The board of Independent School District No. 682 (Roseau Public Schools), Minnesota has proposed to increase the School District's general education revenue by \$1,000 per pupil, subject to an annual increase at the rate of inflation. The proposed new referendum revenue authorization would be first levied in 2025 for taxes payable in 2026 and applicable for ten (10) years unless otherwise revoked or reduced as provided by law.

**YES**  
**NO**

Shall the new referendum revenue authorization proposed by the board of Independent School District No. 682 (Roseau Public Schools), Minnesota be approved?

**BY VOTING "YES" ON THIS BALLOT QUESTION, YOU ARE VOTING FOR A  
PROPERTY TAX INCREASE**

**PASSAGE OF THIS REFERENDUM WILL RESULT IN AN INCREASE IN YOUR  
PROPERTY TAXES**

For the ballot question, the property tax portion of the revenue authorized will require an estimated referendum tax rate of 0.1903% for taxes payable in 2026 of the referendum market value of all classes of taxable property in the School District, as defined by Minnesota Statutes, Section 126C.01, Subdivision 3, which excludes certain agricultural property, seasonal property and post-secondary student housing.

The projected annual dollar increases for typical residential homesteads, apartments, commercial-industrial properties, and most other classes of property within the School District are as shown in the table below, subject to an annual increase at the rate of inflation.

Agricultural property will pay taxes for the proposed referendum based only on the value of the house, garage and one acre of land. Seasonal recreational residential property (*i.e.*, cabins) will pay no taxes for the proposed referendum.

The figures in the following table are based on School District taxes for the new referendum revenue authorization only and do not include tax levies for other purposes:
