

2023 - 2024 Inclement Weather Guide

This guide is to assist where certain roads and/or areas in the district are closed more often than others. For many of these, we provide alternate locations for student pickup and drop-off. These are not the only roads that may be closed to school bus travel, just the most commonly closed roads.

Our goal is to have a decision made by 5:30 a.m. in order to notify the media and you by 5:45 a.m.

The following are methods of notification to families:

- *E-mails & text messages
- *District Website (EVSD.org)
- *Snowline (509-242-SNOW)

When weather and road conditions change for the worse, our buses will likely be delayed picking up and dropping off students.

NOTE: When a road or area is closed to school buses in the morning, the road/area will remain closed for the entire day.
