

## Updates for BD Lee Early Learning page:

- School hours- change drop off to 7:00
- Parent resources-
  - Remove Childcare Regulations
  - I will attach updated CERDEP and 3K handbooks
  - Standards are okay
- Lunch menus- this tab can be removed since we now add them to the school page
- Mission- The Mission of B.D. Lee Elementary School is to inspire, lead, and provide each student, in partnership with family and community, the educational foundation to be a responsible, productive individual through a safe, nurturing environment and a challenging curriculum in a global society.
  - Beliefs and motto are accurate
- Administration page-
  - Welcome to the 2023-2024 school year at the BD Lee Early Learning Center! I look forward each year to working with our dedicated staff, parents, and community to establish a strong foundation and true love of learning for our students. At BD Lee, we work together to provide a safe, nurturing, and fun environment for our students. We are fully invested in preparing our students for a life of academic and social success.  
  
We welcome input from parents and families of the Early Learning Center. Please feel free to provide me with feedback that will help foster and improve school-to-home relationships. Again, I look forward to working with you and your child this year. I know that our year as an Early Learning Center full of busy bees will be an amazing one! Sincerely, Julie Foster Assistant Principal
- Photo Gallery- I will gather some newer pictures from last year and this year to add. I will send those to you via email.
