Family & Consumer Science

In addition to the tasks noted above, a unit exam will be found at the end of every unit. There will also be a comprehensive final exam at the end of the course.

Pacing & Grading

Each section of this course is designed to be completed in about one week's time. However, if you have less time to complete the course, you may need to move through the sections more quickly. Your teacher may also have a set schedule he/she would prefer you follow. Check with your instructor if you have any questions.

Each quiz or assignment is worth a specific amount of points. A final percentage for the course will be determined by points earned divided by points possible. See the detailed *Course Outline and Pacing Guide* for more details on points possible and pacing.
