Return to Walker Center Party

On Feb 8th, the ASB properly welcomed EVPP families back to the Walker Center with games, music, and pizza! Students participated in two types of scavenger hunt, bingo and a cupcake walk. Families also seized the opportunity to vote for their favorite student-created t-shirt design. Nearly 150 people attended this joyous event and fun was had by all! Thank you for supporting EVPP, even while we were displaced temporarily. I am sure we all share the same sentiment that it is good to be back home!

On-Site Classes

On-site Classes are up and running, and we have had our greatest participation rate in the last two years. Students are having a great time participating in a variety of offerings that include some of the perennial favorites such as Pottery and Barista and even some brand new classes like pine-needle basketry! We have added a few new SSPs with a passion for learning who are going to be great additions to an already superb staff. If you are curious about on-site learning opportunities, please contact the school or simply drop by for a tour. We would love to show you what is new here at the Walker Center!

Mid-Winter Break

February 19 through the 23rd is a district-scheduled break. There will be no school. On-site classes will resume on Feb. 27. We hope you spend this next week resting, recharging, and engaging in activities that fill your bucket! Our staff will be away all next week doing the same! See you soon!
