RE: USAC E-rate Funding – Taxes/Fees/Surcharges

To Whom It May Concern:

As we prepare for this E-rate filing window, which is open between 1/17/24-3/27/24, we want to make sure you apply for the correct amount of taxes, fees, and/or surcharges to take full advantage of the E-rate discount due to the School.

Please ensure this letter gets to the appropriate E-rate contact within your School or District. Time is of the essence, and your Form 471 must be submitted by **March 27, 2024**.

We have estimated your annual property tax surcharge to be \$37,704.00 , or monthly invoiced amount equal to \$3,142.00 . If you are already receiving services, this amount will be added to your monthly recurring invoice beginning 7/1/24 to ensure it can be off-set by E-rate funds. If you are in process of installation, the amount will be pro-rated from the date of delivery.

We will evaluate annually the actual amount of property tax due and will refund any amount that was overpaid to the School and USAC. In addition, we are actively searching for exemptions and ways to reduce this cost, so we ask for your cooperation if we are able to apply for such.

We estimate your other taxes and/or fees to be \$10,435.56 annually, or \$869.63 monthly. Please make sure to include these as well with your Form 471 filing.
