VACANCY

Colorado Independent School District

Coordinator Community/Parent Engagement & Partnerships

Qualifications:

Valid Texas Teacher Certificate

Highly Qualified

Master's degree preferred

Purpose:

The Coordinator of Community/Parent Engagement & Partnerships, Colorado ISD is responsible for developing and implementing community outreach and engagement plans to support high quality public school educational experiences and outcomes for students. The goal of the position is to provide liaison services between schools, home, community, parents, guardians, and partnership agencies in benefit of student academic success. To coordinate, plan, develop and implement information and educational programs with families and community to remove the stigma attached to mental health/mental wellness and ensure the adequate knowledge of resources to enhance the social, emotional, learning and well being for students. To provide outreach services to the community, families, and staff and promote and assist both parents and community engagement in order to provide for active participation in the socio-emotional and academic success of each and every student. To support the curriculum and instructional growth of classroom teachers using RBIS through Community Team Meetings of the Professional Learning Communities.

Employment:

Employment is contingent upon receipt of the Stronger Connections Grant. This is a two year grant which Colorado ISD will re-apply for when it ends in 2026.
