COMPREHENSIVE NEEDS ASSESSMENT:

Central Park School formed the School Improvement Leadership Team and analyzed the test scores from the 2023 administration of the ACT ASPIRE Exams and the MAP Assessments. We examined the results for all students and each subpopulation. We heard a report from our Formative Assessment Team who showed written evidence documenting our main areas of weakness. In addition, we studied our attendance, disciplinary and achievement data over the past three years. We examined all the data for the purpose of determining student learning and behavioral needs. We looked at the trend data, from these various assessments, in order to better identify the areas of need and help align classroom instruction with State Standards, in literacy and math. We examined our routines, customs, norms, and expectations in order to see why our students are not achieving their potential. Our supporting data statements show the discrepancies in achievement, among our various subpopulations. We are modifying our curriculum, instruction, assessment and professional development practices to better meet the needs of all our populations. Our data analysis led us to prioritize these (3) areas: Continued implementation and improvement of an inclusion model for special education students when appropriate, continued training and support for student behavior with the use of Conscious Discipline, and the

implementation of Visible Learning strategies to increase student ownership of academic achievement. We will select interventions and use funds that put us in the best position to address those needs. We will continue to implement Visible Learning strategies while working with a Visible Learning coach, and continue to work on developing inclusive practices for special education students as well as general education students with various academic and behavioral needs. Our goal is to reduce the gaps in student achievement and help each student achieve grade-level mastery, especially in Math and Literacy.

STRENGTH AREAS:

- MAP growth in Kindergarten was high in literacy and math.
- 4th grade ACT Aspire scores were higher in 2022-2023 than the previous two years in both math and literacy.

GROWTH AREAS:

- 3rd grade showed low achievement on ACT Aspire Reading and had the same level of proficiency as the past two years on this assessment- focus on increasing rigor, continued literacy and math planning, focus on teacher clarity, and success criteria.
- Focus for all grade-levels will be learner intentions, success criteria, and teacher clarity to achieve higher growth and achievement for all students. We will focus on encouraging feedback in both teacher to student and student to student settings.

DISTRICT GOAL(s): [Bentonville Strategic Plan 2023](#) Building goals must be connected to district goals.

- **Academic Excellence:** Students will be engaged in personalized learning experiences that are real, relevant, and rigorous. Students will be supported with a multi-tiered system of support early and often when in need of assistance for grade level performance.
- **Refined Communication System:** Execute a universal plan of school, district and executive communication to address parents & community.
- **Safe & Collaborative Culture:** Build staff capacity to function as a member of the PLC.

MISSION & VISION:

Central Park Elementary:

Mission: High levels of learning for all.

Vision: Building a school community of lifelong learners.

| IIID01 Response to Intervention | The school implements a reliable and valid system-wide screening process for academics and behavior that includes the assessment of all students multiple times per year and establishes decision rules to determine those students in need of targeted intervention. Provide a tiered system of instructional and behavioral supports and intervention (RTI). | | | |
|---|---|---|--|--|
| SMART GOAL | LEAD STAFF | ACTION STEPS: What needs to be done? | RESOURCES NEEDED | EVIDENCE (How will success be measured? What will evidence of success look like?) |
| 100% of all students will be enrolled in intervention, on grade-level, or enrichment instruction each week and assessed at least 3x annually to monitor growth. | Karrie Bradshaw Allison Smith | Students will be supported with a multi-tiered system of support early and often when in need of assistance for grade-level performance. Academic and behavioral systems will include RTI and the regular review and opportunity for customized interventions based on learners' performances within the tiered academic and behavioral system. Students will regularly be assessed with multiple common formative assessments that will provide teachers and specialists the data they need to meet learners' needs. This data will be reviewed biweekly and recommendations will be made by the RTI team to | Instructional aides, Master schedule design to support RTI process, continued teacher PD as it relates to literacy and math instruction. | All students will be identified as on or below grade-level through documentation of assessments completed throughout the school year. Appropriate interventions will be assigned to all students not meeting grade-level expectations for academics and behavior. Success will be measured by using student data to track the progress of students through the intervention process. Students will need less support as they master the necessary skills to demonstrate grade-level proficiency. |

| | | | | |
|---|--|---|---|---|
| | | support students, teachers, and instruction. | | |
| FE06 Refined Communication | The school regularly communicates with parents (families) about its expectations of them and the importance of the curriculum of the home (what parents can do at home to support their children's learning). Provide a two-way school-home communication linked to learning. | | | |
| SMART GOAL | LEAD STAFF | ACTION STEPS: What needs to be done? | RESOURCES NEEDED | EVIDENCE (How will success be measured? What will evidence of success look like?) |
| 100% of all families will attend at least one parental involvement opportunity. | Karrie Bradshaw Allison Smith Amanda Williams | The school produces a school wide newsletter that is distributed digitally. This newsletter provides information about the school such as upcoming events and curriculum in activity classes. In addition, each classroom teacher sends home a weekly newsletter that communicates expectations of student learning that is to be taking place at home (and resources that can support it), learning objectives that will be focused on in the classroom during the school day, upcoming homework assignments and any announcements (such as team field trips or service projects). Teachers communicate with parents through | Digital platform to send newsletters to parents. Smore, Thrillshare, etc. Regularly maintained school Facebook page. | Central Park will attain 100% parent participation twice a year for parent-teacher conferences. Teachers and staff will regularly collaborate with families via virtual communication as well as face-to-face. Parent surveys will be sent out at the end of the school year to determine their satisfaction with the level of communication from the school. |

| | | | | |
|--|---|--|--|---|
| | | Seesaw, Google Classroom, email, newsletters, phone calls, and Tuesday folders. Twice a year, we hold parent teacher conferences. 100% attendance is required by parents. At conferences the teacher will document progress through report cards, MAP scores, common assessments (district created assessments, QPA, Past, Dibels, and other data taken to indicate progress). | | |
| ID13 Safe & Collaborative Culture | Instructional Teams meet for blocks of time sufficient to develop and refine units of instruction and review student learning data in professional learning communities (PLCs). <u>ID13 Collaborative Culture</u> | | | |
| SMART GOAL | LEAD STAFF | Action(s) | RESOURCES NEEDED | EVIDENCE (How will success be measured? What will evidence of success look like?) |
| Continue to develop and support a culture of lesson planning that focuses on standards driven planning to increase the percentage of K-4 students who meet their growth goal | | Each grade-level team will meet one time each week with the math coach and one time each week with the literacy coach to plan for Tier 1 instruction as well as small group instruction. One time each week | Academic coaches Continued teacher PD as it relates to literacy and math instruction. Visible learning PD. | PLC agendas will reflect commitment to the deep work of instructional planning and reflection on student data. Improved student performance on state assessments will show the success of the PLC process at Central Park. Increased percentage of teachers using Visible Learning strategies recorded on |
