

Maryetta Public School

Revised Plan for Use of ARP ESSER III Funds FY 24

Section 1: Introduction

The purpose of the American Rescue Plan (ARP) Act Elementary and Secondary School Emergency Relief (ESSER) III Fund is to help safely reopen and sustain the safe operation of schools and address the impacts of COVID-19 on the nation's students by addressing students' **academic, social, emotional, and mental health needs**. Maryetta Public School has been awarded **\$2,051,949.32** in ESSER III funds.

This plan describes how the awarded funds will be used. Questions about this plan should be directed to Lori Means, Superintendent, 470819 E. 810 Rd. Stilwell, OK. 74960, by phone at 918-696-2285 ext 3000 or by email at lmeans@maryetta.org. Maryetta Public School's response to the Covid-19 pandemic has been and continues to be based upon the most up-to-date guidance from state and local health officials as well as the CDC. At the heart of our response has been our students' academic, social, emotional, and mental health needs. Our ultimate goal is having students physically present in school as safely as possible.

Section 2: Prevention and Mitigation Strategies

ARP Act ESSER III funds may be used to implement prevention and mitigation strategies that are, to the greatest extent practicable, consistent with the most recent [Centers for Disease Control and Prevention \(CDC\) guidance](#) on reopening schools, in order to continuously and safely open and operate schools for in-person learning. Maryetta Public School will use approximately **\$874,560.00** of its ARP Act ESSER III funds to implement prevention and mitigation strategies as described below.

- Portable air purifiers and filters were purchased for all classrooms and common areas. A dehumidifier was installed in the preschool to decrease mold issues to improve indoor air quality. HEPA air filters for HVAC and water bottle filling station filters were purchased. Filters may be purchased in FY 24 if necessary.
- A cafeteria expansion was completed in April of 2023 providing an additional space for 120 students. The expansion allows for additional cafeteria time and for all students to return to the cafeteria for breakfast and lunch. During COVID, students ate in their classrooms and common areas.
- Additional cleaning supplies and disinfectant fogging machines for use in classrooms, bathrooms and multipurpose areas were purchased. This expense will continue for FY 24.
- Individual desks were purchased in year one to replace tables in classrooms to comply with social distancing guidelines. Only one classroom set was purchased. The cost increase after COVID prohibited us from purchasing additional classroom sets.

- A School Nurse is on staff to assist Health Departments, evaluate students having symptoms and calling parents if necessary. Medical office supplies were purchased to treat symptoms. This expense will continue in FY 24.
- A ½ time janitor was provided for additional cleaning of high traffic areas and surfaces. This expense will continue for FY 24.
- Additional playground area to allow for social distancing during recess and outdoor learning time (completed in June of 2023)

Maryetta Public School is a single schoolwide Title I school therefore all students regardless of demographics are served equally Early Childhood through 8th grade. Students are monitored for academic success as well as attendance and discipline issues. Teachers, paraprofessionals, counselors, and administrators work to meet all student needs. Tier I, Tier II and Tier III instruction and interventions are used as needed based on classroom observation and assessment. Benchmark assessments, formative assessments, screeners and classroom observations are used to identify students in need of supplemental instructional supports. Teachers will provide direct instruction for specific standards on an individual bases or in a small group setting. Newsletters are sent home by classroom teachers which provide further assistance and direction to resources. PLC meetings allow opportunities to teachers and staff to collaborate, plan intervention strategies and other learning opportunities for struggling students. Title I, Title IV, RLIS and IDEA funds would be utilized to address the needs of subgroups of students as follows:

1. Neglected or Delinquent – in the event MPS has a student qualifying as neglected or delinquent, the district will provide all necessary resources to assist the student in meeting goals and improving achievement.
2. Homeless Children and Youth – in the event MPS has a student identified as homeless, our Homeless Liaison works with family members, site principals, teachers, counselors and onsite DHS School Based Specialist to identify areas of need. The team then works together with the student and family to create a personalized assistance plan to meet those specific areas of need.
3. English Learners and Immigrants – ELL students are identified according to their Home Language Surveys and Eduskills. ELAPs are created and students are served by our district ELL team as needed. Classroom teachers employ best-practice strategies to help students gain needed skills. Student engagement is monitored on a regular basis. Individual needs are met using data from benchmarking tests.
4. Migrant – in the event MPS has a student qualifying as migrant, the district will provide all necessary resources to assist the student in meeting goals and improving achievement.
5. Students with Disabilities – MPS will engage in meaningful consultation with district administrators, special education service personnel and classroom

teachers to address the academic impact of loss of instruction time and respond to academic, social, emotional and mental health needs of students with disabilities. Based on these consultations, modifications and accommodations will be made according to the directives of the IEP.

6. Early Childhood – An additional Kindergarten classroom taught by a Reading Specialist was created to facilitate the transition from early learning to elementary education programs and to close learning gaps created by COVID-19.

Section 4: Other Uses of Funds

Section 2001(e) of the ARP Act permits school divisions to use the ARP Act ESSER III funding not reserved to address unfinished learning to address the impacts of COVID-19 in a variety of ways Maryetta Public School will use approximately **\$481,506.00** of its ARP Act ESSER III funds in accordance with Section 2001(e) of the ARP Act as described below.
