Dear Parent/Guardian:

Our end of the year statewide assessments are quickly approaching! We are excited that students will be given the opportunity to demonstrate the knowledge and abilities they have gained this year.

All South Carolina students in grades 3-8 will be taking the South Carolina College and Career READY Assessments (SC READY) in English language arts (ELA), mathematics. SC READY is comprised of the ELA (writing and reading) and mathematics tests. Students in **grades four and six** will take SC READY assessment in science.

SCREADY assessments are untimed tests administered in person in an online format. SC READY tests are aligned to state standards and what is taught in your child's classroom. An online video tutorial for online administration of SC READY can be accessed via the following link: <https://wbte.drcedirect.com/SC/portals/sc/>. You may also get more information about these assessments in the attached brochure.

Our scheduled testing dates are listed below for all students as these tests must be taken IN PERSON.

4. comes prepared to do his/her very best

Do not hesitate to contact your child's instructor and/or the school if you have any questions.
