

Our Purpose Statement:

Grow every child every day.

Our Direction Statement:

At Fairview Elementary School, we believe children can learn when we give them the very best academic and social-emotional instruction. It is our mission to provide safe, inclusive, loving, happy, and exciting classrooms.

We can do this by providing evidence-based & equitable learning experiences that promote creativity, collaboration, curiosity, & critical thinking. This will equip children to successfully and responsibly navigate an ever-changing world.

Grow Every Child Every Day

Fairview Elementary

Title 1 Family Engagement Policy 2023 - 2024

The staff of Fairview Elementary believe that the education of all children is a cooperative effort between the family and school. We strongly believe that family engagement improves educational achievement for all students in our school. The Fairview Elementary staff is committed to involving and connecting families in a variety of activities throughout the school year.

In order to promote this connection between home and school:

- Families will be encouraged to help develop the school's Family Engagement Policy and Plan and update it annually.
- An annual meeting will be held near the beginning of every school year to inform parents/guardians of the Title I Program goals, guidelines, services, and parental rights, as well as offer suggestions of ways to continue to expand upon their students' learning at home.
- All families will receive a copy of the At Home-At School Compact explaining the home/school partnership for building students' success and fostering family involvement.
- Progress reports and report cards will be available quarterly.
- Teachers will provide contact information to be reached by families.
- Families are encouraged to notify school staff of concerns in a timely manner.
- Families will be informed about opportunities for themselves and their children in a timely manner and, when available, in a language they understand.
- Family involvement opportunities will be offered for families to learn strategies and to gain resources to work with their children at home in order to increase academic success.
- Opportunities for families and students will be offered at various times throughout the year and in a variety of ways.
For example: Conversations with the Principal, Parent-Teacher Conferences, etc.

Our Purpose Statement:

Grow every child every day.
