Our top-notch educators function as a large family, and our vibrant, positive culture is dedicated to the success of all students.

Our extensive programs and courses connect to the ever-changing world and prepare students for post-high school pursuits in college, training, careers, and military.

Various student programs serve our school and community while providing training for our students, including an in-house daycare/preschool for employees' children (ages 6 weeks through Pre-K), a restaurant within the school where you can have lunch or plan a cross-curricular culinary experience, an automotive program where you can have your car serviced, a graphic design class that can create your brochures or posters, and many more.

We are a 1:1 school, and we strive to offer the most effective technology to benefit instruction and ensure digital citizenship.

We offer support for teachers new to PCHS in the form of peer mentorships, instructional coaching, and a wide variety of professional development opportunities.

We are financially stable, consistently earning ISBE's highest financial profile recognition status.
