National Library Week

National Library Week will be celebrated the week of April 8-12 at BPS. The national theme for 2024 is: "Ready, Set, Library!" It is a time to celebrate the contributions of our nation's libraries and librarians and to promote library use and support. As part of our celebration, BPS will sponsor our annual bookmark contest. Bookmarks are due to Mrs. Hogue, Media Specialist, by Thursday, April 11. Additional information regarding this contest can be found on our school website and was given to the students to take home. Our winners will be announced after National Library Week.
