

BOE POLICY	2144: STUDENT CONDUCT: DRESS CODE
-------------------	--

The Bixby Board of Education has established a student dress code to allow students to express themselves while establishing and maintaining a positive, safe, and inclusive learning environment for students to engage in education. Generally, dress and grooming standards as determined by the students and their parents will not be questioned. The only requirements the board of education insists upon are that students' dress and grooming shall not lead school officials to reasonably believe that such dress or grooming will materially and substantially disrupt or interfere with a student's education school activities, or create a health or other hazard to the student's safety or to the safety of others.

The responsibility of upholding and enforcing this code rests with those students, parents/guardians, teachers, and principals concerned. Where there is a judgment to be made, the principal will make the decision in accordance with the student/parent handbook policy, as approved annually by the School Board.
