

# IES CANDY WORLD

LEARNING IS OHHHH SO SWEET!

May 21 - June 14

8:00 am - 3:15 pm

K-8 grades (Includes students entering Kindergarten)

Free Breakfast and Lunch

Modified Transportation

Yes, it is true! We will be studying CANDY! Who invented candy? Why did they invent candy? What are the ingredients, where do the ingredients come from, how do we get them, what is the cost, how do we double or triple the recipe, how do we budget for the ingredients, can we find the ingredients in the store, what's the most popular candy in different nations...and much, much, more. And of course, there will be lots of taste testing through this learning. We will journey down a path of math, social studies, reading enrichment, and science with engaging activities that require students to make connections about everyday life and advanced skills.

*Students with 100% attendance for the entire summer school session (no missing minutes or tardies) will receive \$100. Students with up to one missing day will receive \$75. Students missing up to 2 days but more than one day will receive \$50. Opportunities for prizes are throughout the summer school session.*
