

# SCHOOL-PARENT COMPACT

## WHAT IS A SCHOOL- PARENT COMPACT?

The school-parent compact for achievement is a collaborative agreement that parents, students, and teachers develop to enhance the learning efforts for all students. It is designed to create opportunities that support student learning and improve family engagement.

## Jointly Developed

Together we share ideas to benefit our students. Meetings are held each year to review the compact and make changes based on student needs. Parents are welcome to contribute comments at any time. If you would like to volunteer to participate, please fill out one of our surveys.
