## More than 160 are Earning Dual Credit

### Contributed

More than 160 Fremont High School students will earn college dual credit by the end of this school year. This semester we will have 119 students enrolled in at least one dual enrollment course through Trine.

In total, FHS students have the potential to earn 650 hours of college credit just during the first semester. That's more than \$300,000 worth of Trine credit through classes taught by six FHS teachers. The 25 students attending IMPACT Institute will earn over 400 college credits from Ivy Tech and Vincennes University.

*Fremont High School offers numerous dual credit opportunities for students throughout their four years as students. This school year alone, some 160 students, most of whom are pictured, are earning dual credits toward their future endeavors. Some of these courses are taught at FHS by FHS staff while others are earned at IMPACT Institute or on campus at Trine University.*

*Fremont Community Schools is preparing students for a world of possibilities every day—for every student.*

# Three Seniors are Lilly Scholarship Finalists

## Contributed

The Steuben County Community Foundation has announced its finalists for the Lilly Endowment Community Scholarship, and of the six, three are seniors at Fremont High School.

There were 21 applicants initially for this highly competitive, full-ride scholarship to any college or university in Indiana. The six were chosen from this pool of 21.

Fremont's three finalists are Tressa Howey, Delaney Bock, and Ashland Benner. The other three finalists are Angola High School's Harlee Henney and and Jedidiah Mortorff and Hamilton High School's Caleb McMullen.

Each of the finalists met Monday at the Steuben County Community Foundation for the second round of the three-step process toward becoming

the winner.

As of the finalist announcement, the following was the plans each of Fremont's scholarship finalists plans for the future:

- Howey is the daughter of Michel and Richard Beck. She plans to attend Purdue University in the fall to study Aerospace Engineering.

- Bock is the daughter of April and Justin Bock. She plans to attend Indiana Wesleyan University in the fall to study Elementary Education.

- Benner is the son of Racheal and Tyler Benner. He plans to attend

Butler University in the fall to study statistics.

There is one, final step that candidates have to complete before the scholarship is awarded later this year. They will each have to do an interview with the selection committee and complete a personal portfolio presentation.

Even if not chosen as a winner for the final scholarship, each finalist will receive \$2,500 Circle of Friends Scholarship from the foundation.

There are 147 Lilly Endowment Scholarships awarded statewide each year, with the number of available scholarships based on county population. Steuben County is eligible to give away one award.

Lilly Endowment Inc. is an Indianapolis-based, private philanthropic foundation created in 1937 by J.K. Lilly Sr. and his sons Eli and J.K. Jr. through gifts of stock in their

pharmaceutical business, Eli Lilly and Company.

Although the gifts of stock remain a financial bedrock of the Endowment, it is a separate entity from the company, with a distinct governing board, staff and location. In keeping with the founders' wishes, the Endowment supports the causes of community development, education and religion.

The Endowment funds significant programs throughout the United States, especially in the field of religion. However, it maintains a special commitment to its founders' hometown, Indianapolis, and home state, Indiana.

# Benner Represents Indiana on DC Trip

## By Ashlee Hoos, advisor

FHS Senior Ashland Benner got to experience our nation's capital over the summer as part of a 7-day REMC Youth Leadership Trip to Washington D.C. He is the son of Racheal and Tyler Benner.

The week-long trip included a stop at Gettysburg for a day to experience the rich history before heading onto all of the attractions in D.C., which included a trip to the White House and the National Museum of the Marine Corps,

among other monuments.

Delegates on the trip also got to meet with Congressman Jim Banks on Capitol Hill for a brief interview.

Benner was selected because, as an (at the time) up and coming senior, he had the qualifications. He had to fill out an application, write an essay, and was one of the students selected to represent Steuben County. Others from the area in attendance were students at Angola High School.

Participating in the trip itself was completely free of charge, Benner said, and attendees also received free shirts as part of the package.

The trip is only for incoming seniors, and the 2025 trip will take place June 15-22. Applications for the 2025 trip will open on Dec. 2.

When available, the application will be found at <https://www.indianaec.org/>

## Milania Miller is your HoCo Queen

By Ashlee Hoos, advisor

Friday, Sept. 27 was homecoming for the Fremont Eagles. Of the three seniors in the running for Homecoming Queen, Milania Miller was voted the winner and was crowned during halftime of the football game against Churubusco. The other queen candidates were Brayleigh Moss and Karsen Rhodes.

Each candidate was escorted by a classmate and was afforded the opportunity to

ride through the parade in a convertible.

Each of the other three high school grade levels also had homecoming court representatives, escorted by a classmate.

The freshman representative was Lucy Heller. Sophomore's voted to have Amelia Morrisette as their representative, and the junior class representative was Sydney Burkholder.

The parade also featured a number of Fremont athletes from elementary through high school, class themed
