**NEWS**

Week of April 1st - April 5th

Good evening Glen Arden families,

Please be reminded that there will be NO SCHOOL for students and staff this coming week, April 1st-5th. Next week is Spring Break. Students and staff will return to school the following Monday, April 8th.

During Spring Break, Ms. Smith, our librarian, invites you to use these free, fun and safe tools from Common Sense Media to help you find appropriate entertainment, ideas for minimizing screen time, and the resources you need to understand all those apps your kids keep asking for. Check it out:

Buncombe County is once again in the path of a partial solar eclipse, which will happen when we return to school on Monday, April 8. With so many eyes interested in what's happening in the skies, we want to remind everyone to exercise caution. At school, we will be reminding our students to not look at the sun during the eclipse. [More information about safety during the eclipse is available on the school system's website.](#)

The staff of Glen Arden Elementary School would like to wish all our students and families a happy and safe Spring Break! Thank you for sharing your students with us each and every day!

We look forward to seeing our students again on Monday, April 8th.

Have a great week ahead!

Go Rams!
