The North Kansas City Hospital (NKCH) Donor Council invites your juniors and seniors to participate in our Annual Scholarship opportunity. Please share this email with any of your colleagues to help make sure that all students are offered the excellent opportunity.

Our committee is dedicated to increasing awareness of organ and tissue donation throughout the community and we are encouraging student participation in our endeavors by offering two scholarships. The scholarships will be awarded after meeting the requirements listed below.

The following criteria must be met for the application process:

- Must be a junior or senior attending a Northland High School or a NKCH employee's child who is a Junior or Senior in high school.
- Create a poster and request approval for it to be displayed at your school in the Month of April, National Organ Donation Month. Submit a picture of the poster to the NKCH Donor Council and notify the committee when it will be displayed.
- Write a 500 word essay explaining the theme of your poster and how you, as an individual, can raise awareness about Organ Donation in your community.
- Verified documentation of 8 volunteer hours for any organization
- Letter of Recommendation from a non-family member

The Donor Council will review all entries and select the top two.
Applications must be postmarked by March 31, 2024.

Winners will be selected in April.

1st place: \$2,000

2nd place: \$1,000

- Entry deadline: postmarked by March 31, 2024 and submitted to:

Terri Jeffries, Director Secretary, 10 HSP East
North Kansas City Hospital

Dear Juniors and Seniors,

The North Kansas City Hospital (NKCH) Donor Council invites you to participate in our Annual Scholarship Opportunity.

Currently, more than 119,811 individuals nationwide are on the United Network of Organ Sharing recipient waiting list hoping for a life-saving organ. On an average, 22 people die every day waiting for the gift of life. The NKCH Donor Council's mission is to provide each potential donor family the opportunity to make an informed decision, to ensure that all potential donors are identified, to provide recipients life-saving organs and to provide professional and community education.

The following criteria must be met for the application process:

- Must be a junior or senior attending a Northland High School or a NKCH employee's child who is a Junior or Senior in high school.
- Create a poster and request approval for it to be displayed at your school in the Month of April, National Organ Donation Month. Submit a picture of the poster to the NKCH Donor Council and notify the committee when it will be displayed.
- Write a 500 word essay explaining the theme of your poster and how you, as an individual, can raise awareness about Organ Donation in your community.
- Verified documentation of 8 volunteer hours for any organization
- Letter of Recommendation from a non-family member

The Donor Council will review all entries and select the top two.
