Three Billy Goats Gruff by Paul Galdone

Get ready to be wowed by your little scholar!

The kindergarteners have a dazzling lineup of talents to showcase, including a performance of "Old MacDonald," an epic retelling of "The Three Billy Goats Gruff" using story stones, and even making butter from scratch!

Plus, your child will share their literary masterpieces with you.

And as a keepsake, the book is all theirs, thanks to the Title I family engagement funds. Get ready to be proud!
