Breakfast

Veterans are welcome to a hot breakfast in the elementary cafeteria from 7:30- 8:00 AM. Enjoy coffee, juice, pastries, eggs, sausage - the works!

Classroom Visits

Small groups of Veterans visit several K-8 classrooms for about 30 minutes each. While in classrooms they can share their experiences, answer questions, or maybe even listen to songs performed by students. Students love to hear about your military experience. They get extra excited if you have mementos, photos, uniforms or other things to share with them. Our best effort is made to get you in the classroom of your important students in the Lomira District.

Assembly

After the classroom visits, we invite all Veterans to an assembly in the High School Gym. This is our chance to honor all Veterans with music, essays, and a slide show.
