Describe how the LEA involves parents in the joint development of the LEA parent and family engagement policy The LEA will involve parents with multiple outreach opportunities that include them in the development of our policies. This will help us to ensure we are best serving our families in ways that they see beneficial.

Describe how the LEA seeks and obtains the agreement of parents with the parent and family engagement policy The policy is discussed with parents at the annual Title 1 parent meeting and annual Title I, II, IV evaluation meeting. The District will communicate with parents and family members about the plan and seek their input and participation through the use of newsletters, the District website, e-mail, telephone, parent and teacher conferences, Thrill Share, social media, and home visits if needed.

Describe how the LEA distributes the LEA parent and family engagement policy to parents of participating children Policies will be distributed to parents through online avenues, presented at beginning of the year meetings, posted online, and also available as new students enter into programming later in the year.
