eager to serve our community and strengthen parent involvement through increased events and outlets that are geared towards parent engagement.

2023-24 School Safety Plan

The Everett Elementary School Safety Plan was developed by California Safe Schools as part of a comprehensive district wide Safety Plan. The plan specific to Everett was developed with input from the Safety Committee made up of staff and parents. The completed plan was reviewed by staff and parents before adoption. The plan is reviewed annually by staff and parents. The main purpose of the plan is to provide guidelines for a variety of possible emergencies that a school might encounter during the year. Our plan consists of list of support staff, district personnel, and the community. The plan is made available for viewing.

Everett Elementary provides supervision of students prior to the start of the school day at the following locations: the bus drop off area, the cafeteria, key designated zones within our campus, and the primary/intermediate playground. Everett has a traffic/safety patrol that monitors major crosswalks near the school both in the morning and directly after school. Yard duties provide after school supervision until the buses have departed. Everett has a single point entry and all visitors to the school must report to the office and be scanned in with our RAPTOR program. Visitors will then receive a sticker which must be worn while on campus. We lock all gates restricting access to the school after the bell rings. All staff members are instructed to question any adults on campus not wearing a visitor sticker and to escort them back to the office to sign in and obtain a sticker. The principal, school support manager, vice principal, head custodian, and campus supervisor patrol the school grounds regularly to ensure student safety and to address safety concerns. Our plan was last reviewed on 11/14/23.

Professional Development

Professional development in MCS is data driven using research-based best practices to ensure our students receive a guaranteed and viable curriculum in every grade, in every school. We use formative and summative data to drive our instructional decisions and focus for professional development. To this end, we utilize multiple structures to provide high-quality professional development to our staff including: summer training, preservice-days, district wide professional development days, after school workshops, Saturday workshops, substitute-release days, instructional coaching, Induction and intern mentor

Professional Development

programs, Peer Assistance Review (PAR) program, as well as an Administrative Induction Program. For the fourth year, MCS has provided the opportunity for 1% compensation for certificated and management who choose to complete an extra twelve hours of professional development outside of their normal work day. We offer the same incentive for classified, but at a flat rate compensation of \$400 for the first 6 hours and \$400 for the second 6 hours of voluntary professional development hours.

MCS has prioritized our focus on mathematics, literacy across grades and content areas, collaboration, welcoming schools/customer service, English Learners, and building our capacity as professionals. This has been in addition to the needed training in new adoptions, curriculum and standard updates and the like. The professional development is sustained through site administration, district and site level instructional coaches, and intervention specialists. The Curriculum and Instruction & Professional Development Division is tasked with increasing the quality and quantity of professional development provided to classified, certificated, and managers alike.

Coming out of the COVID closures, we have focused our efforts on our Instructional Core:

- Instructional Core Vision: Every student deserves a guaranteed instructional program, not by chance, but by design, including Board-adopted curriculum, researched-based best practices, and authentic relationships and assessments that guide instruction.
- Supporting All Learners: Intentionally planning lessons with consideration for strategies, scaffolds, and interventions that create equitable learning opportunities for all students.
- Board-adopted Curriculum: Intentionally utilizing the currently adopted curriculum to ensure equitable access for all students to rigorous content standards. Understanding how the curriculum design supports students’ progression over time.
- Engaging Students using Language and Literacy: Designing lessons that engage and support all learners by providing daily opportunities to interact with content through reading, writing, listening, and speaking.
- Professional Learning Communities: PLCs are the vehicle we use to guarantee the success of the Instructional Core. Fully engaging in the process of identifying what students need to learn, how it is to be taught, what to do if they don’t reach mastery, and what to do if they excel, with regular review of student formative data to guide instruction.

All learners means every student regardless of gender, socio-economic level, at-risk status, racial, ethnic, or cultural background, exceptional ability, disability, or Limited English Proficiency.
