

# STAY CONNECTED WITH

## OUR DISTRICT'S TWO-WAY COMMUNICATIONS PLATFORM

Dear West View Families,

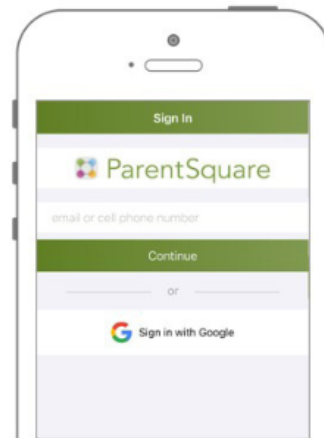

We are excited to share that **ParentSquare** will be the digital platform that our district/school will use to communicate with families. With **ParentSquare**, families can reach out to teachers, receive district and school messages via email, text and/or mobile app.

**GET STARTED!** ☐ **Activate your Account** ☐ **Download the App** ☐ **Set Preferences**

Our goal is for every West View family to join **ParentSquare** and to engage with our school community. Each parent/guardian has their own account and can use **ParentSquare** on any device.

In the next few weeks, you will receive an invitation email or text to join **ParentSquare**. When you receive the invitation, please click the link to activate your account. Even if your account is not activated, you will receive messages from us.

You can activate immediately on the free mobile app. We encourage you to download the **ParentSquare** app for iOS or Android today.

If you prefer to use **ParentSquare** on a desktop, you can sign in at **ParentSquare.com**.

Once activated, you will be able to choose your notification preferences and language settings, and start receiving messages.

Our West View team will work alongside our families to help navigate the transition to the **ParentSquare** communication platform.

Happy summer! ☀️
