

Default Question Block - Sheridan Public School District #5. 12-19-2023

Montana School District ARP ESSER Plans

Federal Requirement

The US Department of Education (USED) required the OPI to establish a process for district plans consistent with the ARP ESSER requirements for the use of ARP ESSER funds and ensure plans be made available to the public, within no later than 90 days after a district received its ARP ESSER allocation (August 24, 2021). The requirements for the school district plans include, at a minimum, how districts will:

1. use funds to implement prevention and mitigation strategies;
2. use the funds totaling not less than 20% to address lost instructional time;
3. spend its remaining 80% of ARP ESSER funds;
4. respond to needs of student disproportionately affected by the pandemic; and 5. meaningfully engage with and consult stakeholders in crafting their plans. Each of these federally required components are embedded into this school district ARP ESSER plan.

In addition, the USED requires the OPI to support and monitor each school district's use of ARP ESSER funds, including:

- i. implementation of evidence-based interventions;
- ii. address the student groups specifically that were disproportionately impacted by the pandemic; and
- iii. identify, reengage, and support students who have experienced the impact of lost instructional time.

The plan will provide the information necessary for the OPI to support and monitor school districts as they move forward.

State Components

Throughout this school district ARP ESSER plan, the OPI has emphasized local control and coordination of state initiatives and requirements so that school districts can identify

and innovate solutions for unique local needs and priorities. These components are embedded in the school district ARP ESSER plan. Additionally, the OPI will seek flexibility from the Board of Public Education to use the Goals section of this plan in place of the Continuous School Improvement Plan (CSIP).

This template will guide the development of the school district's (LEA's) ARP ESSER plan. The template sections are as follows:

1. School District-Identified Priorities
2. Meaningful Consultation
3. Goals
4. Coordinating Funds
5. Creating Safe and Healthy Learning Environment
6. Addressing Lost Instructional Time
7. Supporting the Educator Workforce
8. Monitoring and Measuring Impact of ARP ESSER funds

Prior to beginning your school district ARP ESSER plan, consider the following:

Has your district and/or individual schools within the district completed a Gap Analysis to assist in identifying the top needs due to Covid 19? If no, click on [Gap Analysis](#).

What kinds of data assisted you in identifying the gaps?

What were the needs you identified in your subgroups?

Did you meet with all stakeholders to get input on needs and possible solutions to formulate a plan for the funds? (Parents, Students, Teachers, Staff, Community Members, Tribal Members, School Board, etc...) If not, how will you make this happen prior to creating your plan?

Instructions for completing your school district ARP ESSER plan

When you reach a stopping point, click Next to save your work. Return anytime before August 24 to finish your submission.

When you're ready, click Submit at the end of the plan.

After you click Submit, your responses will display in a PDF file. Download the PDF file.

Upload the PDF file of your responses to your district's webpage.

Note: The option to edit is no longer available once the plan is submitted by clicking the Submit button. If you click Submit and then determine later that you need to make changes, contact OPITeams@mt.gov.

While completing your school district ARP ESSER plan, consider the following:

What would you like to achieve before the funding ends in September of 2024?

What goals will need to be established in order to get there?

You may need to leave and come back to this form as you formulate your plan. You will still need to complete the eGrants application for ESSER III that is due September 1, 2021. It is important that your school district ARP ESSER plan aligns with the budget amounts reported in eGrants.

[SEL Priorities](#)

Next Steps:

The OPI will confirm your submission via the email you provide at the start of your plan.

The OPI will reach out with questions and support as needed.

Districts will need to set up their own monitoring which needs to be paired with implementation.

Districts will be able to answer these same question every 6 months. The OPI created this temporary form as a means to meet the federal timelines; it will be put in a more permanent location where you can access and update your plan. The OPI will use this form to collect best practices to share with other districts.

Block 2

Please choose your county and district from the dropdown.

County **Madison**

District **Sheridan Public School District #5**

Who is submitting this form? **Superintendent J.B. Chandler**

Please indicate your role in the district.

District-level Administrator - **Superintendent J.B. Chandler**

Principal

Other (Please identify your role in the box below.)

What is your official school district email address? **jb.chandler@sheridan.k12.mt.us**

What is your school district phone number? **406-842-5401**

Block 8

1. School District-Identified Priorities

Please provide the top priorities the school district has determined as the most pressing needs for students and schools within the school district as a result or in response to the COVID-19 pandemic. You may elect between 1-3 priorities by checking the box and providing the text response.

Priority 1 : **Academic Achievement across the curriculums in Math, English (written), English (grammar), and science**

Priority 2 : **Physical health of students and staff members.**

Priority 3 : **Technology and its supporting equipment**

When you identified each of your district's priorities, what data points did you use? Please list any and all data sources, such as attendance, interim assessments, surveys, etc. **SBAC, Maps, and ACT benchmarks academically. Our technology plan and structure as well as data taken through Distance Learning. Student and Teacher attendance or absences due to illness.**

Please indicate which of the following student groups specifically referenced in ARP ESSER were more affected than others in your district. Choose all that apply.

Economically Disadvantaged (Free and Reduced Lunch)

White

Black or African American

American Indian or Alaska Native

Multi-Racial

Migrant

Homeless

Foster Youth

Children with Disabilities

Male

Female

English Language Learners

Other (please identify in the box below)

Block 9

2. Meaningful Consultation

ARP ESSER requires school districts to consult with a wide variety of stakeholders when developing a plan. Please select all of the following groups of stakeholders your district consulted and/or plans to consult.

- Parents
- Students
- Teachers
- Staff
- Tribal governments
- Local bargaining units
- Educational advocacy organizations
- County health departments
- Community members
- Other (please identify in the box below)

What method(s) did you use to seek stakeholder input? Choose all that apply.

- Webinars
- Public meetings
- Website
- Media
- Social media

Block 1

3. Goals

https://montanaopi.az1.qualtrics.com/Q/EditSection/Blocks/Ajax/GetSurveyPrintPreview?ContextSurveyID=SV_3fvD5WGMvgtoHmS&ContextLibrary... 6/19
7/1/2021 Qualtrics Survey Software

Goal Action Plan:

Please define your Math goal, English Language Arts (ELA) goal, and other goal, based on the priorities you identified.

Explain what instruments or methods will be used to monitor the progress of the goals and determine if the goals are met. Click the box and provide the text response for each applicable box.

Math Goal : All students in Sheridan School will be proficient in Math. These goals will be measured by standard assessment and monitored through authentic class level pre-assessments.

ELA Goal : All students in Sheridan School will be proficient in English and Language arts. These goals will be measured by standard assessment and monitored through authentic class level pre-assessments.

Other Goal (For example, SEL, Mental Health, Graduation Rates, Recruitment/Retention, Professional Development, Community and Family Engagement, etc.): **Sheridan School will graduate 100% of its students in each cohort. Sheridan Students will embrace and enhance the culture of the school and become a cohesive group that cares for one another and treats all with dignity and respect.**

https://montanaopi.az1.qualtrics.com/Q/EditSection/Blocks/Ajax/GetSurveyPrintPreview?ContextSurveyID=SV_3fvD5WGMvgtoHmS&ContextLibrary... 7/19
7/1/2021 Qualtrics Survey Software

Goal Action Plan, Part 2:

Identify what strategies/action steps will be used to support the achievement of the goals. Describe a realistic and achievable timeline to achieve the goals.

Identify who is responsible to ensure the strategies/action steps are achieved. Click the box and provide the text response for each applicable box.

Math Goal Strategies, Actions, Timelines, and Assignments: **Our Math classes are designed to take students through each level of complex math they are enrolled in. While not all students are on the same track of success each individual is met with an appropriate math class that fits their needs and helps them on the road to a successful life. It's about offering appropriate curriculum at the appropriate time to meet each student's needs. *All students K-8 will show Improvements of 10 or more rit score points on their MAPS Assessments between our fall testing in September and May of 2024. These levels will be reached by more direct instruction in the area of Math. *The persons responsible for the strategies is the group of Math teachers in our elementary and middle school areas and our school counselor. They will report their results to the administration**

ELA Goal Strategies, Actions, Timelines, and Assignments: **All students in Sheridan High School will read, and write competently. To meet this goal our students will be presented with an appropriate english curriculum that is lockstep and continues to develop reading and writing skills as the student achieves each step within. It's about offering appropriate curriculum at the appropriate time to meet each student's needs. *All students K-8 will show Improvements of 10 or more rit score points on their MAPS Assessments between our fall testing in September and May of 2024. These levels will be reached by more direct instruction in the area of English Language Arts. *The persons responsible for the strategies is the group of English and Language arts teachers in our elementary and middle school areas and the school counselor. They will report their results to the administration**

Other Goal (For example, SEL, Mental Health, Graduation Rates, Recruitment/Retention, Professional Development, Community and Family Engagement, etc.) Strategies, Actions, Timelines, and Assignments: **To meet our graduation goal we have to keep students in the building and progressing through the curriculum offered. It is our job to communicate the importance of attendance and effort to the families and their job to support the student to achieve in this environment. To meet our mental health a curriculum goal it is our job to provide a platform for the culture we want to create of caring and support. It becomes the students job to buy into the plan and help to execute it to create the positive environment we are striving for. This goal will be measured by the number of senior students walking across the stage in the spring as well as by the credits earned by our underclassmen in pursuit of their diploma in the future. Our Counseling staff and administration will be the persons responsible to report this information to the board.**

For which of the following student groups do you have a distinct Math goal? Choose all that apply.

https://montanaopi.az1.qualtrics.com/Q/EditSection/Blocks/Ajax/GetSurveyPrintPreview?ContextSurveyID=SV_3fvD5WGMvgoHmS&ContextLibrary... 8/19 7/1/2021 Qualtrics Survey Software

American Indian or Alaska Native

Black or African American

Hispanic

MultiRacial

White

Free and Reduced Lunch

Homeless

Students with Disabilities

None

For which of the following student groups do you have a distinct English Language Arts (ELA) goal? Choose all that apply.

American Indian or Alaska Native

Black or African American

Hispanic

MultiRacial

White

Free and Reduced Lunch

Homeless

Students with Disabilities

None

For which of the following student groups do you have a distinct goal other than Math or ELA? Choose all that apply.

American Indian or Alaska Native

Black or African American

Hispanic

MultiRacial

White

Free and Reduced Lunch

Homeless

Students with Disabilities

None

Describe your Math goal for each identified student group. **All students in Sheridan School will be proficient in Math. These goals will be measured by standard assessment and monitored through authentic class level pre-assessments.**

Describe your ELA goal for each identified student group. **All students in Sheridan School will be proficient in English and Language arts. These goals will be measured by standard assessment and monitored through authentic class level pre-assessments.**

Describe your Other goal for each identified student group. **Sheridan School will graduate 100% of its students in each cohort. Sheridan Students will embrace and enhance the culture of the school and become a cohesive group that cares for one another and treats all with dignity and respect.**

If you are planning to develop or use approaches that are novel to achieve your Math, ELA, or other goal, would you be willing to have the OPI share your approaches with state and federal entities? If so, please briefly describe your innovation below. **Sure, but I do not believe our school is doing anything novel to achieve our Math or ELA goals.**

Determine if ARP funds will be used to **implement prevention and mitigation strategies**, to the greatest extent practicable, in order to continuously operate schools for in-person learning.

If you are planning to use ARP ESSER funds for prevention and/or mitigation strategies, please select the evidence-based practices below and/or describe an additional practice in the Other box.

Mental health supports

Social emotional learning

X Academic support

X Extended learning/enrichment

Hiring new staff and avoiding layoffs

X Meeting the nutritional needs of underserved students.

Locating absent students and re-engaging disconnected youth

X Providing safe, healthy, inclusive learning environments.

Activities to address the unique needs of at-risk populations.

X Developing and implementing procedures and systems to improve the preparedness and response efforts

Training and professional development for staff of the local educational agency on sanitation and minimizing the spread of infectious diseases

X Purchasing supplies to sanitize and clean the facilities

X Planning for, coordinating, and implementing activities during long-term closures, including providing meals to eligible students, providing technology for online learning to all students, providing guidance for carrying out requirements under the Individuals with

Disabilities Education Act and ensuring other educational services can continue to be provided consistent with all Federal, State, and local requirements.

X Purchasing educational technology (including hardware, software, and connectivity) that aids in regular and substantive educational interaction between students and their classroom instructors including low-income students and children with disabilities, which may include assistive technology or adaptive equipment.

X School facility repairs and improvements to enable operation of schools to reduce risk of virus transmission and exposure to environmental health hazards, and to support student health needs.

X Inspection, testing, maintenance, repair, replacement, and upgrade projects to improve the indoor air quality in school facilities, including mechanical and nonmechanical heating, ventilation, and air conditioning systems, filtering, purification and other air cleaning, fans, control systems, and window and door repair and replacement

Other (please identify in the box below)

https://montanaopi.az1.qualtrics.com/Q/EditSection/Blocks/Ajax/GetSurveyPrintPreview?ContextSurveyID=SV_3fvD5WGMvgtoHmS&ContextLibrar... 12/19
7/1/2021 Qualtrics Survey Software

If you are planning to develop or use approaches that are novel to implement prevention and mitigation strategies, would you be willing to have the OPI share your approaches with state and federal entities? If so, please briefly describe your innovation below.

Block 10

6. Addressing Lost Instructional Time

Describe how the school district will use ARP ESSER funds it reserves under Section 2001(e)(1) of the ARP Act to **address lost instruction time** through the implementation of evidence-based interventions. The district must spend a minimum of 20% of ARP ESSER funds. The full implementation of the evidence-based interventions should be considered including personnel, materials, equipment, professional development, and expenses needed to meet the needs of students. Other evidenced-based practices may be utilized if the intervention meets one of the four tiers of evidence. Evidence-based practices may be found at [OPI's Multi-Tiered Systems of Support](#) page.

Block 7

How do you plan to spend the required 20% set-aside to address lost instructional time?

Choose all evidence-based practices that apply.

Extended learning time

Tribal/community engagement

Wraparound academic/health/social services

SEL learning supports

Evidenced-based curriculum

Accelerating learning through instructional approaches: In-school acceleration-Certified educators provide support for students within the classroom and grade-level work, using high-quality instructional materials, instructional strategies, and formative assessments.

Accelerating learning through instructional approaches: Tutoring program-High-dosage tutoring provided consistently by well-trained tutors or educators at least 3 days per week for at least 30 minutes at a time in groups of five or fewer students.

Accelerating learning through instructional approaches: Out-of-school time programs Identified students, needing additional support before, and after the regular school days, as well as on weekends, and during school breaks.

https://montanaopi.az1.qualtrics.com/Q/EditSection/Blocks/Ajax/GetSurveyPrintPreview?ContextSurveyID=SV_3fvD5WGMvgtoHmS&ContextLibrar... 13/19
7/1/2021 Qualtrics Survey Software

Accelerating learning through instructional approaches: Summer learning and enrichment: Summer learning programs, camps, community partnerships, work-based learning or community service that provide high-quality instructional and are designed to meet the social and emotional needs of student through engaging and enriching experiences.

Access to and effective use of technology

Engaging families in digital learning training and effectively using technology and platforms

Administering and using high-quality assessments that are valid and reliable, to accurately assess students' academic progress and assist educators in meeting students' academic needs, including through differentiating instruction

Providing information and assistance to parents and families on how they can effectively support students

Tracking student attendance and improving student engagement provided by the school

Using data about students opportunity to learn indicators to help target resources and support

Professional Learning Communities

Access to advanced coursework, dual enrollment, work-place learning, and/or internships

Career, Technical, and Agricultural Education expenses (approved under Perkins Act)

X Distance/Remote Learning: connectivity (hot spots, outfitting buildings/buses with WiFi, other wireless, internet service, etc.), devices (laptops, tablets, etc.), printing costs for learning packets, instructional resources/tools, hardware, software, subscriptions, licenses, assistive technology or adaptive equipment, online learning platforms/learning management systems, other distance/remote learning costs

Other (please identify in the box below)

How do you plan to use the remaining 80% for the allowable uses of funds related to preventing, preparing for, and responding to COVID-19 as required by ESSER I, II, and III? See page 5 of the ARP ESSER Fact Sheet for more information. Choose all evidence based practices that apply.

X Extended learning time

Tribal/community engagement

X Wraparound academic/health/social services

SEL learning supports

X Evidenced-based curriculum

X Accelerating learning through instructional approaches: In-school acceleration-Certified educators provide support for students within the classroom and grade-level work, using high-quality instructional materials, instructional strategies, and formative assessments.

Technology to support learning: enable students to learn anywhere and teachers to teach essential standards

Additional professional development for school leaders, teachers, and staff (trainings, extended professional development days, programs, etc.)

Staffing additional physical and mental health support staff (counselors, social workers)

Other (please identify in the box below)

Please provide the estimated number of jobs (FTEs) that have been or will be **created** by

the school district through the district's planned use of ESSER III Funds. **0**

Please provide the estimated number of jobs (FTEs) that have been or will be **retained** by the LEA through the LEA's planned use of ESSER III Funds. **0**

If you are planning to develop or use approaches that are novel to support and stabilize the educator workforce, would you be willing to have the OPI share your approaches with state and federal entities? If so, please briefly describe your innovation below.

8. Monitoring and Measuring Impact of ARP ESSER funds

How will the District monitor the impact of the ARP ESSER funded interventions or strategies, including but not limited to the 20% set-aside, to respond effectively to the academic, social, emotional, and mental health needs of all students, and particularly those students disproportionately impacted? **SBAC, Maps, and ACT benchmarks will gauge our school academically. While classroom assessments, survey, and the comprehensive needs assessment will address those social, emotional, and mental health needs.**

Please indicate the type of data you are obtaining and using to monitor outcomes.

Early Warning System

Interim Formative Assessment

Opportunities to Learn surveys

- X Summative assessments
- X Chronic absenteeism
- X Student engagement
- X Use of exclusionary discipline
- X Advanced coursework
- X Access to technology
- X Educator PD on technology
- X Access to and preparation of high-quality educators
- X Access to mental health and nursing staff
- X Student, parent, or educator surveys
- X Per-pupil expenditures
- X Classified and certified staff (numbers of positions or people)
- X Summer, Afterschool, and ESY enrollment
- X Health protocols
- X Student enrollment by Mode of instruction
- X Student attendance by Mode of Instruction

Other (please identify in the box below)

Block 12

The OPI has created a way for the district respondents to return to this plan and edit it multiple times before submitting. You can return anytime before August 24 to finish your submission.

When you're ready, click Submit at the end of the plan.

After you click Submit, your responses will display in a PDF file. Download the PDF file.

Upload the PDF file of your responses to your district's webpage.

Note: The option to edit is no longer available once the plan is submitted by clicking the Submit button. If you click Submit and then determine later that you need to make changes, contact OPITeams@mt.gov.

This plan must be monitored continuously and updated every six months. The OPI will confirm your submission via the email you provide at the start of your plan.

The OPI will reach out with questions and support as needed.

Thank you for your submission!
