Creswell Elementary School - Parent and Family Engagement Policy

CES Vision: Learning in every classroom, every student, everyday.

CES Mission: Creswell Elementary seeks to create a constructive learning environment that encourages students to be lifelong learners and productive citizens by providing a personalized education for every student and collaborating with parents, families and community members.

Purpose:

Creswell Elementary School is committed to fostering a collaborative and supportive environment where parents and families actively engage in the education of their children. Our Parent and Family Engagement Policy aims to establish strong partnerships between the school, parents, and the community to enhance student success, academic achievement, and overall well-being.

The school staff, in compliance with federal Title-1 requirements and the WCS Title-1 Parent and Family Engagement Policy 1320, will establish the following:

Communication:

Effective communication is essential for a successful partnership. Creswell Elementary School will provide regular communication through newsletters, emails, and the school website to keep parents informed about school activities, policies, and student progress. Additionally, the school will host regular parent-teacher conferences and open houses to facilitate two-way communication.

Parental Involvement:

Mission Statement:

Creswell Elementary seeks to create a constructive learning environment that encourages students to be lifelong learners and productive citizens by providing a personalized education for every student and collaborating with parents and community members.

Learning in every classroom, every student, everyday.

Creswell Elementary School encourages and welcomes parental involvement in various school activities. Parents are invited to participate in classroom volunteering, parent-teacher organizations, and other school events. The school will also organize workshops and seminars to empower parents with the knowledge and skills needed to support their child's education.

Shared Responsibility for Student Success:

Education is a shared responsibility between the school, parents, and the community. Creswell Elementary School will work collaboratively with parents to set academic goals, monitor student progress, and provide resources to support learning both at home and in the classroom.

Title-1 Annual Meeting:

An annual Title-1 meeting will be conducted to inform parents about the school's Title-1 status, funding allocation, and how it is utilized to enhance educational programs. This meeting will provide an opportunity for parents to provide input, ask questions, and engage in discussions about Title-1 initiatives.

School Parent Compact:

A School-Parent Compact will be developed collaboratively between parents and school staff. This compact outlines the shared responsibilities of parents, teachers, and students in fostering academic success. It will be distributed annually and reviewed during parent-teacher conferences.

Evaluation and Review:

Creswell Elementary School will regularly assess the effectiveness of the Parent and Family Engagement Policy through surveys, feedback sessions, and other evaluation methods. The results will be used to make improvements and adjustments to better meet the needs of parents and families.

Mission Statement:

Creswell Elementary seeks to create a constructive learning environment that encourages students to be lifelong learners and productive citizens by providing a personalized education for every student and collaborating with parents and community members.
