SUMMER SCHEDULE

WEEK 1 <i>July 1st-5th</i>	Wild Northwest	Welcome to the Pacific Northwest! It's a region where misty mountains meet urban vibes, and the rhythm of the rain harmonizes beautifully with the heartbeat of the evergreen forests. The PNW has something for everyone - from soaring peaks to trendy city streets. So come and discover the enchanting allure of this amazing place, where nature and culture dance in perfect harmony. Can't wait to have you here!
WEEK 2 <i>July 8th-12th</i>	Hollywood Stars	Lights! Camera! Action! Walk on stage with us as we explore the trend setting and fabulous work of Hollywood. Get ready for glitz and glamour of drama, action, comedy, novelas, and more! And the grammy award for best week of summer goes to...
WEEK 3 <i>July 15th-19th</i>	Elemental	Water. Earth. Fire. Air. The elements that bind our world together. Across eras and generations, they have been the instruments of positive and negative, peace and chaos. Both balance, and imbalance. Find your balance this summer and walk this path with us. A great adventure... awaits.
WEEK 4 <i>July 22nd-26th</i>	Legends & Lore	Leap into myth and folklore from around the world! Learn about how stories connect us all to eachother and the world around us. Engage with games and activities that take charachters and stories out of legend and into reality!
WEEK 5 <i>July 29th-August 2nd</i>	Amazing Race Around The World	Youth from Skagit County are about to embark on a race around the world for one amazing week. It's the most daring week of the summer, youth will experience friendship as they race around the world. Participants will not only engage in exciting challenges to develop valuable teamwork skills, critical thinking abilities, and an appreciation for the diverse fields of STEM, ART, and physical activity as they discover different cultures from all over the world .This is a race like no other in history. This... is the Amazing Race
WEEK 6 <i>August 5th-9th</i>	Into The Garden	We will be shrinking ourselves down to explore the biodiversity in our backyards and gardens. Flowers, bees, birds, frogs, grass, how do they all interact and why? Join us to find out!
