In an effort to provide you with ample time to plan, details of the evening are outlined as follows:

In order to provide a safe and secure environment for all our children, specific areas will be designated for students and for parents/guests. Your cooperation in following all directions carefully is necessary to ensure a wonderful concert experience. Please note that all students are expected to stay to the end of the segment in which they are performing. The goal of the festival is to have the younger students experience the performances of the older students.

Thank you in advance for your cooperation as we strive to provide an exciting and rewarding evening of music. Your support of the music and academic programs in our schools is valued and appreciated.

Sincerely,

Andrew Veiss,
Music Dept. Team Leader
